	<b>International Issues</b>		
		Breakpoint—John Stonestreet— Evidence of China’s Genocide a massive trove of documentary evidence” was released this month, detailing in concrete terms China’s brutality towards minority groups. “The files include photographs of detainees (including children), flamboyant speeches by senior Communist Party officials, police and military reports, and training documents,” This evidence leaves little room for China’s leaders to deny their atrocities. Despite official claims, this is not a matter of Chinese national security, and China’s leaders are not impartial observers. They are orchestrating the process.	June 23, 2022 6:45 am, 11:30 am 03:00:00
