Helping local families to make the holidays brighter with Toys for Tots distributed through our local Salvation Army.	KLFN received information from the Toys for Tots local Coordinator, Steve Gralish, and we agreed to promote it through recorded PSA's and local news stories.	From late November until mid- December 2022, we aired a PSA encouraging listeners to consider purchasing an extra gift for an area child in need. People delivered their new toys to drop off locations. Toys for Tots picked up the toys and then took care of the distribution of toys in time for Christmas.
