

SECTION ONE:**KIDK****ISSUES PROGRAM LIST****April 1, 2020**

The following represent some of the key issues facing the broadcast area of KIDK during the current filing period. They are referenced on the accompanying programming summaries.

Unless otherwise noted, all programs aired as part of EYEWITNESS News at 5:30 p.m. and/or 10 p.m.

- A) **EDUCATION:** Issues relating to public school and university education in our community.

Title: ISU HOUSING

Broadcast Date: 1-13

Duration: 2:18

Description: A California housing developer purchased the former Bannock Hospital near the ISU campus and will develop the 4-acre site for student housing. Nelson Partners has 25 student apartment buildings in 11 states. The project will include 177 units with 540 beds, 250 parking spaces, a full gym, study halls, and lounge. Ground will be broken in spring 2020 within an eye towards opening by 2021 fall semester.

Title: NATIVE AMERICAN "MASCOTS"

Broadcast Date: 1-31

Duration: 2:21

Description: The Shoshone Bannock Tribes are organizing to oppose any effort to lock-in school mascots that use cultural clothing, symbols, and imagery. The issue caught new attention as the Kansas City "Chiefs" won a place in the Super Bowl. The tribes are confronting the issue by speaking to legislators and school districts about cultural appropriation and the way it leads to demeaning bullying.

Title: TEEN REBELLION

Broadcast Date: 2-5

Duration: 2:22

Description: A child and adolescent psychiatrist met with parents to discuss warning signs pointing to a need for professional help. One key is to determine how much reaction to give, knowing that all kids are going to do things their parents don't like. Warning signs include times when they aren't interested in long time interests or are too anxious, depressed or their self-esteem is low. And the cues can be verbal, behavioral or situational.

Title: BLACKFOOT CALENDAR

Broadcast Date: 3-5

Duration: 2:34

Description: The Blackfoot School District is considering a move to a four-day school week. The district's superintendent said he has long opposed such a move, but believes the current landscape may make a 4-day schedule the best way to recruit and retain qualified teachers. Nearly 40% of Idaho school districts have already made the move. The trade-off could include elimination of early release days and an additional 35 minutes on each period of the day.

B) HEALTH / ENVIRONMENT: Issues related to our environment and health of our community.

Title: COMMUNITY HOSPITALS GEAR FOR CORONAVIRUS

Broadcast Date: 1-29

Duration: 1:53

Description: Major hospitals and government agencies across the country are taking steps to contain a Chinese outbreak of Novel Coronavirus. Small hospitals are also preparing. In American Falls, a pressurized room is being prepared at Power County Hospital to house infectious patients. It is fully sterilized, with alarms in case a quarantine is broken. Hospital officials do not expect the virus, but will be prepared if it's found in the community.

Title: FOOD SECURITY

Broadcast Date: 2-14

Duration: 2:09

Description: Recent studies from the Community Food Basket indicate over 12 thousand families in Bonneville County alone are officially "food-insecure". They say that is due to the fact that while the number of jobs have grown, the wages paid to people working those jobs has not kept up with the cost of basics...like food. The Food Bank said the number of clients it serves has grown each of the past four years.

Title: CORONAVIRUS

Broadcast Date: 2-20

Duration: 1:34

Description: The Centers for Disease Control reports 15 cases of the novel coronavirus have been diagnosed in the U.S. There are several forms of the virus, but only the "Covid 19" strain is potentially lethal. The CDC's are not sure how the disease is transmitted. As research continues, people are urged to use familiar precautions including frequent hand-washing. Travelers should avoid all non-essential travel to China.

Title: CORONAVIRUS RESPONSE

Broadcast Date: 2-27

Duration: 1:53

Description: Regional health institutions are preparing for action in case the Coronavirus makes an appearance. A Southeast Idaho Public Health epidemiologist said there is no question the disease will reach the area, so people should prepare. That preparation includes a stock of cold and flu medications and two weeks of non-perishable food. He also suggested regular hand-washing.

Title: SANITIZING THE HOUSE

Broadcast Date: 3-30

Duration: 2:12

Description: Experts in sanitation say we may not be sanitizing our homes as thoroughly as we may have thought. ServPro experts said it is necessary to clean countertops before disinfecting them. Virus cannot be killed in one step. They suggest referring to product labels to learn the best procedure. Products that promise to kill virus forever, are probably not real. They also recommend sterilizing the things you regularly come in contact with, including cell phones.

C) GOVERNMENT/POLITICS: Issues facing local government including taxation and politics.

Title: STATE OF THE STATE

Broadcast Date: 1-6

Duration: 2:30

Description: Governor Brad Little outlined his legislative agenda as he delivered his state of the state address to the legislature. He announced that 4,000 Idaho Guard soldiers would travel to Germany for military training exercise this spring. He called on lawmakers to make public education a priority. Democrats voiced no major objections. A Pocatello lawmaker said legislators generally get along and work together to protect the people of the state.

Title: DOWNEY FIRE DISTRICT

Broadcast Date: 2-12

Duration: 1:47

Description: Yet another software issue now hounds the Bannock County Assessor's Office. The victim this time is the community of Downey and the Downey Fire District. A state administered software program forgot to bill residents of the town for the fire district. Instead, the billing was sent to residents

of the fire district living outside the city. Now discovered, the problem is being redirected to the state tax commission for correction and a new billing.

Title: CHUBBUCK CITY HALL

Broadcast Date: 2-5

Duration: 1:48

Description: The city of Chubbuck is taking an unusual approach towards paying for a new city hall. They say the \$9 million facility won't cost taxpayers a dime. The city is financing the project through participation certificates and will lease the facility from a builder until it's paid off in about 20 years. The city will pay a fee of \$900,000 a year, which has been included in the city's ongoing budgets.

- D) **ECONOMY:** Tracking trends affecting our community's business base as well as the rise and fall of industry in the community.

Title: IDAHO FALLS EVENT CENTER

Broadcast Date: 1-21

Duration: 1:50

Description: The Idaho Falls Auditorium District is optimistic it will break ground soon for a new Events Center. In a review of its past year, the district said a \$4.5 million naming-rights deal will help the project move forward. The board has submitted plans and is working to evaluate guaranteed maximum price, financial proposals and finalize fundraising plans. The board hopes to break ground for the new facility in March.

Title: INL FUTURE

Broadcast Date: 2-28

Duration: 1:10

Description: Federal, state, and industry officials met with the public to outline future expansion plans at the Idaho National Laboratory. New nuclear power projects could bring into the thousands of new, high paying, and technical jobs to the community. In addition to direct employment, the projects will also require hundreds of construction jobs. INL officials warned that infrastructure needs must be met as well as the educational demands required of the workforce.

Title: SMALL BUSINESS

Broadcast Date: 3-26

Duration: 2:13

Description: A "stay at home" order is having an immediate impact on small business in the region. Local bankers said they would work with their clients to help them navigate the times. They said federal regulators had promised to provide relief, including low interest SBA loans. One banker said his company was conducting a "triage" to determine which of its clients may need the most

attention. At least one bank has stepped up to help nonprofits survive the crush as well.

- E) **LAW ENFORCEMENT:** Tracking trends in neighborhood crime and the legal progress of criminal cases.

Title: DAYBELL/VALLOW INVESTIGATION

Broadcast Date: 1-3 to 3-17

Duration: 2:12

Description: Local police and the FBI served a search warrant Friday at the former residence of Chad Daybell in Salem. Daybell's wife died while the couple was living there. Officials were searching the home for any forensic leads that might explain her suspicious death. Meanwhile, police said the parents had still not come forward to explain where the missing children are and/o their condition.

Broadcast Date: 1-24

Vallow and Daybell were located by police in Hawaii and served with warrants. Vallow was ordered to appear in Rexburg within five days with the children or face legal action.

Broadcast Date: 1-27

The grandparents of JJ Vallow arrived in Rexburg to await the appearance of Vallow. She did not. At a news conference, they pleaded with the couple to come forward with the children.

Broadcast Date: 2-21

Vallow was arrested in Kuai'i, Hawaii and taken into custody. She was held on \$5,000,000 bond pending extradition to Idaho to face the legal charges.

Broadcast Date: 2-26

Vallow appeared in Hawaiian court to announce she will not fight extradition to Idaho.

Title: GOOD SAMARITAN

Broadcast Date: 1-13

Duration: 2:12

Description: Reports of a Good Samaritan's car being car-jacked, with two young children in the car, created concern for commuters over whether stopping to help was safe. Most women told us they would probably not like to stop, while male response was mixed. Law enforcement officials encouraged people to help, but stay safe. Officers suggested keeping flashers on and calling for help.

Title: BANK ROBBERY

Broadcast Date: 1-17

Duration: 1:31

Description: Pocatello Police made three arrests in connection with the robbery of US Bank in Chubbuck. Patrina Morris walked into the bank, took a place in line, then slid a note card to the bank teller announcing the robbery. A second suspect, Jonathan Brewer, drove a getaway car and led police on a high speed chase that night. A third suspect, who tried to hide a gun in McDonald's was arrested the next day. All three are charged with robbery.

Title: HUMAN TRAFFICKING

Broadcast Date: 1-28

Duration: 2:05

Description: An ISU symposium revealed that human trafficking is at an epidemic level, even in southeast Idaho. According to Human Rights First, nearly 25 million people worldwide are trafficked into modern-day slavery. ISU has formally proclaimed itself a "traffic-free" zone, meaning anyone found responsible for buying commercial sex will no longer be part of the community. The symposium focused on providing information on how to identify victims and "purchasers".

SECTION ONE:**KXPI****ISSUES PROGRAM LIST****April 1, 2020**

The following represent some of the key issues facing the broadcast area of KXPI during the current filing period. They are referenced on the accompanying programming summaries.

Unless otherwise noted, all programs aired as part of Eyewitness News at 9 p.m.

- A) **EDUCATION:** Issues relating to public school and university education in our community.
