**Dreams do come true  
St. Jude Children's Research Hospital® celebrates winner of  
Oklahoma City St. Jude Dream Home® Giveaway**

Record fundraiser raises hospital awareness, funding for kids fighting cancer, other life-threatening diseases

**Oklahoma City, OK (August 23, 2017)** – This year, Stephen Williams saw one of his dreams come true – and it only cost him \$100. The winner of the 2017 Oklahoma City St. Jude Dream Home® Giveaway was surprised and honored to be one of the hundreds of winners across the country to support St. Jude Children's Research Hospital®.

Estimated to be valued at \$500,000, the single-family house was built by Foster Signature Homes and is located in Ridge Creek in Edmond. The home features approximately 3,000 square-feet, 4 bedrooms, 3.5 bathrooms and a 3 car garage.

“My initial reaction was that I didn’t believe it,” said Williams. “It was just kind of lucky that I made it there to see the house in time last Saturday. This is such a blessing.”

Not only does the St. Jude Dream Home Giveaway benefit the new homeowner, but also the patients of St. Jude Children's Research Hospital who are battling cancer and other deadly diseases such as patient Micah.

Initial reaction: “I didn’t believe it. It was just kind of lucky that I made it there to see the house in time on Saturday. This is such a blessing.”

-more-

When Micah was just two months old, his mom, Mikki, became concerned when she looked at a picture and noticed a glow in her son’s eye. When doctors confirmed Micah suffered from retinoblastoma, the family traveled to St. Jude Children’s Research Hospital®, where Micah’s treatment plan includes chemotherapy. Families never receive a bill from St. Jude for treatment, travel, housing or food – because all a family should worry about is helping their child live. “My focus is on my son and not on where am I going to live or what am I going to eat,” said Mikki. “St. Jude provided that for us.”

For the past 25 years, St. Jude has given away over 420 houses and raised over \$350 million through the St. Jude Dream Home Giveaway campaign, the largest single-event fundraiser for the hospital. It’s because of programs like this that families never receive a bill from St. Jude for treatment, travel, housing or food, so they can focus on helping their child live.

The construction of a home would not be possible without the generous support of the community and loyal sponsors including: Foster Signature Homes, KOKH Fox 25, 101.9 The Twister, Edmond Furniture Gallery, 405 Magazine, The Oklahoman, Edmond Life & Leisure, Legacy Cleaners & Laundry, Epsilon Sigma Alpha, HolaOk and national sponsors Brizo, Shaw Floors and Trane.

**About St. Jude Children's Research Hospital**

St. Jude Children's Research Hospital is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. It is the only National Cancer Institute-designated Comprehensive Cancer Center devoted solely to children. Treatments invented at St. Jude have helped push the overall childhood cancer survival rate from 20 percent to 80 percent since the hospital opened more than 50 years ago. St. Jude is working to drive the overall survival rate for childhood cancer to 90 percent, and we won't stop until no child dies from cancer. St. Jude freely shares the discoveries it

makes, and every child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children. Families never receive a bill from St. Jude for treatment, travel, housing or food – because all a family should worry about is helping their child live. ### Sinclair commits to Harvey Relief Efforts

Sinclair is proud to team up with the Salvation Army to raise money for Hurricane Harvey relief efforts. The stations held a coordinated Sinclair Cares "Standing Strong for Texas" relief effort on September 1st, during which stations encouraged their viewers to contribute to the Salvation Army.

Donations were collected by Sinclair's local stations. Additionally, Sinclair Broadcast Group matched \$100,000 of viewer donations. The total raised across the stations and corporate offices was \$1.45 million.

Our Mobile, AL station, WPMI, also did a commendable job, trucking water and supplies to employees in Beaumont.

"We are extremely proud of our employees who rose to the challenge not only to get behind the relief effort, but to find creative ways to involve other businesses and raise funds; all for the very important cause to help Texas rebuild," said Chris Ripley, Sinclair's CEO and President. "In a time of crisis, the most important role local television news serves is the communication of critical information to an audience in real time.

The real measure of strength in Texas was not in the amount of coverage Sinclair stations provided via its local newsrooms across the country, but rather, the impact that coverage had on viewers. The powerful stories and images our local reporters delivered across our entire station group all over the country have inspired massive relief efforts."

Scott Livingston, Vice President of News commented: "Our local newsrooms are equipped to respond for our viewers at a moment's notice, providing images, sounds and most importantly—emergency information—to bring the story to our viewers, to help keep them aware, and safe."

We've Got Your Back: Operation Storm Relief

As Hurricane Irma impacts the East Coast, we did not want to forget about our friends and family to the South. So often, victims of storms and flooding face their biggest challenges weeks after the storm has passed. This becomes even more apparent now with the devastation left behind by hurricane Harvey. FOX25 (KOKH-TV), Urban Farmhouse Designs and 2 Fellas Moving Company are partnering to help people in need rebuild their lives. We are asking Oklahomans to donate supplies most needed right now, and over an extended period to support the long-term recovery effort in Texas.

Who:

- FOX25 (KOKH-TV | Sinclair Broadcast Group)
- Urban Farmhouse Designs
- 2 Fellas Moving Company

What:

- Donation drive with the goal to get needed items to storm victims (Harvey and Irma) over an extended period of rebuilding.

When

- Starting Monday Sept 7<sup>th</sup>

Where

- Collections at Urban Farmhouse Designs | 400 S Western Ave, Oklahoma City, OK 73109
- County emergency management and local churches will receive the supplies and distribute.

Why:

- The biggest obstacle of the storm comes during recovery and rebuilding. This is when people need the most help, and quite often this is when public support wains. We are partnering to help revive support from Oklahoma.

How:

- FOX25 will help get the word out
- Urban Farmhouse Designs will collect, catalogue and organize donations. (Anyone who donates gets 15% discount store wide at Urban Farmhouse Designs)
- 2 Fellas Moving Company will provide trucks and drives to transport donation

Needed Donations: We've reached out to emergency management and FOX25 sister stations in Texas to understand what they need more than anything else.

They have more than enough clothing and stuff animals. Please donate the following items instead at Urban Farmhouse Designs at: 400 S Western Ave, Oklahoma City, OK 73109

Toiletries  
 Box Fans  
 Medicine  
 Bug Spray

Furniture  
 Canned Food  
 Cases of Water

Jeff,

Thanks so much for participating in our Integrated Warning Team Workshop, and especially for being part of the TV meteorologist panel. There is no doubt this was one of the most popular sessions of the workshop, and I think most of the audience came away with a better understanding of just how complex your job is.

I know you're busy, and I appreciate you taking the time and making the commitment to be there for the entire event.

Our next workshop will likely be in early 2018, and I hope you'll be able to attend again.

If you have any thoughts or suggestions about last week's workshop, please let me know.

Thanks again!

Rick

Adam,

I just wanted to extend a big thank you to you and to everyone at Fox 25 for hosting the Telethon Friday! We raised a tremendous amount of money, and we so appreciate the spotlight you shone all day on the need and on The Salvation Army's response.

Please extend our thanks to your entire team, the producers, the on-air talent, and everyone else who made this possible. Hopefully we didn't get in your way too much - it was a pleasure for us to be at your studio all day and to be a part of your effort!

Your efforts will make a huge impact on those impacted by these storms in helping them get through, helping them recover, and giving them hope that they can make it through and that better days are ahead.

If we can be of assistance in providing information for any follow-ups, let us know.

Thanks again!

Leader:	Great and gracious God, you are the giver of all things.
People:	<b>We praise you for your kindness. We humbly accept your mercy.</b>
Leader:	We ask your blessing on all that we think, all that we do, and all that we have.
People:	<b>May our words and actions be pleasing in your sight.</b>
Leader:	We pray that you will dwell with us as we gather in this house today.
People:	<b>May we recognize your presence, O God.</b>

Leader: Keep us mindful of those who have no safe dwelling, no peaceful place in which to live.

People: Help us see the hurts of others and to understand those hurts as your pain, O God.

Leader: Remind us of all that we may possess and do in your name if we will trust in your promises and obey your commandments.

People: Move us to action, O God. Empower us with confidence.

Leader: Guide us to serve you by working with those who are in need of decent shelter.

All: Fill our hearts with mercy and our minds with understanding. May the work we do be a witness to our faith as we extend the shelter of your love to others. Amen.
