Mass Shooting Threat Uspect
(Henrhan pkg.)

an industrial area of Largo called Hampton Park - just inside the Beltway, a little bit south of Fed Ex Field. Until recently, the suspect worked here..... This is a very low-profile business location, possibly because of the sensitive work that happens here. The Pitney Bowes Company, according to an employee who works here, has a contract to bring all of the mail and all of the packages headed to the U.S. House of Representatives here for security screening. Our source says the suspect, Neil Edwin Prescott, worked as an IT person here for about three years. Pitney Bowes says Prescott worked for a subcontractor. He is described as an extremely tall, quiet man. Employees refused to talk on camera about Prescott, who, according to a search warrant, was dismissed from his job. According to the search warrant, the disturbing telephone conversation between a former supervisor and Prescott occurred on Monday. Investigating officers quickly realized, because of gun registration records, that Prescott owned a variety of firearms. A search warrant was obtained for his apartment at the Keswick Park complex in Crofton. Among the 13 weapons seized at the apartment: one assault rifle and four magazines that carry 30 rounds each. The residents we spoke with expressed relief that police in Prince George's and Anne Arundel Counties took the threats on the phone seriously.

Movie Shooting Response Criticism
(Young pkg.)

FIRST AURORA POLICE UNITS WERE ON SCENE AT THE CENTURY THEATER WITHIN TWO MINUTES OF THE SHOOTINGS. BUT AS PRECIOUS MINUTES TICKED AWAY, AMBULANCES STILL HAD NOT REACHED THE BACK OF THEATER 9 WHERE THE MANY OF THE MOST CRITICALLY WOUNDED WERE. 19 MINUTES AFTER THE SHOOTINGS, WHEN MANY OFFICERS HAD ALREADY BEGUN TRANSPORTING WOUNDED IN THEIR PATROL

CARS. AURORA FIRE RESCUE PROTOCOL SAYS RESCUE CREWS HAVE TO WAIT FOR A DECLARATION THE "SCENE IS SAFE"... BEFORE ENTERING AN ACTIVE SHOOTING CRIME SCENE. THAT POLICY WAS CRITICIZED AT THIS AURORA APARTMENT SHOOTING IN 2010. WHEN A MAN LAY BLEEDING FOR MORE THAN 20 MINUTES BEFORE HE WAS TRANSPORTED BY RESCUE CREWS. THE POLICY WAS MODIFIED TO ALLOW FIRE RESCUE COMMANDERS TO DECIDE. NOW SOME IN LAW ENFORCEMENT ARE CRITICIZING IT AGAIN IN THE WAKE OF THIS TRAGEDY.

PROSTITUTION may be THE WORLD'S OLDEST PROFESSION.

but police say... it's gone high tech.

so officers are changing their tactics.. to keep up with the times.

UNDERCOVER OFFICERS IN PRINCE GEORGE'S COUNTY INVITED US TO OBSERVE A MODERN PROSTITUTION STING.

ANTI-PROSTITUTION STINGS (IN PRINCE GEORGE'S COUNTY) ARE NETTING ABOUT 20 ARRESTS A DAY.

BOTH "JOHNS" AND PROSTITUTES ARE BEING TAKEN INTO CUSTODY, AFTER BEING LURED BY ONLINE ADVERTISING INTO TALKING ABOUT SEX FOR MONEY. AND THEN SHOWING UP.

TODAY, WE WERE INVITED ALONG ON A STING, AT RENTED ROOMS AT A HOTEL IN COLLEGE PARK.

It starts with an online ad titled "lunch special." A supposed 18-year-old female is seeking company, but, in code, she's listing prices for sex: eighty dollars for 60 minutes. \$120 for 90 minutes.

MPD Takes Phone
(Henrehan pkg.)

THERE HAS ALWAYS BEEN SOME TENSION BETWEEN POLICE OFFICERS MAKING ARRESTS AND
PHOTOGRAPHERS (BOTH MEDIA AND CIVILIAN) WHO TRY TO CAPTURE WHAT'S GOING ON.

THE COURTS HAVE CONSISTENTLY RULED: IF THE TAKEDOWN IS HAPPENING IN A PUBLIC PLACE,
ANYONE CAN TAKE PICTURES.

AND NOW THAT ALMOST ALL PHONES TAKE PICTURES, IT'S HAPPENING A LOT.Now, this incident in SE
Washington happened one day after DC's Chief of Police issued a general order reminding policemen that, under
the First Amendment of the Constitution, the citizens DO have the right to photograph
police activity that happens in public. And, only a Watch Commander (or other supervisor) at the scene can
authorize the seizure of a camera for evidence purposes. The American Civil Liberties Union has helped Staley file
a lawsuit against the officers and the police department.

THE F-O-P'S KRIS BAUMANN ALSO DOUBTS SOME OF THE ALLEGATIONS IN THE LAWSUIT.

ONE OF THE TWO POLICEMEN NAMED IN THE LAWSUIT EMAILED US SAYING HE HASN'T SEEN THE

COMPLAINT, SO HE CAN'T MAKE MUCH OF A COMMENT.

THE POLICE DEPARTMENT (WHICH IS A DEFENDANT IN THE SUIT) REFERRED QUESTIONS TO THE CITY'S ATTORNEY GENERAL, WHERE A SPOKESMAN SAID THAT OFFICE IS REVIEWING THE COMPLAINT, BUT, AT THIS TIME, HAVE NO COMMENT.

THE LAWSUIT IS SEEKING MONETARY DAMAGES.

That's My Take

(Dwer pkg.)

A REPORT RELEASED RECENTLY BY THE DC DEPARTMENT OF PUBLIC HEALTH STATED THAT THE HIV INFECTION RATES AMONG DC RESIDENTS DROPPED TO 2.7% IN 2010 FROM 3.2% IN 2008. THIS REPRESENTS A DRAMATIC DECREASE IN THE HIV INFECTION RATE BUT THE RATE IN THE DISTRICT IS STILL ABOVE THAT OF ANY STATE IN THE UNION AND STILL QUALIFIES AS AN EPIDEMIC BASED ON THE THRESHOLD ESTABLISHED BY THE WORLD HEALTH ORGANIZATION.

THAT SAID, PROGRESS IS PROGRESS. IT WILL TAKE A COLLECTIVE EFFORT AT RAISING AWARENESS, INCREASING EDUCATION AND TESTING TO REDUCE THE INFECTION RATE IN THE CITY. THAT COLLECTIVE EFFORT DOES SEEM TO BE TAKING SHAPE.

KUDOS GO OUT TO THE DISTRICT OF COLUMBIA FOR ITS EFFORTS TO RAMP UP TESTING FOR HIV AMONG ITS RESIDENTS AND CITY EMPLOYEES. THE DISTRICT ANNOUNCED THAT ITS EMPLOYEES WOULD BE ALLOWED TWO HOURS OF PAID LEAVE TO ATTEND HIV AWARENESS TRAINING AND TO GET TESTED.

BEING AN EFFECTIVE TEACHER... IS NO LONGER GOOD ENOUGH IN DC.
THERE COULD A BIG FIGHT BREWING OVER NEW TEACHING STANDARDS INTRODUCED TODAY BY D-C SCHOOLS.

IT WAS JUST YESTERDAY WE LEARNED THAT 98 TEACHERS HAD BEEN TERMINATED BECAUSE THEY WERE NOT PERFORMING AS THEY SHOULD IN THE CLASSROOM.
BUT UNDER THIS NEW PLAN -- EVEN THE TEACHERS WHO WERE CONSIDERED "EFFECTIVE" IN THE MOST RECENT EVALUATION-- WILL BE FAILING UNDER THE NEW STANDARDS.

BAD NEWS FOR 98-DC SCHOOL TEACHERS.

BUT MANY OTHERS ARE RECEIVING PRAISE -- AND potential BONUSES FOR DOING VERY WELL.
THE TEACHER'S UNION SAYS YOU GOT LOOK AT THE BRIGHT SIDE OF THIS -- MANY MORE TEACHERS ARE PERFORMING MUCH BETTER THESE DAYS.
WHICH MEANS STUDENTS ARE RECEIVING A BETTER EDUCATION..
BUT, NOT IN EVERY CLASSROOM.. AND THAT'S WHY SOME TEACHERS HAVE BEEN LET GO.
DC HAS JUST ABOUT 41-HUNDRED TEACHERS -- BUT BECAUSE OF POOR PERFORMANCE CLOSE TO THREE PERCENT HAVE BEEN TOLD NOT TO RETURN TO THE CLASSROOM.

What this school doesn't have is: traditional homework. "We really started evaluating the work that we sent students home with. We started looking, and, really, it was a lot of worksheets. And the worksheets didn't match what we were doing instructionally in the classroom. It was just: we were giving students something because we felt we had to give them something."

Reflecting Pool

(Henrehan pkg.)

today is a BIG DAY ON THE NATIONAL MALL..QUIETLY.. AND WITHOUT MUCH FANFARE..THE NATIONAL PARK SERVICE... RE-OPENED THE "REFLECTING POOL"... THAT LIES BETWEEN THE LINCOLN MEMORIAL AND THE WASHINGTON MONUMENT.

Morning tourists in Washington had to struggle (through fencing) to see the famous "reflecting pool" that was an original part of the design of the Lincoln Memorial. Crowds surrounded the pool in 1963 for Martin Luther King, Jr.'s famous "I Have A Dream" speech. For nearly two years the old, leaking reflecting pool has been torn up, reconstructed, and fenced-off from the public.-Construction and cleanup crews put finishing touches on the \$34 million dollar reconstruction project. And, shortly after noon, A few minutes later, the public was invited to come down and see the new reflecting pool, which, instead of being filled with tapwater, is now filled with water taken from the nearby Tidal Basin, and processed to make it cleaner. There were some logistical problems in the rebuilding the reflecting pool. On (what is now a field), there used to be buildings occupied by the U.S. Navy.

Metro Power Problems

(Henrehan pkg.)

A MELTDOWN ON THE RED LINE DURING THIS MORNING'S COMMUTE.THERE WERE APPARENTLY "POWER PROBLEMS" ON 2-DIFFERENT PARTS OF THE LINE...LEAVING SOME PASSENGERS WAITING ON PLATFORMS..AND OTHERS.. EVACUATING A TRAIN STUCK BETWEEN STATIONS.It was, for many Metro passengers, a chaotic and lengthy morning rush hour. There were two major incidents, both along the Red Line, both involving trains heading toward Glenmont. Just before 8:00 a.m., the outbound track between the NoMa and Rhode Island Avenue stations apparently lost power, stranding a train. After about 45 minutes, some 60 passengers were evacuated from the stalled train, two of them were transported for a medical evaluation. Around 9:00, at the other end of the Red Line, a power failure stalled an inbound train between Friendship Heights and Tenleytown.
