Hour 4

Dawson spoke to the following young people about their issues:

TITLE: Doing Things With Brother To Be Cool
Mason has been a leader at his church. His brother started drinking and going to parties and this summer Mason started doing that stuff too. Mason felt bad every time he drank and partied with his brother but he wanted to show his brother he was a cool person. Dawson said it's not a matter of convincing your brother that you are cool or uncool, it's a matter of showing him you are solid and going in the right direction. You are swimming upstream when you decide to help other people spiritually.

TITLE: Girlfriend Doesn't Trust Him

Jeff's girlfriend doesn't trust him. He will go to his friend for his advice and then his friend always ends up telling his girlfriend what they talked about. Jeff wants to show his girlfriend is not a trustworthy friend. She feels that their relationship is an open book because his friend will not only tell her but tell others. Dawson said the number one thing you want in a friend is trustworthiness. Dawson said I'm with her on this. You need someone you can talk to about your problems besides her but when it's someone that's making a mess of your relationship then that doesn't work.

TITLE: Dating A Control Freak

Amber has been with her boyfriend for about 8 months. He has changed a lot in the last few months. Dawson said oh no, you started dating a control freak. Amber said her family hates him. Dawson said there is nothing that I like about this guy so far. We know he has to go. Your family is right, he is using you and working you and wants to control everything in your life. That's not love, that's control and jealousy.

TITLE: Should He Marry Girlfriend?

Ashton is getting ready to leave for basic training. Ashton said he loves his girlfriend and he is leaning towards marrying her. Dawson said there is going to be stress either way. Dawson said you have doubts, I can tell. The doubts are enough to make me say that you need to wait. Something is nagging at you that says don't do this yet. There is no crime in waiting to get married. When in doubt, don't and if you are not sure then wait longer. You are 19, not 90.

Dawson said you are not going to feel better while you have these bills hanging over you. You need to deal with the bills. I would get a financial advisor and see if you can come up with a lower figure than what you owe to pay back all the bills. Your girlfriend is bringing the wrong kind of drama in your life; it's sucking the life out of you. You need to get healthy enough to have a meaning relationship, get healthy...mentally, spiritually, financially.</p> <p>TITLE: Best Friend Gets Very Jealous McKenzie's best friend, a guy, gets jealous when she talks to other dudes but she is not allowed to get jealous when he talks to other girls. You are not going to be tied down at the age of 15 where you can't talk to other guys. The Bible says love is not jealous. He is going to have to change and you have to go on with your life. Emotionally you are pretty wrapped around him. You are afraid you will lose him if you stand up to him.
