John,

I would like to thank you, your staff as well as your students for the amazing tour you gave us of WRHU. We were very impressed and I am hoping that experience lit a fire for my student Aiden to apply himself in school to prepare for his career.

We would love to have you come down to our school for a presentation to our students who are involved in communications courses here at the high school. Please let me know if you are available or interested and I would be happy to sort out a date and time that works best for you.

I am copying our lead Video Production teacher Ronald Weber as I mentioned yesterday's meeting to him and he's also excited to have you as a guest.

Sincerely,

*Ryan Vollmuth Ms. Ed CRC*  
*Transition Coordinator*
