

WABN 1230 AM and 104.1 FM Programming and Issues Report for October 1-December 31, 2023

Need Him

Several times each day for 30 seconds to one minute

Features a focus on conversations about the Bible via various forms of technology in an effort to receive and answer questions relation to today's life.

The Storm Report

Weekdays at 12:30 PM and 5:30 PM

Two-minute feature covering extreme and unusual weather, both current and historical. Includes tracking storms and their unique stories while educating listeners on weather safety. Offers daily analysis of where severe weather may strike across the country.

Jay Sekulow Live

Monday-Friday at 3 AM.

A daily one-hour broadcast dedicated to the ideal that religious freedom and freedom of speech are inalienable rights given by God. The program helps ensure that those rights are protected under the law.

Our Daily Bread

Airs several times each day for 30 seconds to one minute

Short stories and vignettes that help Christians make their faith relevant in daily life.

Pause to Pray

Monday-Saturday for one minute at various times

This ministry of the Presidential Prayer Team focuses on a prayer for a national leader each day. Pause to Pray is a nonpartisan opportunity for Americans across the country to come together to pray for America's leadership.

Radio Health Journal

Sundays at 11:30 PM for 28 minutes

Features health issues and innovations in the industry. Specific issues covered are included in the attached documentation.

Weather forecasts for Abingdon area and Washington County, Virginia, are aired twice per hour as a public service to WABN listeners, typically at the top and bottom of each hour, 30 seconds each.

Public Service Announcements at least once hourly for 15, 30 or 60 seconds, covering community health and education topics, including (but not limited to):
