DERRICK HOLMES – DeKalb County, GA: Derrick Holmes compiled a detailed list of rules for employees in his business. But cops say his business was prostitution, and the only rule he followed was ruling by fear. When one of his women tried to escape the life she'd fallen into, cops say Holmes invoked a new rule: murder. Holmes is on the run and he needs to be caught to pay for this alleged crime. <http://www.amw.com/fugitives/brief.cfm?id=74816>

LUIS GONZALEZ – Bonita Springs, FL: Luis Gonzalez's pregnant girlfriend was craving a late night snack. Gonzalez offered to go out to a fast food restaurant for her, but police say he made a pit stop at a local bar. While there, he saw a friend of a friend and offered her a ride home. She was found hours later on the side of the road – run over, twice. Law enforcement officials are piecing together exactly what happened that night, but one thing is certain, they want to catch Gonzalez and need viewers to be on the lookout, especially in Mexico. <http://www.amw.com/fugitives/brief.cfm?id=68706>

UNKNOWN WOODLAWN JANE DOE KILLER – Woodlawn/Baltimore, MD: Thirty-four years ago, the body of a young woman was discovered in a Baltimore suburb, wrapped in a sheet. She had several cloths tied over her head, and she'd been raped and murdered. Despite Sunday morning traffic where she was found, detectives still don't know who she is or who killed her and hope AMW viewers can shed light on her identity. <http://www.amw.com/fugitives/brief.cfm?id=74769>

ALVIN WEBSTER – Sequoyah County, OK: Oklahoma cops are on the hunt for a convicted child sex offender who police say has zero regard for the law -- or the children he allegedly harms. Police say Alvin Eugene Webster was convicted of molesting a 3-year-old girl -- then failed to register as a sex offender. Worst of all, police say the conviction didn't stop him from molesting yet another little girl. <http://www.amw.com/fugitives/brief.cfm?id=73399>

JOHN EDWARD SNYDER CAPTURE – Indianapolis, IN: After six years on the run, John Snyder has been arrested in Sturgeon, Mo. Police say as Snyder's marriage crumbled, his sanity went along with it. Police tell AMW this neo-Nazi activist hunted down his ex-wife and sexually assaulted her for hours while their son was in the house. He is now in custody and off the streets. <http://www.amw.com/captures/brief.cfm?id=63769>

ALBERTO SUAREZ – Philadelphia, PA: Cops say Suarez raped, choked and beat a young woman right across the street from police headquarters. Due to a Good Samaritan's call to 911, his crime was interrupted and he hastily fled the scene. Now, he is dubbed the "Pantless Rapist" for running away, leaving his pants and shoes behind, as surveillance cameras recorded his getaway. Police were able to identify this wanted man by one key item he left behind. <http://www.amw.com/fugitives/brief.cfm?id=74626>

This Saturday, October 9, 2010, AMERICA'S MOST WANTED will be airing the following cases. If you have any questions, or would like to request clips, please contact June Kim, jkim@amw.com or Avery Mann, amann@amw.com.

YASER SAID – Lewisville, TX: In a crime that shocked the nation, two young women were found shot to death in the back of a taxi; now their father is one of the nation's most-wanted men. Cops say Yaser Said was disapproving of his daughters "Americanized" lifestyle and ended their young lives in a horrific way and fled. Now police need viewers to be on the lookout for a man who is accused of ending his own daughters' lives. <http://www.amw.com/fugitives/brief.cfm?id=51983>

OMAR LOERA – San Fernando Valley, CA: Cheree Osmanhodzic planned to marry her fiancé, Adam Culvey, on September 24, 2010. Exactly two months earlier she was trying on shoes, talking with the DJ, and going over last-minute details. When Adam left their Valley Village home to go run an errand that night, it would be the last time he saw Cheree alive. More than two months have passed since Cheree's brutal homicide and L.A. homicide detectives want nothing more than to find her alleged killer, Omar Armando Loera. <http://www.amw.com/fugitives/brief.cfm?id=73953>

JOSE LUIS DORANTES – Austin, TX: Talented musician Eric Laufer was driving home from a gig on his motorcycle when police say he was struck from behind and dragged more than 300 feet by Jose Luis Dorantes. UNKNOWN KIM SIMON KILLER – Utica, NY: In 1985, 16-year-old Kim Simon was murdered in Upstate New York. The man convicted of the crime was locked away for 20 years. The problem? He was innocent. KUJTIM LIKA – Newark, NJ: The FBI says that Kujtim "Timmy" Lika, an ethnic Albanian illegal immigrant from the former Yugoslavian republic of Macedonia, saw the United States as a land of infinite opportunity, and didn't mind breaking the law to achieve his goals. TED CONRAD – Cleveland, OH: Ted Conrad was an all-American kid with boyish good looks and charm to match. He grew up in Cleveland, Ohio and in 1969, had a summer job working as a vault teller at Society National Bank. Conrad's friends say he watched it repeatedly, apparently enthralled with the main character, Steve McQueen, who pulled off a bank heist and left the U.S. with a large amount of money. In this special broadcast, John Walsh and AMW go undercover to expose the shocking prevalence of child sex trafficking in Cambodia, where predators from the United States and other western nations travel to pursue their sick desires. John Walsh also takes viewers into a Cambodian prison, to show them the bleak future faced by accused Western pedophiles who are caught.

DR. EMILIO LUNA – Phoenix, AZ: Phoenix FBI agents are on a manhunt for Dr. Emilio Luna, a pediatrician and accused pedophile who they say vanished September 12, 2010. The FBI tells AMW that Dr. Luna cut off his ankle-monitoring bracelet and might be headed for his native Mexico. Now they need your tips to help to hunt him down. <http://www.amw.com/fugitives/brief.cfm?id=74690&refresh=1>

LOREN OULMAN – Ramsey County, MN: A cashier at a Minnesota coffee shop saw a distressing sight – regular patron, Loren Oulman, was using the retailer's WiFi to download images of child pornography. When confronted, Oulman told the store manager he didn't think he was doing anything wrong. After the incident was reported, authorities realized Oulman had been flying under the radar for more than two decades as an unregistered sex offender after serving time for a 1982 conviction of child molestation. Cops believe he may be hiding out in Southeast Asia or the Middle East. <http://www.amw.com/fugitives/brief.cfm?id=75459>

YURY TAYLOR – Sacramento, CA: For almost 30 years, hundreds of children passed through the classrooms of California elementary school teacher, Yury Taylor. In 2007, Taylor resigned from his job, and the reason was shocking. Police tell AMW Taylor sexually abused one of his young students for two years. During the time his victim was in second, third and fourth grades, cops say Taylor told her he was a powerful witch and would kill her parents if she ever spoke up. Investigators believe he may be hiding out in Canada or the Ukraine; his ex-wife claims he's fled to Australia. <http://www.amw.com/fugitives/brief.cfm?id=63464>

STEVEN DYER – Scottsdale, AZ: Steven Dyer had a clean criminal history and in his spare time volunteered with *Big Brothers Big Sisters of America*. He portrayed himself as a wealthy, upstanding citizen and everyone bought the act. But cops say between 1999 and 2001, Dyer would show his true colors and rack up 12 counts of sexual conduct with a minor. Now Dyer has at least 169 years in prison waiting for him once he's caught. Cops hope AMW viewers will help locate him for a long overdue official sentencing. <http://www.amw.com/fugitives/brief.cfm?id=75154>

THOMAS STEVEN SANDERS – New Orleans, LA: According to his family, Thomas Sanders could not have committed the kidnapping he is accused of; he has been legally dead since 1994. Little did they know he was very much alive and living another life. Sanders had been dating 31-year-old, Suellen, mother of 12-year-old, Lexis Kaye Roberts. The three of them disappeared Labor Day

weekend of 2010. Now cops say Lexis's remains have been found. Tragically, the young girl was shot to death. The FBI says that Sanders has only been charged with federal kidnapping, but they do want to speak with him about what happened to Lexis and locate her mother.

<http://www.amw.com/fugitives/brief.cfm?id=75353>

ARTURO BLANCO – *El Paso, TX:* Fifteen-year-old Jeremiah McCrimmon was working in the unforgiving El Paso sun to make money for his poor family, when he says a man approached him with what sounded like a better gig. But police say it turned out to be a complete nightmare. Arturo Blanco posed as a music executive for "Bloodshot Productions," and lured McCrimmon to his home where he raped him. McCrimmon, now 30, will not give up his fight to find Blanco and bring him to justice.

<http://www.amw.com/fugitives/brief.cfm?id=75444>

KEVIN PATTERSON – *Soldotna, AK:* Cops say this grown man, Kevin Scott Patterson, has a sick diaper fetish that led to his arrest and charge for possessing child pornography in 2005. After his conviction, Patterson absconded to Alaska – where he got right back to his dirty habit of collecting pornographic images of boys in diapers. <http://www.amw.com/fugitives/brief.cfm?id=75420>

This Saturday, November 20, 2010, AMERICA'S MOST WANTED will be airing the following cases. If you have any questions, media inquiries, or would like to request clips, please contact June Kim, jkim@amw.com or Avery Mann, amann@amw.com.

After a whirlwind trip around the globe, John Walsh returns to American soil to turn the focus to the problem of human trafficking and sex slavery in the United States. This \$32-billion industry hides in plain sight, while exploiting the two-to-four million women and children forced into slavery worldwide each year. AMW teams up with filmmaker Libby Spears to expose the depth of the problem in American cities, and will also feature the chilling cautionary tale of a young woman abducted from an American suburb by an accused sex trafficker when she was a teenager, and her hunt for justice which has lasted nearly a decade.

FUGITIVES

RAFAEL CADENA-SOSA/CARMELA CADENA/PATRICIO SOSA – Avon Park, FL: Police say these three fugitives are on the run after authorities discovered their family business – human trafficking. The family sent recruiters to Mexico to lure young women with the promises of a better and wealthier life. Once the women were brought to American soil, they were beaten, raped and forced into a life of prostitution. The prostitution ring was discovered thanks to Rosa – a brave woman who was able to escape. Now these Cadena-Sosa family members need to pay for their crimes.

<http://www.amw.com/fugitives/brief.cfm?id=43302>

<http://www.amw.com/fugitives/brief.cfm?id=43318>

AN SOON KIM – Flushing, NY: Police say An Soon Kim has forced dozens of Korean women into sex slavery through fear alone. They say Kim disguised her illegal New York brothel as a spa/massage parlor to coax her victims to service sometimes more than 70 men in a weekend. Authorities believe with all of these witnesses to go by, someone out there has to know where Kim is hiding.

<http://www.amw.com/fugitives/brief.cfm?id=41795>

DERRICK HOLMES/ EMMA GRANT – DeKalb County, GA: Derrick Holmes compiled a detailed list of rules for employees in his business. But cops say his business was prostitution, and the only rule he followed was ruling by fear. When one of his women tried to escape the life she'd fallen into, cops say Holmes invoked a new rule: murder. Holmes is on the run and he needs to be caught to pay for this alleged crime. <http://www.amw.com/fugitives/brief.cfm?id=74816>

UNKNOWN RONNI CHASEN KILLER – Beverly Hills, CA: Police are looking for clues to help them track down a Hollywood killer. On Tuesday, November 16th, beloved film publicist, Ronni Chasen, was found shot five times in the chest in her Mercedes near Sunset Boulevard in Beverly Hills. Chasen was rushed to the hospital where she died from her injuries. Now AMW and police are trying to piece together this senseless crime. <http://www.amw.com/fugitives/brief.cfm?id=75562>

RODNEY LABOSSIERE – Miami, FL: Miami Dade cops are on the trail of Rodney Labossiere, who's accused of driving a car involved in a deadly Miami shootout in 2000. Detectives say Labossiere could be in New York or Haiti, but he still has friends and family in Miami.

<http://www.amw.com/fugitives/brief.cfm?id=75523>

RICHARD RUPERT “Nephew Bandit” – London, Ontario & Vancouver, British Columbia, Canada: Police say Richard Rupert began robbing senior citizens on his paper route when he was just fourteen. Four decades later, he's wanted for dozens of con jobs involving confused, elderly victims. Police call him the "Nephew Bandit" because he allegedly poses as a long-lost relative while stealing heirlooms and cash. <http://www.amw.com/fugitives/brief.cfm?id=74694>

BOBBY THOMPSON – United States: For years Bobby Thompson seemed like a stand-up citizen. A Navy veteran concerned with the welfare of American armed forces and their families, Thompson founded and served as the acting director of the U.S. Navy Veterans Association. The problem was that he was doing just that – acting. After thousands of new memberships and millions of dollars in donations, an investigation led to the conclusion that the organization was no more than a P.O. Box in Washington, DC. Almost all of the donations were unaccounted for and “Bobby Thompson” – a name and identity he stole – went on the run. AMW and law enforcement need your help to find this creep who preyed on generous, caring Americans who were just trying to do the right thing. <http://www.amw.com/fugitives/brief.cfm?id=75540>

This Saturday, December 4, 2010, AMERICA'S MOST WANTED will be airing the following cases. If you have any questions, media inquiries, or would like to request clips, please contact June Kim, jkim@amw.com or Avery Mann, amann@amw.com.

JAMES VERNON JOSEPH, Jr. CAPTURE—Woodland Hills, CA: A sex trafficking victim who was kidnapped off the streets in California when she was 19 years old finally finds justice with the help of America's Most Wanted. For almost 10 months, she was trafficked all over the United States as an escort -- and now her alleged captor, James Vernon Joseph, Jr., also known as Leland Reed, is in custody. <http://www.amw.com/captures/brief.cfm?id=75560>

FREDERICK MCLEAN – Southern CA: Cops say that for years, Frederick "Rick" McLean, used his position in the Jehovah's Witnesses to hide a lengthy history of child molestation. Authorities tell AMW that when one family finally went to the police, McLean made a fast get-away with a small fortune of cash that he secretly had stashed away. Now, McLean's been added to the US Marshal's '15 Most Wanted List' and investigators hope that he'll soon be behind bars. <http://www.amw.com/fugitives/brief.cfm?id=35566>

GUILLERMO RAMIREZ – Fayetteville, NC: This convicted child molester has never served time for his crimes against now adult victim, Amber Fish. Two young men and one young woman broke into her house, robbed and brutally stabbed her – she died two days later.
