He has no history of violence or anything like that. A few days later, they were talking about working things out and then 2 days later she put a restraining order on him. Dawson said, psycho babe, that's what you have going here. She is out of control and she is not making any sense. You cannot trust this girl anymore. Dawson said, I see trouble on the horizon and this girl needs a lot of help and you can't help her.</p> <p>TITLE: Needs Ways To Cope With Loss Caitlin needs ways to cope. She lost 2 friends that were brothers and they were killed in a car accident. Then she had another friend that passed away on Christmas day. How can she deal with her pain and grief? Dawson said; I will give you 2 ideas. First, tell yourself, you are not going to die, it hurts but it's going to get better. Second, tell your story, so you can get the pain and hurt out. There are a bunch of other things you can do with your grief and I'll read the advice that the Tribe gives a little later in the show. You are not going to die; it will get better but it will take time.</p> <p>TITLE: Found Possible Biological Dad Ashley just found out about a man that could possibly be her biological father. The guy that she suspects could be him is a guy that her birth mom had an affair with 21 years ago. Dawson said, do you think this guy would submit to a DNA test? Ashley said no. Dawson said unless you get to a place where you can't let it rest then at that time, you would need to get a counselor and talk out how you might approach him.</p> <p>TITLE: Lost Fiancé in Car Accident Ivory lost her fiancé about 8 months ago. He still loves Angie and wants to be with her. He also wants to be responsible to the baby. Dawson said things have gotten very entangled here. Take a 3 months' time out, right now you are not seeing clearly. You have to be careful that you are not emotionally dumb. When you get emotionally dumb, you quit being wise. You need to be making wise choices.</p> <p>TITLE: She Has Major Trust Issues Yovani has a big trust issue. She has only been in two serious relationships her whole life. The first one, everything was okay until their daughter was born and then he got abusive. Dawson said you need to go slow in this new relationship.</p> <p>TITLE: Thank You For Words Of Wisdom Aaron wants to say to Dawson, what you do is absolutely amazing. She talked to him and now he is blaming her. Dawson said that means he is not taking responsibility for what he did. He took your trustor and broke it. It's going to take a lot of effort to put the trustor back together again and then he made it worse by not taking any responsibility for what he did. Dawson said you definitely need counseling.</p> <p>TITLE: Fell In Love With Married Youth Pastor Katie thought she had fallen in love with her youth pastor after developing a relationship with him and his wife. She realized later that she was just confused and that she saw him as a father figure. They said they were going to help but then just cut her off. She feels she is over it now but she feels she still needs closure. Dawson said they are afraid you are going to show up at their doorstep and that scares them. Let's get closure by you telling them how you are doing well now.</p> <p>TITLE: Dad Will Not Stop Drinking Carrington's dad has been drinking almost his whole life. It doesn't matter what he does, his dad won't quit drinking. Dawson said this is role reversal, no one asked you to be a father to him. Dawson said he is a raging alcoholic and he has done a lot of damage. I'm worried about you, you are bitter to him and you are drinking yourself and it could get worse. You need to tell him you love him but that you are severing the relationship with him so that he can hit the wall.</p> <p>TITLE: Boyfriend Broke Off Things Anya went through rehab with her boyfriend and she gave up her social drinking to be with him and be supportive of his sobriety. He broke off things with her today because she is apparently a horrible selfish person. Dawson said what I get from what he is saying to you is that he wants to go back to the old life again and he doesn't want any noise from you while he does it. You remind him of being sober and being responsible and he doesn't want that. This is probably a blessing. He is your alcohol and your drugs. It was probably a damaging relationship but you were too busy trying to prop him up to notice.</p>

The question is how can you live day by day and be as healthy as possible.</p> <p>TITLE: Virgin, Attracted To The Bad Boys Rose is 24 years old and a virgin. Dawson said congratulations. She is trying to find love but she goes for the bad boys and she knows they are not good enough for her. She is not attracted to the good boys. Dawson said my guess is that in the past, your relationships with parents and others were full of drama. The bad boys always bring drama with them and the problem is that it is bad drama. We need to get to the bottom of this. My sense is that you have bought into a set of lies; like good guys are boring and bad guys are exciting. Dawson said we replace the lies with the truth.</p> <p>TITLE: Self-Harming Due To Emotional Pain Daniel has a child and him and his son's mother broke up 3 or 4 months ago. Your son doesn't need to see you with all those scares from burning. Your motivation is to get well for yourself and then for your son.</p>

Dawson said you are not going to feel better while you have these bills hanging over you. You need to deal with the bills. I would get a financial advisor and see if you can come up with a lower figure than what you owe to pay back all the bills. Your girlfriend is bringing the wrong kind of drama in your life; it's sucking the life out of you. You need to get healthy enough to have a meaning relationship, get healthy....mentally, spiritually, financially.</p> <p>TITLE: Best Friend Gets Very Jealous McKenzie's best friend, a guy, gets jealous when she talks to other dudes but she is not allowed to get jealous when he talks to other girls. Dawson said nothing destroys a relationship like jealousy. You have to cowgirl up and talk to him and tell him to change or leave. You are not going to be tied down at the age of 15 where you can't talk to other guys. The Bible says love is not jealous. He is going to have to change and you have to go on with your life. She is in recovery. She wants to shake it and be done with it but she doesn't know how to live without it. Dawson said, it's going to be a daily battle and will remain so and maybe someday you will be free of it but those tendencies will be in your life. The question is how can you live day by day and be as healthy as possible.</p> <p>TITLE: Virgin, Attracted To The Bad Boys Rose is 24 years old and a virgin. Dawson said congratulations. She is trying to find love but she goes for the bad boys and she knows they are not good enough for her. She is not attracted to the good boys. Dawson said my guess is that in the past, your relationships with parents and others were full of drama. The bad boys always bring drama with them and the problem is that it is bad drama. We need to get to the bottom of this. My sense is that you have bought into a set of lies; like good guys are boring and bad guys are exciting. Dawson said we replace the lies with the truth.</p> <p>TITLE: Self-Harming Due To Emotional Pain Daniel has a child and him and his son's mother broke up 3 or 4 months ago. He tried committing suicide twice this summer because of it. The pain and emotional distress has been so strong, he has been burning himself with cigarettes. He has also lost 20 or 30 pounds from not eating. Dawson said you are not showing any coping skills here. Something much deeper than the relationship is going on; there are wounds that need to be healed before you can even think about getting back with her. Your son doesn't need to see you with all those scares from burning. Your motivation is to get well for yourself and then for your son.</p>
