Within seven years of the bombing three of the culprits were captured, but the fourth, Leo Burt, escaped. After 40 years, authorities still haven't been able to track down Burt, who is known as the "Ghost of Wisconsin." The FBI is asking your help to track him down.

**UNKNOWN BRITTANI MARCELL ATTACKER – Albuquerque, NM:** A weekly lunch date ritual between mother and daughter took a tragic turn when an unknown assailant attacked Brittani Marcell and beat her to near-death in her parents' home. Brittani's mother walked up to the door to meet up with her daughter, but knew something was wrong when she spotted Brittani's sunglasses on the ground outside the front door. Inside, she found her daughter bleeding and the attacker searching for a weapon. When the attacker noticed he was no longer alone, he fled out the back door. Brittani has since made a miraculous recovery due to her spirit and determination and now is using those character traits to find the man that tried to steal her life. <http://www.amw.com/fugitives/case.cfm?id=71171>

The duo allegedly stole cash and marijuana before one of the suspects suddenly raised his gun and fired. The security guard was wounded, but for the store's clerk, the injuries proved fatal. Cops were able to link Easter to the crime and cuffed his alleged accomplice. Now they need tips to reunite the two behind bars. <http://www.amw.com/fugitives/brief.cfm?id=74326>

**JESUS DE LA HERRAN – West Covina, CA:** Police say Jesus De La Herran frantically made an emergency call one night to report his brand new red Corvette stolen at gunpoint while partying at a club. This same Corvette had just been involved in a hit-and-run accident, leaving the driver of the other car without a leg, his wife without an arm and the five other passengers injured, but remarkably alive. Police, suspicious of De La Herran, asked him to lift his shirt during his report. His bare skin revealed fresh wounds consistent with a seatbelt injury from a car accident. Cops knew then he was lying and arrested him for his seventh DUI. While out on bail, De La Herran cleaned out his bank accounts, liquidated his assets and hit the road. He needs to be caught before his reckless lifestyle leads to more pain and suffering. <http://www.amw.com/fugitives/brief.cfm?id=53886>

**LUQMAN "SHEIK" ABDULLAH – Union County, NJ:** Once an honor student and track star, Luqman "Sheik" Abdullah chose to use his talents on the wrong side of the law. He overturned a former ally in a violent confrontation and took control of Elizabeth, New Jersey's drug scene, running a suspected ring of modern-day mobsters. In 2008 authorities launched Operation Red Zone with the goal of taking down Abdullah and his cronies. Over two dozen suspects were rounded up, but the "Sheik" ran across a highway and vaulted an eight-foot wall to evade capture. He has since been spotted twice in crowded settings. Cops say Abdullah may now be sporting cropped hair, rather than his well-known dreads. <http://www.amw.com/fugitives/brief.cfm?id=69042>

**ROBERT SNYDER CAPTURE – Fort Collins, CO:** Chess master Robert Snyder can now add another title to his name: prisoner. The convicted sex offender was sentenced to an indeterminate sentence of a minimum of 12 years on March 30, 2010. Thanks to the help of international viewers of AMW and AMW.com, Snyder was discovered living a lie in the beautiful country of Belize. **BILLY TWAYNE GIBSON – Dallas, TX:** A Texas court deemed Gibson a "Sexually Violent Predator," one of the most dangerous sex offender classifications. After serving seven years in jail for three counts of compelling prostitution by force, as well as two counts of aggravated sexual assault of a child, Gibson was released to the Wayback Halfway House. On August 28, 2010, he cut off his monitoring bracelet and hasn't been seen since. US Marshals say he is almost completely covered with tattoos, including a distinctive, red "Playboy"-style bunny on his neck. <http://www.amw.com/fugitives/brief.cfm?id=74524&refresh=1>

**UNKNOWN DEONTAE SMITH KILLER – Chicago, IL:** Nineteen-year-old Deontae Smith kept himself off the streets and dreamed of becoming an entrepreneur and business owner. One night, while out at a block party, Deontae got caught in the midst of a massive fight among 30-40 people in the crowd. One of the men pulled out a handgun and began firing. Deontae ran from the scene, but the gunman chased after him and shot him in the back. Although around 100 people saw the shooting, no one will speak up due to a "stop snitching" mentality prevalent on the streets of Chicago. Now Deontae's mother Tonya is a crusader to move witnesses toward serving justice through the organization, Purpose Over Pain. <http://www.amw.com/fugitives/brief.cfm?id=72585>

**SADIQ ABDUL WAHHAB – Brooklyn, NY:** DNA from a New York Yankees baseball cap placed Sadiq Wahhab, born Clarence Carter, at the scene of an armed robbery at a jewelry store in Queens, New York. Police soon discovered that they were dealing with a suspect with 30 names and aliases and a record going back 30 years. Wahhab was pinned to another armed robbery – across the street from his parent's house – and is now suspected of training a new generation of thugs to follow in his footsteps. <http://www.amw.com/fugitives/brief.cfm?id=74532>

**ERVIS MECOLLARI – Waterbury, CT:** A young Albanian immigrant seemingly searching for the American dream in a tight knit Albanian-American neighborhood is now wanted for the murder of 85-year-old community caregiver, Laura Orso. Ervis Mecollari's DNA was found left behind on towels where he is accused of stabbing Orso 37 times and robbing her of the money she was placing into each neighbor's family Christmas card. Mecollari fled. He had a young woman purchase a bus ticket for him from Connecticut to St. Petersburg, Florida, but he stopped in New York City when the bus offloaded. He has not been seen since. Cops need help locating this violent man with a criminal history overseas. <http://www.amw.com/fugitives/brief.cfm?id=71892>

**ALBERTO ISAAC NAVARETTE SUAREZ – Philadelphia, PA:** Cops say this brazen Mexican national raped, choked and beat a young woman right across the street from police headquarters. Dubbed the "Pantless Rapist" for fleeing the scene of the crime without pants and shoes, surveillance cameras were able to capture his flight. Due to the video footage, clothing and wallet left behind, police were able to identify this wanted man.

**LARRY BURNS CAPTURE – Long Beach, CA & Gary, IN:** Twenty-four years after killing his wife, Larry Burns was still nowhere to be found. That is, until an anonymous AMW tipster noticed a man in Long Beach, CA raising Rottweilers and working odd jobs fixing pool tables – characteristics of the murderer cops had long been seeking. Burns was living under the assumed name, "Daniel Oakes." On the night he was celebrating his fake identity's birthday, police moved in and apprehended him for shooting his estranged wife in 1986. <http://www.amw.com/fugitives/brief.cfm?id=26300>

**GLEN CHAMBERS – Sarasota, FL:** For years, cops have been hunting down Glen Chambers, a convicted murderer who took the life of an innocent single mother in a jealous rage in 1975. While awaiting transfer to Death Row, he escaped with two other inmates, but they were rounded up days later. In 1990, Chambers escaped again – and hasn't been seen since. Police say this violent man must be found so he can continue serving his life sentence. <http://www.amw.com/fugitives/brief.cfm?id=64811>

But she fought back, thwarting his alleged plans. Now Schlump's on the run, and cops need your help getting him behind bars. <http://www.amw.com/fugitives/brief.cfm?id=74678>

**UNKNOWN APPLETON ATTACKER – Appleton, WI:** Detectives in Appleton, Wisconsin are still searching for clues as to why a 23-year-old woman was stabbed 23 times in 1999 during a seemingly random attack. Cops are perplexed, because they say the stranger did not attempt a robbery or sexual assault. Now that a decade has passed, detectives hope to breathe new life back into the case and find the man responsible for this brutal attack. <http://www.amw.com/fugitives/brief.cfm?id=26662>

**RASHAD GLENN – Fort Worth, TX:** Police in Fort Worth say Rashad Glenn is a desperate criminal with nothing to lose. The 18-year-old is wanted for two counts of capital murder after he flew off the handle and allegedly gunned down two men in broad daylight. Now cops need the public's help to track down this dangerous gangbanger who they say may be carrying up to five guns at a time and has warned authorities that "he won't be taken alive." <http://www.amw.com/fugitives/brief.cfm?id=74677>

**KENNETH BAKER CAPTURE – Griffin, GA:** An AMW tipster saw Kenneth Baker on a park bench in Shreveport, Louisiana just a week after he was featured on the show accused of the double murder of his wife and 19-year-old stepdaughter. The alert viewer notified authorities immediately after taking another look at the AMW mug shot on his phone. Baker was arrested after positively identifying himself to law enforcement. <http://www.amw.com/captures/brief.cfm?id=72899>
