This Saturday, January 1, 2011, AMERICA'S MOST WANTED will be airing the following cases. If you have any questions, or would like to request clips, please contact June Kim, jkim@amw.com or Avery Mann, amann@amw.com.

BERNY FIGUEROA – Brenham, TX: Nearly three years after the murder of their child, Alexia, Manuel and Sandra Lopez remain dedicated to searching for the woman police say is responsible for their loss: once-trusted babysitter and former family friend, Berny Figueroa. The couple will never forget their beloved Alexia, but share some big news with AMW that could help with their healing process. <http://www.amw.com/fugitives/brief.cfm?id=64350>

UNKNOWN GEEZER BANDIT – San Diego, CA: The FBI is searching for an elderly man who has committed 11 bank robberies in San Diego County. Authorities have nicknamed the oxygen tank-carrying thief the Geezer Bandit. Although he walks slowly and sometimes relies on a cane, he's managed to elude capture and get away with a significant amount of cash. <http://www.amw.com/fugitives/brief.cfm?id=69374>

UNKNOWN KIM SIMON KILLER – Utica, NY: In 1985, 16-year-old Kim Simon was murdered in Upstate New York. The man convicted of the crime was locked away for 20 years. The problem? He was innocent. Now cops are hoping AMW viewers can help heat up this cold case. <http://www.amw.com/fugitives/brief.cfm?id=69512>

DR. EMILIO LUNA – Phoenix, AZ: Phoenix FBI agents are on a manhunt for Dr. Emilio Luna, a pediatrician and accused pedophile who they say vanished September 12, 2010. The FBI tells AMW that Dr. Luna cut off his ankle-monitoring bracelet and might be headed for his native Mexico. Now they need your tips to help to hunt him down. <http://www.amw.com/fugitives/brief.cfm?id=74690&refresh=1>

This Saturday, January 22, 2011, AMERICA'S MOST WANTED will be airing the following cases. If you have any questions, or would like to request clips, please contact June Kim, jkim@amw.com or Avery Mann, amann@amw.com.

ELRICK WYNN – St. Petersburg, FL: Elrick "Big E" Wynn, the alleged leader of a multi-million dollar cocaine crack operation in St. Petersburg, Fla., has been running from the law for 15 years. Now the U.S. Marshals Service and the Drug Enforcement Agency are on his tail -- hoping to finally bust him. The only problem is, they aren't quite sure if they are looking for a he, or a she. Wynn allegedly got breast implants while in the Virgin Islands. <http://www.amw.com/fugitives/brief.cfm?id=76240>

HENRY CHAVEZ – Silver Spring, MD: Henry Chavez, a little person who stands 3 feet 11 inches tall, is accused of shooting a man to death in Silver Spring, Md. Now cops need your help locating him so he can be brought to trial for his alleged crime. <http://www.amw.com/fugitives/brief.cfm?id=73231>

CORY FRIERSON – Chicago, IL: Cops say Corey Frierson masterminded what he thought was the perfect bank heist right around Christmas in 2009, but he and his team made one crucial mistake. Now the FBI needs your help to track this accused ringleader down. <http://www.amw.com/fugitives/brief.cfm?id=74888>

JACK ALLEN POTEAT—Monroe, NC: Police did not expect Jack Allen Poteat to remain on the run after he fled Monroe, N.C., just before his statutory rape trial. But he's remained beyond the grasp of law enforcement since 2000 – changing hairstyles and his personal narrative – allegedly using at least 20 Social Security numbers. Meanwhile, the girl who says he raped her when she was just 14 has grown up with a still-unfulfilled yearning for justice. <http://www.amw.com/fugitives/brief.cfm?id=76238>

MICHAEL BLASINGAME – Plano, TX: U.S. Marshals in Plano, Texas, and Lafayette, La., are joining forces in tracking down 28-year-old Michael Gary Blasingame. They say Blasingame fled the United States with his then 18-month-old son, Eitan, instead of complying with the custody agreement he shared with Eitan's mother, Diana Huynh. It's been a frustrating two years for Diana and for U.S. Marshals, who believe Eitan is in danger. <http://www.amw.com/fugitives/brief.cfm?id=74621>

HUMBERTO FORTANELLI & SHANNON RAY – Fordyce, AR: Police say Humberto Fortanelli and his cellmate David Ray escaped from a Fordyce, Ark., prison on New Year's Eve 2007 with the help of a common household product: dental floss. Cops picked up Shannon Ray four days later but say that Fortanelli is still on the run. AMW sat down with Ray and got a first-hand look at exactly how the escape went down, and where his co-partner in crime could be hiding. <http://www.amw.com/fugitives/brief.cfm?id=51966>
<http://www.amw.com/fugitives/brief.cfm?id=51969>

PHYLICIA BARNES – Baltimore, MD: Phylicia Barnes, a 17-year-old set to graduate early from high school, wanted to visit her half-sister in Baltimore for the holidays, especially since she was interested in attending Towson University. But sometime on Dec. 28, 2010, she vanished from her sister's apartment. Police have gone through their tips, and now they need your help to find this bright girl.
http://www.amw.com/missing_children/brief.cfm?id=76220

JENNIFER SHORT KILLER – Henry County, VA: In August 2002, a couple driving through Henry County early in the morning had no idea that a strange sight they'd see could possibly become a key part of a multiple murder mystery that's haunted locals for years. A new task force has been formed, and authorities hope others in the area who saw something, will say something.

This Saturday, January 29, 2011, AMERICA'S MOST WANTED will be airing the following cases. If you have any questions, or would like to request clips, please contact June Kim, jkim@amw.com or Avery Mann, amann@amw.com.

TOBIJAH NELSON – Fayetteville, NC: A decorated war hero, on leave from Iraq, stood up for a woman being harassed by two men at an area nightclub. Later, he paid the ultimate price when police say the ego-bruised duo shot him and fled. One perpetrator is behind bars, while the other, Tobijah Nelson, is still on the run from justice. <http://www.amw.com/fugitives/brief.cfm?id=76360>

ARTAN SULSTAROVA – Wixom, MI: In the western Detroit suburb of Wixom, Mich., a card game went horribly awry, and by the night's end, a young man brutally lost his life. Ever since, cops have been trying to find his killer, and they need your help to bring this alleged murderer to justice. <http://www.amw.com/fugitives/brief.cfm?id=64953>

SAMUEL ESQUIBEL – Modesto, CA: Every Saturday, Ernie Hernandez Jr., 37, routinely met up with his friends at a Modesto, Calif. mall. Saturday, Aug. 14, 2010 was just like any other day -- except Ernie never met up with his buddies. Instead, he was brutally stabbed to death by a man cops have identified as a violent ex-con. <http://www.amw.com/fugitives/brief.cfm?id=74705>

KELSEY COLLINS – Everett, WA: Filmmaker Libby Spears teams up with AMW again to take an in-depth look at a specific case of child sex trafficking across state lines from Washington state to Portland, Ore. Kelsey Collins, only seventeen at the time, testified against her former pimp only to go missing before a full trial could commence. Now Kelsey's family and authorities fear the worst. http://www.amw.com/missing_persons/brief.cfm?id=76394

ROGER & KELLY JONES – Dodge City, KS: In March of 1992, cops in Dodge City, Kan., say that with the help of his wife, Kelly, Roger Jones killed a young man in cold blood. Now the two alleged killers are on the run, and cops need your tips to put them behind bars where they belong. <http://www.amw.com/fugitives/brief.cfm?id=74465>

CAPTURE ROUND-UP

AN SOON KIM – Queens, NY: AMW's traveled the world to put the spotlight on human trafficking, and thanks to your tips, police have arrested a woman we've told you about for years. Police say An Soon Kim forced dozens of Korean women into sex slavery through fear alone and allegedly disguised her illegal New York brothel as a massage parlor. Now Kim's behind bars after a brave tipster told us she was a regular at the Mohegan Sun Casino in Connecticut. <http://www.amw.com/captures/brief.cfm?id=41795>

LOREN OULMAN – Minneapolis, MN: Just a few months after John Walsh and America's Most Wanted exposed the horrors of human trafficking in Cambodia, an AMW viewer told the FBI where one of pedophiles we profiled was hiding out. Thanks to that tipster, convicted sex offender Loren Oulman is awaiting extradition back to the United States. <http://www.amw.com/captures/brief.cfm?id=75459>

DAVID DURHAM – Lincoln City, OR: Authorities say David Anthony Durham shot at a Lincoln City police officer during a traffic stop, critically wounding him. Officer Steven B. Dodds, who was named "Officer of the Year" by his colleagues in 2010, managed to call in his own shooting to dispatch despite his severe wounds. Now Oregon cops have upped the intensity of their search through the coastal city of Waldport, after finding the cop-shooting suspect's dog roaming around, injured.
<http://www.amw.com/fugitives/brief.cfm?id=76367>

UNKNOWN DANNY PEREZ KILLER – Miami, FL: A mentally challenged man and Special Olympics gold medalist who gave his heart and soul to his Miami community was shot and killed. Miami-Dade homicide detectives are baffled and have no idea who would kill innocent 36-year-old Danny Perez while he was biking. Cops need your help in finding Danny's cold-hearted killer.

This Saturday, February 5, 2011, AMERICA'S MOST WANTED will be airing the following cases. If you have any questions, or would like to request clips, please contact June Kim, jkim@amw.com or Avery Mann, amann@amw.com.

LAZARO ARANGO – Palm Beach/Martin County, FL: For more than a decade, detectives have been working to solve a cold case: the murder of a mother of two young daughters. Following solid leads, they knew who they were looking for, but recently, when they entered his picture into a new facial recognition system, the software gave them an unexpected match. The face was the same, but the name had changed. Now cops need help looking for this cabinet maker from Cuba who has already served federal time for cocaine conspiracy. <http://www.amw.com/fugitives/brief.cfm?id=76505>

ALDO RAMIREZ/AUGUSTIN MARQUEZ – Houston, TX: Cops say these two accused killers shot 16-year-old Julian Ruiz to death while he walked to school. Police believe they thought he was a rival gang member, but they were mistaken. Marquez goes by the nickname, "Chino," and authorities believe there's a good chance the pair is hiding out in Mexico.

<http://www.amw.com/fugitives/brief.cfm?id=71872>
<http://www.amw.com/fugitives/brief.cfm?id=72020>

JACK ALLEN POTEAT CAPTURE – Monroe, NC: Since 2000, Jack Allen Poteat had been on the run after being charged with raping a 14-year-old girl. When his victim, Jaimie Lowe, told her story to AMW on Jan. 22, 2011, viewers were outraged. Tips directed police to the suburbs of Dallas, where Poteat tried fleeing again, flipping his truck during the chase. First responders rescued him, then quickly placed him under arrest. <http://www.amw.com/captures/brief.cfm?id=76238>

TYSHON LETEEK JONES – Montgomery County, MD: Julian Kelly's family members say he was a dedicated dad who had dreams of someday becoming a marine biologist. But cops say those dreams were shattered when he was confronted by a group of gang members that included Tyshon Jones - now Maryland police need your help tracking Jones down.

<http://www.amw.com/fugitives/brief.cfm?id=75706>

UNKNOWN GEEZER BANDIT UPDATE – San Diego, CA: The Geezer Bandit has struck again. The FBI says the man known only to them as the Geezer Bandit has committed his 13th bank robbery -- this time much farther north than ever before. <http://www.amw.com/fugitives/brief.cfm?id=69374>

HAILEY DUNN – Colorado City, TX: Officials say that the boyfriend of Hailey Dunn's mother has been named as a "person of interest" in the 13-year-old's disappearance. "There are persons of interest developing in this case, to include Shawn Adkins," Colorado City Manager Pete Kampfer told AMW on Jan. 13, 2011. http://www.amw.com/missing_children/brief.cfm?id=76136

JOSE MIRANDA – Monroe, NC: Cops say a retired volunteer fire chief's generosity made him the target of an unthinkable crime. The 75-year-old man was found stabbed to death in his own home. Now, cops have one man in custody, but the other, Jose Miranda, has been on the run since 2003.

FEATURED FUGITIVES

GILDARDO AMADOR – North Hollywood, CA: In 2010, two men -- one of whom has been identified as Gildardo Amador -- terrorized the San Fernando Valley in a series of brazen armed robberies of local liquor stores. Los Angeles Police Department cops say Amador's become bolder as their search has intensified -- he's become so cocky he doesn't even wear a mask or gloves to hide his tracks. Now cops fear that his violent ways will continue to escalate until an innocent citizen eventually gets hurt -- or even worse.
<http://www.amw.com/fugitives/brief.cfm?id=76424>

TRUMELL TURNER – Detroit, MI: When Demetrius Blakeney traveled back to Detroit for his younger brother's high school graduation, cops say the homecoming was ruined by an irate drug dealer with an itchy trigger finger.
