COMMUNITY

1. **News 3 on WTKR 5pm January 5, 2017 Length 1:57** while the holiday season has come and gone, one local family is still enjoying gifts from a stranger. Beverly Kidd has more in this week's people taking action segment.
2. **News 3 on WTKR 5pm January 10, 2017 Length 1:53** as a lot of us are still digging out from this winter storm, a Portsmouth fourth grader has been clearing the driveways and sidewalks in his neighborhood. And he's been doing it for free. News 3's Kurt Williams tells us why in tonight's people taking action.
3. **News 3 on WTKR 6pm, January 31 2017 Length 1:56** many of us don't even know our newspaper carriers, but for one Suffolk couple, that daily delivery is a lifeline. News three's Beverly Kidd introduces us to a family who puts the "care" in paper carrier in tonight's people taking action.
4. **News 3 on WTKR 5pm February 7, 2017 Length 2:35** well we're coming off another successful polar plunge this past weekend benefiting Special Olympics. News 3's Kurt Williams surprises one local woman who's been plunging for nearly two decades--taking action for Special Olympics!
5. **News 3 on WTKR 5pm February 14, 2017 Length 1:51** its tax time! But some people can't afford to pay to have their taxes prepared. And that's where a kind gentleman from Chesapeake comes in to save the day. Beverly Kidd has more on this weeks' people taking action award winner.
6. **News 3 on WTKR 5pm February 28, 2017 Length 1:58** even with the warm temperatures it's not exactly the time of year to be gardening. But for one Virginia Beach woman -- gardening and god go hand in hand all year long. Beverly Kidd has tonight's people taking action award winner.
7. **News 3 on WTKR 5pm March 7, 2017 Length 2:21** tonight we shine our spotlight on a teenager whose eagle scout project is helping some Virginia beach elementary school students learn in a different way. News 3's Kurt Williams has tonight's people taking action.
8. **News 3 on WTKR 5pm March 14, 2017 Length 2:01** one Virginia Beach man has "engineered" a way to keep some kids from going hungry in his community. Beverly Kidd introduces us to tonight's people taking action award winner.
9. **News 3 on WTKR 5pm March 21, 2017 Length 1:42** a local girl is using her love for dancing and dresses to do good in her community. Kurt Williams introduces us to her in tonight's people taking action.

CONSUMER ADVOCACY

1. **News 3 on WTKR at 6:30am January 2nd 2017, Length 1:25** Consumer Reports just tested about a dozen compact washers and dryers. They're just like regular ones - only smaller - 24 inches wide, 34 inches high and the sets can be stacked.
2. **News 3 on WTKR at 5pm January 3rd 2017, Length 1:44** if you are a victim of ransom ware, you'll get a message on your screen that says your files are being held until you pay up. Don't click on that message window unless you are willing to pay.
3. **News 3 on WTKR at 5:30am January 4th 2017, Length :26** two credit reporting agencies have been fined more than \$23 million for deceiving customers. Transunion and Equifax were hit with the penalty from the Consumer Financial Protection Bureau.
4. **News 3 on WTKR at 5pm WTKR January 17th 2017, Length :17** The consumer financial protection bureau says the average student loan debt for in 2015 for borrowers over 60 was more than 23 thousand dollars. That's double the amount of a decade before, with four times as many older Americans facing student loan bills.

5. **News 3 on WTKR at 5pm February 1st 2017, Length 1:44** the "basic economy" fares will save you money, but come at a cost - you'll be last onboard the plane, you can't choose your own seat, and if your carry-on doesn't fit under it--you'll be paying to check it. These restrictive bargain tickets come as ultra-low fare carriers like spirit are increasingly competing for customers.
6. **News 3 on WTKR at 11pm February 2nd 2017, Length :15** the consumer product safety commission says liquid from the nightlight can leak onto the electrical outlet. Sparking a fire. Right now there are no reported injuries from the fire hazard.
7. **News 3 on WTKR at 4pm February 7th 2017, Length 1:46** Consumer Reports medical advisor Dr. David Seres says if one or more close family members has a disease with a genetic link, testing for the gene may make sense. People who have a close relative who developed colon or uterine cancer before age 50, might consider a genetic test for lynch syndrome.
8. **News 3 on WTKR at 5:30am February 14th 2017, Length 1:25** but guess what? Consumer Reports nutritionists say it's okay to indulge your sweet tooth...once in a while. If you want to ration your intake, store your chocolate in a cool, dry place, not in the refrigerator, where it can pick up odors and flavors from other foods.
9. **News 3 on WTKR at 5:30am February 14th 2017, Length 1:25** but guess what? Consumer Reports nutritionists say it's okay to indulge your sweet tooth...once in a while. If you want to ration your intake, store your chocolate in a cool, dry place, not in the refrigerator, where it can pick up odors and flavors from other foods.
10. **News 3 on WTKR at 6am arch 6th 2017, Length 1:21** some companies are looking to cash in on consumer anxiety, by offering identity theft insurance. For 25 to 50 dollars a year companies like Allstate, Liberty Mutual and State Farm, offer it as an add-on to your home or rental insurance.
11. **News 3 on WTKR at Noon March 10th 2017, Length :15** We're talking about the "r-d-g" global girls "olive-green:" hoodie --- sold by Nordstrom. According to the consumer product safety commission --- the drawstring in the lining of the hood is a strangulation risk. Customers can remove the drawstring or contact Nordstrom for a refund
12. **News 3 on WTKR at 5:30am March 10th 2017, Length 1:19** unfortunately, experts at Consumer Reports say travelers have very few rights, when things go wrong. When it comes to cancellations, each airline handles things differently. Delta, for example, will either put you on its next available flight or rebook you on another carrier.
13. **News 3 on WTKR at 11pm March 12th 2017, Length 1:21** To test mattresses Consumer Reports simulates 8 to 10 years of use to see how well a mattress will hold up. It checks whether a mattress will support your spine. Online mattress companies like Casper, Lull and Tuft & Needle are offering performance as well as very competitive pricing.

CRIME

1. **News 3 on WTKR 4:00PM Jan. 5, 2017, Length :40** Hampton police have arrested a young man they say is connected to a shooting in a high school parking lot yesterday. 18-year-old sh-kise faizon cappe is facing firearm charges after police say two vehicles exchanged gunfire on big bethel road -- and as a result -- a stray bullet hit a man sitting in a parked car in the bethel high school parking lot. Police say the man was a grandfather teaching his grandson how to drive when he was randomly hit in the crossfire. Luckily -- he's expected to be okay. Other cars were hit by gunfire as well. School was already dismissed when the shooting happened -- and police say there's no evidence it was school-related. Cappe is now being held at Hampton city jail.
2. **News 3 on WTKR 6:00am Jan. 12, 2017 Length :25** a man was hurt in a late night shooting. Officers were called to Columbus Avenue in Portsmouth just before 10-last night. When they got there they found a man who had been shot in the leg. He was taken to the hospital and is expected

to be okay. Right now there is no word on what caused the shooting or who did it. If you know anything take action and call the crime line at 1-888-lock-u-up.

3. **News 3 on WTKR 12:00pm Jan. 23, 2017 Length :50** we're awaiting the sentence of a Virginia Beach sailor who admitted to hiring a hitman to kill his wife. Court records show Chadwick ghesquiere and his wife were having marital issues, and that he wanted to kill her so he quote -- "didn't have to deal with her or pay child support. Court documents say ghesquiere was worried about the safety of his young son, after his wife allegedly got back with her ex-husband and began abusing alcohol and drugs while ghesquiere was deployed in Bahrain. Ghesquiere later gave an undercover agent \$1-thousand dollar cash, 80 Adderall pills and a gun to commit the murder. ghesquiere also promised to pay the agent 50-thousand and 100-thousand dollars from his life insurance policy. The sailor pleaded guilty back in October. He is facing up to 14 years behind bars. news 3's Merris Badcock went to the sentencing and will have the very latest online at wtkr.com and on-air at 4:00 pm.
4. **News 3 on WTKR 5 am Jan. 26, 2017 Length :25** as you wake up this morning -- the Gloucester county sheriff's office is trying to find out who's behind a series of burglaries at the Gloucester moose lodge. You're looking at video of one of the men believed to be involved. Authorities say the business has been hit five times over the past six weeks. Deputies say each time the thieves forced their way inside the lodge causing damage and then made off with cash. If you have any information that can help police call the crime line.
5. **News 3 on WTKR 5 pm Feb. 3, 2017 Length :20** breaking news in Virginia beach--a student from landstown high was arrested today-- accused of making death threats against the school. An alert message was sent out just minutes ago. Police tell news three the student posted an online threat last night. He was identified and arrested this morning. Police say no weapons were involved.
6. **News 3 on WTKR 4 pm Feb. 6, 2017 Length :30** a grand jury has indicted a navy sailor accused of shooting and killing woman in Virginia Beach. Investigators say 22-year-old Alec Wagner of Chesapeake faces involuntary manslaughter and reckless handling of a firearm charges. Last October police found aleigha (ah-lee-uh) hawkingberry dead in the street on Mondrian loop. The medical examiner says she was shot in the chest and neck. Hawkingberry was only 18 years old and had recently graduated from landstown high school.
7. **News 3 on WTKR 11 pm Feb 20, 2017 Length :25** car windows smashed by a baseball bat. one man's security camera captures the action but as of tonight - no one's been arrested for the crime. It happened last Wednesday morning near the intersection of Granby Street and east Bay Avenue. In the footage you can see a car pull up to a parked car. Then someone wielding a bat jumps out of the car and smashes the car's windows before driving off. If you recognize the car or the person in the surveillance video take action and call the crime line.
8. **News 3 on WTKR 5 am Feb. 28, 2017 Length :30** where police in Guilford county, North Carolina are in an hours-long standoff after a sheriff's deputy was shot. Police were called to a home outside of Greensboro around six last night. When they got there-- they found a woman outside shot in the foot. When officers walked up to the home -- a man inside started shooting. A deputy was shot twice-- he was taken to the hospital and is expected to be okay. We're told the man inside is wearing a bulletproof vest. We following the situation closely and will bring you any new details as we get them.
9. **News 3 on WTKR 4 pm March 3, 2017 Length :25** a Norfolk man is behind bars accused of robbing a bank. Investigators say 60-year-old jimmy Simons walked into the wells Fargo on Monticello Avenue near east Charlotte Street and demanded money. He got cash from a bank teller and ran out. Officers quickly located Simons near Church Street and arrested him. No one was hurt. Simmons is charged with robbery and is being held in the Norfolk city jail without bond.
10. **News 3 on WTKR 12:00pm March 7, 2017 Length :20** a man has been arrested for crashing into a 7-eleven in Virginia Beach and driving away. Police say this man 22-year old Robert

torgler has been charged with d-u-I and hit and run. Police say torgler hit and curbed and the front window of the 7-eleven store at the corner of Princess Anne road and Lynnhaven parkway yesterday. You can see the door on the right is damaged. No one was hurt. The store is back open again.

11. **News 3 on WTKR 11:00pm March 11, 2017 Length :25** an old phone scheme is making a return. The f-t-c says the "one-ring scheme" is where someone will call your phone -- and let it ring just once before hanging up. They're hoping you'll call back. Because when you do -- you'll be slammed with hefty charges -- both per minute and international. The calls are from numbers that look like they have domestic area codes. If you don't recognize the number -- don't call back - - just do a Google search to see where it's coming from.
12. **News 3 on WTKR 5:00pm March 24, 2017 Length :20** Newport News police say a third suspect is under arrest in connection with a murder back in November. Officers arrested Marqui Pittman yesterday in Hampton. He's charged with the murder of 42-year-old Tommy Strayhorn. Two other men are also facing charges in the same shooting. Police say Strayhorn was shot back in November on Randolph road. Police say they found him with a gunshot wound. He was rushed to the hospital where he later died. Right now there's no word on when the three suspects will go to trial.

HEALTH

1. **News 3 on WTKR at Noon, January 5, 2017, Length : 20 seconds** new guidelines are now available for parents with infants to reduce the risk of peanut allergies. The National Institutes of Health Panel says babies should start eating peanut-containing foods well before their first birthday in order to lower their chances of developing the dangerous food allergy. The panel maps out how to introduce the foods to infants and when some even getting it as early as 4 months! Health officials say to make sure you check with your doctor first.
2. **News 3 on WTKR at 6:30AM, January 12, 2017, Length : 25 seconds** a new report claims palm oil used in the chocolate spread of Nutella could cause cancer. The report from the "European Food Safety Authority" follows similar claims by the World Health Organization. The researchers say, high temperatures are used to remove palm oil's natural red color and neutralize its smell, but the process causes cancer-causing contaminants to form. Nutella's manufacturer insists that its use of palm oil is in a way that's not dangerous.
3. **News 3 on WTKR at 11PM, January 18, 2017, Length : 25 seconds** a new study says too much time sitting will make you age faster. Research shows women who sat for more than 10 hours a day age up to eight years older. Scientists tracked the movements of more than a thousand women over 64 and found a link between a sedentary lifestyle and premature aging of cells. They say by exercising for just half an hour is enough to stop those aging cells.
4. **News 3 on WTKR at Noon, January 31, 2017, Length : 20 seconds** a new study at Harvard finds hospitalizations for cardiovascular problems jump 23 percent two days after major snowfalls. Researchers say there are several possible reasons why; many issues come from excessive snow shoveling and in some cases delays happen getting to the hospital during the snow emergency.

5. **News 3 on WTKR at 11PM, February 6, 2017, Length: 20 seconds** new research warns flea and heartworm medication can pose a risk to children. The study published in the *Journal of Pediatrics* says the poisoning can occur in several ways. Most commonly toddlers have either picked up pills that a pet spit out, or children who pet an animal treated with a lotion or cream get that on their hands, or then put their hands into their mouths. Researchers suggest giving your pets those medications away from any kids.
6. **News 3 on WTKR at Noon, February 14, 2017, Length: 20 seconds** Switching to whole-grain foods may help you keep your weight in check and may be as effective as a brisk thirty minute daily walk. Researchers at Tufts University say people on a whole-grain diet absorb fewer calories. They add that their resting metabolic rate is higher than people on different diets.
7. **News 3 on WTKR at 530PM, February 21, 2017, Length: 20 seconds** Heavy drinking may age arteries and increase the risk of heart disease especially in men. Doctors in Britain studied long-term drinking habits and found too much alcohol can interfere with blood flow. The American Heart Association defines moderate drinking as one or two drinks a day for men, one drink a day for women.
8. **News 3 on WTKR at 5:30AM, February 28, 2017, Length: 25 seconds** if you're looking for natural ways to improve sleep, try the produce department. A new list of helpful veggies is out for those who find it hard to sleep. Try onions, leeks, and artichokes. Researchers at the University of Colorado say the veggies are high in "pre-biotics," which are dietary fibers that promote good stomach bacteria. Researchers believe they release by-products that signal the brain "not" to worry.
9. **News 3 on WTKR at 5:30AM, March 6, 2017, Length: 20 seconds** a doctor in Florida is using hard contact lenses to help kids see a little more clearly. Child vision specialist Dr. Nate Bonilla Warford says they can't undo the damage that's been done from digital eye strain, but it can slow or even stop its progression. The doctor says its best to start the treatment when nearsightedness develops to reduce the risk of eye diseases.
10. **News 3 on WTKR at Noon, March 13, 2017, Length: 20 seconds** nearly three dozen people in the United States have been diagnosed with a highly drug-resistant fungal infection since last summer; it's called "candida auris." The deadly infection first appeared in a patient in Japan in 2009 and has since spread around the world. While extremely rare, doctors are worried because it can quickly get into the bloodstream and spread easily in doctors' offices and hospitals. Health officials say long-term hospital patients are at the highest risk of contracting the fungus.
11. **News 3 on WTKR at 11PM, March 21, 2017, Length: 35 seconds** a baby born with four legs and two spines is recovering after a risky surgery to remove her parasitic conjoined twin. 10-month-old baby Dominique is from the Ivory Coast in West Africa. Her twin failed to separate in the womb, and then became part of her. The bottom half of its body stuck out from the base of her neck and back leaving her with two extra legs, and a second spinal cord. The astonishing medical procedure was not without risks; Dominique's small heart and lungs worked for two people and the second highest risk was paralysis. Five surgeons and more than 50 doctors were involved in Dominique's surgery and care. She still has two spines, but doctors do not believe that will affect her health.
12. **News 3 on WTKR at 5PM, March 28, 2017, Length: 25 seconds** Science has settled the debate on which exercise is best to shed those unwanted pounds- cardio or weights? Researchers followed more than 100 overweight volunteers and found those who did aerobic work alone dropped more weight. But, doctors warn don't ditch the weights yet... resistance training is needed to keep muscle mass. They also stress you can't indulge in a bad diet, so eating healthy is key.
