## POLITICAL BROADCAST ADVERTISEMENT FORMS PB-18

### USING THE FORMS

#### **IMPORTANT NOTE:**

**For the PB-18 Issues Form Only** – If an Issue Advertiser certifies that the programming does not communicate “a message relating to any political matter of national importance,” stations should review the programming to verify that no such messages are communicated in the programming. Stations have an independent obligation to disclose rates and times aired in the public file for programming relating to such matters, and they cannot rely solely on an advertiser’s assessment of its own message.

#### **Acrobat Reader XI**

You must have version XI or higher of Adobe’s Acrobat Reader to use these forms. If you do not have Adobe Reader XI or higher, you can download a free copy at: <http://get.adobe.com/reader/>

#### **Acrobat Toolbar Functions**

When you install the Acrobat Reader and view a fill-in form, you will see a toolbar at the top of the document like this:

You need to use only a few of these buttons to complete a fill-in form. The buttons you need to use are explained below:

#### **Pointer Tool**

The **Pointer Tool** will most likely be pre-selected the first time you use Acrobat Reader. This tool allows you to fill in the forms on your desktop. This tool is selected when the cursor appears in the shape of an arrow like the one pictured on the button above.

With a fill-in form on the screen, move the pointer tool over a portion of the form to be filled in. You will notice that the pointer icon changes to a text icon, which looks like a capital I. This means that this is an area of the form that you are able to fill in using your keyboard. After you fill in that box, move your mouse to another field to fill it in. Note: you may also use the TAB button on your keyboard to advance to the next field. To mark a check box, move your pointer tool over a box and click your left mouse button. To unmark the box, move the cursor over the box and click again.

### **Zoom Tools**

The **Zoom Tools** allow you to change the current view of the form displayed. Depending on your monitor size, you may need to use the + or - Zoom Tool to get a better view of the form. You can also type a percentage into the white box to select an exact percentage zoom.

### **Page Tools**

The **Page Tools** help you navigate through the document. The number furthest to the right is the highest page number in the document. The number in the white box tells you what page you are currently on and you can edit that number to jump to a specific page. The arrow pointing upwards will move you one page forward on the current form, while the arrow pointing downwards will move you back one page on the current form.

## **Printing the Forms**

To print a completed form, click on the print button:

## **Saving the Forms**

Acrobat Reader does not allow forms to be saved. Complete the entire form, review and print prior to closing the file. Closing the file will erase all information filled in.
