Then on the last day of each month, list specific programs aired during the preceding month which dealt with the issue. Items below are featured on Spotlight Saturday afternoons at 2:00 p.m., and "In the Market" with Janet Parshal at 7:00 pm, Monday-Friday.

ISSUE	PROGRAM OR SERIES TITLE	BRIEF DESCRIPTION	DATE OF BROADCAST	DURATION (HRS.& MIN.)		
Government	Spotlight	LANCASTER – Saturday afternoon’s Spotlight looks at PA House passage this week of House Bill 300, the so called Fairness Act, which would add sexual orientation, gender identity, and gender expression to PA’s non-discrimination law. PA Family Institute President/CEO Michael Geer says the bill would cause much harm to a variety of groups. The bill would also jeopardize religious liberties and impact Christian doctors. Geer also discusses recent work by their Independence Law Center, the push to support abortion in PA, and other family issues. Saturday afternoon’s Spotlight airs at 12:30 on WDAC and 2:30 on WBYN 107.5. You can listen to the program online right now at wdac.com under “podcasts.”	5/6/2023	25 min.		
Legal/Crime	Spotlight	LANCASTER – Saturday afternoon’s Spotlight talks to the Lancaster County man who has a case before the U.S. Supreme Court. Gerald Groff began working for the U.S. Postal Service in 2012 and didn’t have to work on Sunday allowing him to worship God with his church family. In 2013, Amazon contracted with the Postal Service to provide Sunday delivery. Initially, they accommodated Groff, but later required him to work Sundays or they would make an example out of him. As a result of hostile working conditions, Groff suffered from a number of physical ailments. The case, Groff v. DeJoy presents the Justices with the opportunity to re-evaluate the “de minimis” standard and reconfirm the language of Title VII, as passed by Congress, requiring an employer to accommodate an employee’s religion unless it would cause an “undue hardship.” Groff is joined on the program by Chief Counsel of the Independence Law Center, Randall Wenger, one of the legal firms defending Groff. Saturday afternoon’s Spotlight airs at 12:30 on WDAC and 2:30 on WBYN 107.5. You can listen to the program online right now at wdac.com under “podcasts.”	5/27/2023	29 min.		
Government	Spotlight	LANCASTER – Saturday afternoon’s Spotlight features highlights from the 2023 Right to Keep & Bear Arms Rally held Monday, June 12 at the state Capitol in Harrisburg. Law abiding firearm owners and citizens joined with pro-Second Amendment state lawmakers to stand united PA House Second Amendment Caucus Chair, Rep. Abby Major of Armstrong & Westmoreland Counties talked about recent action by state House Democrats which attack Second Amendment rights. Guest speakers, Karise & Jerel Crew, founders of “That Gun Talk” in Philadelphia talked about efforts to unite law abiding, gun owning African Americans to join in the battle to protect Second Amendment rights. Saturday afternoon’s Spotlight airs at 12:30 on WDAC and 2:30 on WBYN 107.5. You can listen to the program online right now at wdac.com under “podcasts.”	6/17/2023	27 min.		
Education	Spotlight	LANCASTER – With school out for the summer, many parents are eager to find ways to keep their children healthy and active. While it’s tempting to allow summer to be a free-for-all with unlimited access to devices, TV, video games, and junk food, such access can have negative effects on a child’s mental and physical health. Dr. Joannie DeBrito, a licensed family counselor at Focus on the Family, offers tips for nurturing physical and mental well-being in children over the summer break. She says it’s more challenging for those parents who have to work while their children are at home. Dr. DeBrito offers some advice on keeping children active and healthy during the summer months on Saturday afternoon’s Spotlight at 12:30 on WDAC and 2:30 on WBYN 107.5. You can listen to the program online right now at wdac.com under “podcasts.”	6/24/2023	21 min.
