While this list describes much of KFDX-TV's most significant issue-responsive programming, it is not exhaustive. Programming described in the Quarterly List of Issue-Responsive Programming may relate simultaneously to more than one issue.

## **COMMUNITY EVENTS**

<b>ISSUE</b>	<b>DATE</b>	<b>LENGTH</b>	<b>PROGRAM</b>	<b>DESCRIPTION OF PROGRAM SEGMENT</b>
Community Events	7/9/2014	2:16	6 & 10 PM	We went to Henrietta, Texas and gave Michael Sabine the opportunity to spend \$300 in one hour to help his friend, Michael Brodnex.
Community Events	7/27/2014	1:28	10:00 PM	First Baptist Church in Marlow, Oklahoma hosts an annual gas buy down project, offering residents gas for only a dollar per gallon for up to twenty gallons. We spoke to Ann Sanchez, Marlow resident, Nip Ballew, Marlow resident and Joe Ligon, Pastor of First Baptist Church of Marlow.
Community Events	7/28/2014	1:15	6 & 10 PM	Following heavy rains, a rogue dirt biker caused damage to the Wee Chi Tah trail. The act has angered volunteers who have spent the past several weeks getting that 13 mile trail ready for the upcoming Hotter 'N Hell Hundred ride. We spoke with Larry Brown, Wee Chi Tah Trail Mountain Biker, and Sandy Monson, HHH Dirt Event Coordinator.
Community Events	7/30/2014	2:16	6 & 10 PM	A local Waurika man Pays it Forward and gives \$300 to help a small flower shop in Waurika, Oklahoma. We spoke with Tommy England, the Pay It Forward winner, and Joyce Garrett, Garrett Flower Shop Owner.
Community Events	8/5/2014	1:47	6:00 PM	As the big Hotter 'N Hell weekend was approaching, organizers still needed a large amount of volunteers. We spoke with Julie Ayres, HHH Public Relations.
Community Events	8/7/2014	1:27	6 & 10 PM	Volunteers spent the day working on a new two mile addition to the HHH off road races. The trail is on private property and will only be used during special events. We spoke with Sandy Monson, HHH Dirt Trail Coordinator, Richard Barnett, and Larry Rousseau.
Community Events	8/18/2014	2:22	6 & 10 PM	A group of bikers in Wichita Falls is partnering with Pueblo Boxing to raise bully awareness after a friend's daughter lost her life after a bullying incident. We spoke with John Bunch, friend of the family.
Community Events	8/22/2014	1:23	10:00 PM	Members of MSU's Women's Cross Country team start running the 100 mile Hotter 'N Hell route. Ten members will each run a 10 mile leg of the race. Runners discuss the challenges of running during the late evening and overnight hours.. but say they're excited to participate and hopefully set a Guinness world record. We spoke with MSU Women's Cross Country Coach Koby Styles, Freshman Angela Dees, and Senior Cara Mach.
Community Events	8/31/2014	2:00	10:00 PM	The Wichita Falls Farmer's Market is getting a new roof, new lighting and being enclosed. We spoke with Cynthia Laney of Downtown Proud.
Community Events	09/10/14	2:10	6:00 PM	The 1917 Curtiss Jenny Plane will take it's final flight in October and you can bid for a sea We spoke with Jackie Hoegger and Bob Seabury.
Community Events	9/11/2014	1:18	6 & 10 PM	The first 9/11 Guns and Hoses Blood Drive generated 33 people who donated 41 pints of blood to honor all first responders. Many of those who donated were first responders who said giving blood was important, because they never know when they'll encounter some type of attack and never make it home to their loved ones. We spoke with Capt. Joe Morris of the Wichita Falls Fire Department and Lt. Ray Schultz of the Wichita County Sheriff's Office.
Community Events	9/20/2014	2:16	6 & 10 PM	The Conquer Chiari Walk Across American takes place all over the country and one group in Burkburnett hosted the 2nd walk. We spoke with Adrienne Fore, local organizer.
Community Events	09/22/14	2:30	10:00 PM	We spoke with Stephanie Taylor and Jennifer Parker, co-directors of Falls Fest, about what Falls Fest has to offer this year and why it is only one day instead of two.
Community Events	9/29/2014	1:17	10:00 PM	Texomans gathered for the auction of the final flight of the Curtiss Jenny. The winning was \$32,000 and came from retired Air Force colonel, Dr. Armando San Diego. We got to speak with Dr. Armando.

## Drought Stories

ISSUE	DATE	LENGTH	PROGRAM	DESCRIPTION OF PROGRAM SEGMENT
Drought	7/2/14	1:33	6 & 10 PM	The drought has the water level of more than half a dozen area lakes either dried up or so low the oxygen levels are depleted. Texas parks & Wildlife calls these lakes "dead" and officials say they are causing a domino effect: fish kills, aquatic plants dying and migratory birds dying because they have nowhere to stop and eat plants and fish. We spoke with Tom Lang, Texas Parks & Wildlife Inland Fisheries Supervisor.
Drought	7/3/14	1:24	6:00 PM	Wichita Falls car wash businesses are closely watching lake levels because once the combined levels reach 20%, they will be cut off from using city water and that has one car wash looking into alternative sources of water to keep its 70+ employees working once the combined lake levels reach 20%. We spoke with Russell Schriber, Wichita Falls Public Works Director, Jim Caddott, General Manager of All-American Car Wash, Ted Turner of Patterson Honda, and Helena Wise, a Wichita Falls Resident.
Drought	7/6/14	2:00	6 & 10 PM	A new pond is going in by Missile Road to attract more people to the park, but the project might have some issues with the drought. We spoke with Jack Murphy with Parks and Recreation.
Drought	7/7/14	2:00	5, 6 & 10 PM	Daniel Nix runs through all the fail safes that were built into the Water Reuse Project.
Drought	7/9/14	2:20	6:00 PM	During the drought, taxi services are having a tough time keeping their cars clean. We spoke with Kevin Callahan, owner of Skylark Taxi, John Cunningham, Wichita Falls Resident, and Marilyn Wood, Wichita Falls Resident.
Drought	7/9/14	1:22	5, 6 & 10 PM	The Water Reuse Project goes live. We are speaking with Russell Schreiber, Wichita Falls Public Works Director.
Drought	7/9/14	1:28	5, 6 & 10 PM	With the blended water about to be released into the system by the City of Wichita Falls, some stores say bottled water sales have gone up as the start date for the Emergency Water Reuse Project approaches. We spoke with Larry Martin, General Manager of Market Street, Brandon Gossvener, President and CEO of Spring House Water Company, Judy Mays, Wichita Falls Resident, and Meloni Cox, Wichita Falls Resident.
Drought	7/15/14	2:00	5, 6 & 10 PM	Evaporation powder could soon be spread over Lake Arrowhead to stop evaporation. We spoke with Kyle Jenson, a Watersavr Representative.
Drought	7/19/14	1:50	6 & 10 PM	New local restaurant, Pho Café, is working with the Health Department to conserve water. We spoke with Lynn Johnson, the café owner.
Drought	7/20/14	2:00	6 & 10 PM	Local residents are turning to air conditioner condensation as a way to collect water in the drought. We spoke with Terry Porter, Wichita Falls resident, and Bob Payton of Sharp Iron.
Drought	7/22/14	2:00	6 & 10 PM	A local man turned his front yard into a football field out of frustration with the drought. We spoke with Jeff Perrin, local resident.
Drought	7/23/14	2:00	6 & 10 PM	The City of Graham is looking into a water reuse project. We spoke with David Casteel, Public Works Director for the city of Graham.
Drought	7/28/14	2:00	6 & 10 PM	With more rain this July than is usual, we talked with Paul Dowlearn, local Nursery Owner and Russell Schreiber, Public Works Director for Wichita Falls, about the rain's impact on the drought.
Drought	8/6/14	1:20	6 & 10 PM	Castaway Cove operating on well water is not much different than operation with city water... but it requires employees to work more hours monitoring the well water deliveries several times a day. We spoke with Steve Vaughny, Director of Operations for Castaway Cove.
Drought	8/20/2014	2:25	6:00 PM	We spoke with Roby Christie of the HHH about how the city is saving water while making sure thousands of cyclists are taken care of during HHH weekend.
Drought	8/26/2014	2:20	6:00 PM	After a 4 month study, the city has decided that cloud seeding does help with rain chance and they will continue with the program. We spoke with Teresa Rose, Deputy of Public Works.

## Drought Stories

Drought	9/3/2014	2:25	10:00 PM	Darrell Franklin spoke with several Wichita Falls residents about the different ways they are conserving water. He interviewed Kim Gallagher, Jessica Smith, Bobby McDonald, Amanda Hughes, William Winkler, Lexie Sughrue, and Todd Dennis.
Drought	09/09/14	3:30	6:00 PM	Water Officials from around the country met in Dallas to discuss all things water reus We spoke with Bob Johnson, WateReuse Association President, Russell Schreiber, Daniel Nix, and Melissa Meeker of the WateReuse Association.
Drought	9/10/2014	1:56	6 & 10 PM	The city of Graham, TX found a 65 year old pipe that they will be using as a secondary water source. We spoke with David Casteel, Graham City Manager, and Dennie Covey, Graham Fire Chief.
Drought	09/18/14	1:55	6:00 PM	We spoke with Russell Schreiber, Wichita Falls Public Works Director, about the Water Resuse project needing to add UV disinfection to the process.

## COUNTY AND CITY ISSUES

ISSUE	DATE	LENGTH	PROGRAM	DESCRIPTION OF PROGRAM SEGMENT
County & City Issues	7/7/2014	1:17	6 & 10 PM	Exterminators keep busy in Iowa Park, where grasshoppers are destroying plants and annoying homeowners. We spoke with Heidi Lagerstrom, Iowa Park Resident, and Danny Praizer, of All Seasons Termite & Pest Control.
County & City Issues	7/12/2014	1:40	6 & 10 PM	An Electra police officer shot a man in the leg. We spoke with Electra Public Information Officer, Melvin Joiner.
County & City Issues	7/14/2014	1:11	6:00 PM	A Wichita Falls man, arrested for robbing a convenience store, reportedly admits to three other armed robberies. WFPD credit his quick arrest to the convenience stores having high resolution cameras. We spoke with Officer Jeff Hughes of the WFPD.
County & City Issues	7/15/2014	1:32	5, 6 & 10 PM	The influx of grasshoppers has damaged one Wichita County farmer's sesame crop so badly, he planted a second crop, which they're feasting on. However, the loud insects have made their way into the city limits and are grossing out shoppers at stores. We spoke with Kenneth McAlister, a local farmer, Chrystal Killiam, a Wichita Falls Resident, and Victoria Hernandez, of Market Street.
County & City Issues	7/16/2014	1:31	6 & 10 PM	A meeting with U.S. Postal Official regarding reducing hours for the Montague Post Office has residents upset for the reduced hours, but happy the facility will not close for good. We spoke with Larry Carter, a Montague Resident.
County & City Issues	7/23/2014	1:26	5, 6 & 10 PM	Montague County Sheriff's Office starts a garden for jail trustees to take care of and the produce is taken to the local food bank to help feed residents in need. We spoke with Tyson Vann, Trustee, Jeff Young, Trustee, John Scorgum, Trustee, Sherriff Paul Cunningham of the Montague County Sheriff's Office, Larry Carter of Crhsit Can Food Bank, and Peggy Sue Cramer, Montague County Resident.
County & City Issues	7/26/14	2:00	5 & 6 PM	Brandon Pannell from Wichita Falls has made it to the final on the national NBC competition show, American Ninja Warrior.
County & City Issues	7/29/2014	1:20	6 & 10 PM	Following the resignation of Jonathon Voelkel, after 8 years as CEO, Wilbarger General board members hold a special meeting to approve Carey Plummer, who has more than 30 years of hospital CEO experience, as the interim CEO. His goal is to help rectify the hospital's financial problems through mid-November, when the board hope to have a new permanent CEO hired. We spoke with Carey Plummer, Interim CEO, and Dr. Susan Couch, Hospital Board Chair.
County & City Issues	7/30/2014	0:47	6:00 PM	Five Hirschi High School students were in a bad car accident on Kell West freeway and were ejected from their vehicle. We caught up with a close friend of the students, Cederic Battle, who was praying for their recovery as the five remained in the hospital.
County & City Issues	7/31/14	0:50	6 & 10 PM	Young County is looking to buy new voting equipment because their's is outdated. We spoke with Lauren Sullivan, Young County Resident.
County & City Issues	8/4/2014	1:06	6:00 PM	The Wichita County jails received a passing grade from the Texas Commission Jail Standards despite having one big variance, shower heads not being high enough in the downtown jail to prevent inmates from hanging themselves. We spoke with Sheriff David Duke of the Wichita County Sheriff's office.
County & City Issues	8/5/2014	1:43	6 & 10 PM	A vehicle crash, involving three pickups on Highway 82 in Archer County results in the death of three people and leaves a fourth victims in critical condition. DPS troopers say it was caused by a driver from Fort Worth, who crossed the center line... side swiped a pick pulling a trailer then crashed head-on into another pickup that was also carrying a trailer. We spoke with Trooper Tony Fulton, Spokesperson for the Texas Department of Transportation, Stanley wright, and Tara Porter.
County & City Issues	8/28/2014	1:19	10:00 PM	Now that Deputy Chief Michael Hopkins has been sworn in as Electra police chief, he says he's focused on moving forward from past turmoil associated with the police department and serving the citizens of Electra.

## COUNTY AND CITY ISSUES

County & City Issues	9/9/2014	0:53	10:00 PM	Electra City Commissioners voted 3 to 1 to accept the resignation of Place 3 Commissioner, Sue Howell. Sue attended the meeting and after the vote, commissioner discussed their plan to accept applications from people interested in being appointed to filling Howell's vacant seat. We spoke with Sue Howell and Curtis Warner, Mayor of Electra.
County & City Issues	9/12/2014	1:34	6 & 10PM	Aviation legend, Tom Danaher, dies during the early morning hours at the age of 90. His flying career spanned back to World War II, when he was a Marine fighter pilot. He also flew in several movies, including the 1985 film, "Empire of the Sun" and the 1987 film, "Out of Africa". His last flying feat was piloting the World War I-era Curtiss Jenny plane for the Call Field Living Museum in Wichita Falls.
County & City Issues	9/23/2014	1:14	10:00 PM	In addition to adopting a new budget, lower tax rate and amended drought contingency plan, Electra city commissioners also appointed Lynda Lynn, the wife of Electra fire chief, Gregg Lynn, to fill the Place 3 commissioner seat that was vacated in late August when Sue Howell resigned. We got to speak with Mrs. Lynn.
County & City Issues	09/23/14	1:45	6:00 PM	Three buildings burned to the ground today in Chillicothe. We spoke with Steve Cooper who lost his antique business in the fire.

He spoke with Todd Doughty, Electra football coach, Markeis Lee, Electra football player, and Drake Cooper, Electra football player.
Sports	9/24/2014	2:49	6:00 PM	When you think of quarterback at Burkburnett high school, historically there's one name that comes to mind. It's the last name of Lewis. In this week's sports Spotlight, Jermaine Ferrell reports on the family pride of the Bulldogs. He spoke with Dale Lewis, Burkburnett Quarterback 1960-1963, Cary Lewis, Burkburnett Quarterback 1983-1984, and Bryan Lewis, Burkburnett Quarterback 2012-Present.
Sports	9/25/2014	2:22	6:00 PM	This week's Team of the Week recently helped their head coach reach a big milestone. Jermaine Ferrell reports on the Windthorst Trojanettes volleyball team and their push to get their coach more victories. He spoke with Stacy Wolf, Windthorst head volleyball coach, Rachel Conrady, Windthorst volleyball player, and Jenna Glawe, Windthorst volleyball player.

## Consumer Stories

ISSUE	DATE	LENGTH	PROGRAM	DESCRIPTION OF PROGRAM SEGMENT
Consumer Stories	7/5/2014	1:20	6:00 PM	It's what we all worry about in this age of the internet - someone stealing your identity and draining your bank account. There are several things you can do to protect yourself. We heard from Carla Menendez, US Postal Inspector.
Consumer Stories	7/6/2014	1:55	5:00 PM	It has become one of the most serious crimes targeting the elderly nationwide. If you become a victim, you're likely to lose your life savings....but there are ways to avoid that. We heard from Sheree Nudd, Fraud Victim, and Frank Schissler, US Postal Inspector.
Consumer Stories	7/7/2014	2:11	5:00 PM	With grilling season heating up, all kinds of gadgets promise to take your grill to a new level. Consumer Reports tested several to see how well they work. We spoke with Tara Casaregola of Consumer Reports.
Consumer Stories	7/8/2014	2:06	5:00 PM	Flying with a carry-on bag can save you fifty dollars or more per trip. No wonder sales are up. Before you buy, Consumer Reports has advice on what features are most important. We heard from Nikhil Hutheesing of Consumer Reports.
Consumer Stories	7/9/2014	2:20	5:00 PM	Vacation coming up? Chances are you'll be packing a lot of electronics. A Consumer Reports survey found 94 percent of us don't leave home without at least one device and vacationers take along three on average. So what's the best way to protect those pricey possessions? We heard from Glenn Derene of Consumer Reports.
Consumer Stories	7/10/2014	2:06	5:00 PM	Hitting the road this summer? You may want to drive past big national chains like McDonald's and Taco Bell. Consumer Reports survey of more than 30-thousand of its readers turned up lots of other choices that they say are much tastier. We heard from Tod Marks of Consumer Reports.
Consumer Stories	7/11/2014	2:08	5:00 PM	Who doesn't love ice cream? More than 90 percent of the ice cream we eat, we scoop out at home. So Consumer Reports set out to find the best-tasting ice cream in the supermarket. They focused on America's top-selling flavor. One hint - it's NOT chocolate. We heard from Amy Keating of Consumer Reports and several children.
Consumer Stories	7/12/2014	1:30	6:00 PM	Next time you see someone suspicious in your neighborhood, they might not be thinking about breaking into your house. They might be intending to steal your identity. We heard from Carla Mendez, US Postal Inspector.
Consumer Stories	7/14/2014	2:25	5:00 PM	One of the latest lures in the grocery aisle - food labeled "natural." It sounds like a better choice, right? In fact, a just-released Consumer Reports' survey found that 59 percent of people look for foods labeled "natural" when they shop. But Consumer Reports says it's essentially meaningless claim. We heard from Urvashi Rangan, Ph.D. of consumer Reports and Jody Rohlena of ShopSmart Magazine.
Consumer Stories	7/15/2014	2:28	5:00 PM	When you choose a sunscreen for your child, what do you look for? About a third of us buy a sunscreen that claims to be for kids. And many choose one that's doctor-recommended, according to a Consumer Reports survey. Here's what you need to know about sunscreens and children. We heard from Patricia Calvo of Consumer Reports.
Consumer Stories	7/16/2014	2:05	5:00 PM	It's a chore that has to be done...so you might as well be using the right tools when you do it. We're talking about laundry and if it seems your go-to detergent can't defeat those tough stains and smells...it might be time for a switch. Consumer Reports did all the dirty work and their tough tests cut through the hype and get straight to which detergents deliver the cleanest laundry and which are wash outs. We heard from Pat Slaven of Consumer Reports.
Consumer Stories	7/17/2014	2:28	5:00 PM	laundry detergent packets that you just toss into the washing machine have risen in sales, partially because they seem much easier to use than liquid or powder detergent. but safety concerns for children have also increased with more than 20-thousand calls to poison control centers since the packets went mainstream in 2012. We heard from Michelle Rohde, a mother, and Dan Diclerico of Consumer Reports.
Consumer Stories	7/18/2014	2:21	5:00 PM	Safety is the first thing on parents' minds when it comes to their children. Today Consumer Reports revealed how a Graco double stroller could pose a safety risk. We heard from John Galeotafiore of Consumer Reports.

## **Consumer Stories**

Consumer Stories	7/19/2014	1:30	6:00 PM	They arrive in the mail looking like official government documents. But looks are deceiving and in this case, they are at the heart of a scam. We heard from Laura Carter, US Postal Inspector, and Abby Kuzma, Director of Consumer Protection.
Consumer Stories	7/20/2014	2:06	5:00 PM	The phone rings and the caller tells you you've won millions. But there's one catch. That one catch is intended to wipe out your savings. We heard from Jean Adams, fraud victim, and Scott Barber, US Postal Inspector.
Consumer Stories	7/23/2014	2:18	5:00 PM	Portable air conditioners sound like an easy solution for cooling a room that can't accommodate a window air conditioner. But many are returned by unhappy customers. So Consumer Reports tested to see if there are some good choices. We heard from Bob Markovich of Consumer Reports.
Consumer Stories	7/25/2014	1:59	5:00 PM	Clogged drains are big business. We spend 288 million dollars a year on drain cleaners and plenty more on plumbers. Consumer Reports tested a 20-dollar device that promises to work without caustic chemicals or a costly plumber visit. We heard from Matt Pilius of Mid-Hudson Plumbing Services and Rich Handel of Consumer Reports.
Consumer Stories	7/26/2014	1:45	6:00 PM	It sounded like a dream job - a high salary and not a lot of heavy lifting. But the dream turned into a very expensive nightmare. We heard from James McTighe, fraud victim, and Erin Leipold, US Postal Inspector.
Consumer Stories	7/27/2014	1:55	5:00 PM	She trusted them but the scam artists who claimed she had just won the lottery were lying through their teeth. The elderly who live alone are prime targets for aggressive conmen. We heard from Bob, the son of a fraud victim, and Amanda McMurrey, US Postal Inspector.
