

Memorandum

To: Public File
From: Jolene, Jensen, Executive Assistant/Programming
Re: Issues and Programs Report, 2nd Quarter 2017
Date: July 6, 2017

In this memo, please find a description of issues in Western Wisconsin that have been addressed by WEAU 13 News through local news broadcasts and other programming from April 1 – June 30, 2017. The following pages include a list of issue-oriented projects our station has participated in, a description of issue-oriented programming, and community participation.

WEAU 13 News addressed the following issues of concern to viewers in the Eau Claire/La Crosse, Wisconsin, television market and the surrounding area. These issues serve the community and act in the public interest as set forth by the Federal Communications Commission:

Children/Youth
Education
Violence
Health/Medical
Agriculture/Environment
Science/Technology
Substance Abuse/Addiction
Family Values
Cultural Development
Economy/Business

Public Service Announcements

Also during 2nd quarter, WEAU 13 News aired various public service announcements from local, regional and national organizations in order to inform and educate the public about the above various issues of concern. Our Promotions Manager ran a report which listed approximately 677 PSA's (too numerous to list) that ran on WEAU 13 News (13.1) in 2nd quarter, 2017. NBC also airs "The More You Know" PSA's.

April - June, 2017

NBCUniversal's *The More You Know* website:

Since 1989, *The More You Know* has brought the nation's most important social issues to the forefront, and remains a trusted voice for sharing knowledge to improve lives and inspire action. *The More You Know's* comprehensive website (themoreyouknow.com) includes in-depth resource and referral information on the campaign's important focus issues including:

- HEALTH – fighting childhood obesity, encouraging nutrition and physical fitness
- ENVIRONMENT – encouraging everyday actions that reduce environmental impact
- EDUCATION – recruiting new teachers and promoting their long-lasting impact
- DIGITAL LITERACY & INTERNET SAFETY - sharing online safety tips and information
- DIVERSITY – embracing differences and promoting inclusion, tolerance and respect

Also featured on site is The More You Know Learning series' *Growing Up Online*, a free eBook on digital literacy and Internet Safety. *Growing Up Online* is an important tool to initiate conversation with children about online safety. The eBook is a media-rich, two-part learning resource that provides easy-to-use information about navigating the digital world in a unique and engaging way. Part one includes safety tips, discussion questions and key takeaways for parents and teachers. Part two features four entertaining video comic books for children, focused on real situations that come up when kids go online.

Additional content on the site includes public service announcements, behind-the-scenes videos, a general overview, a talent directory, and a list of the campaign's accolades such as the prestigious Emmy and Peabody awards.

Description of Typical and Illustrative Programming Issues

Every day, WEAU 13 News brings viewers programming, both local and national, that deals with the issues that matter to them the most. Viewers count on these programs to keep them informed about their community, their state, their nation, and the world. The following is a listing of programs that aired on a regular basis throughout the quarter.

Early Today: This business and consumer news program gives viewers daily business news and stock market reports. Early Today airs from 4-4:30am, Monday–Friday.

WEAU 13 News: Daily news reports of varying lengths dealing with issues pertinent to the viewers in the Western Wisconsin area.

Monday-Friday, 4:30am- 7am

Short-form updates Monday-Friday between 7:00am and 9:00am

Moms Everyday segments

Scheduled Fridays, 10-10:30am (and many Sundays 10:30-11am)

Topics covered include, Children/Youth, Education, Health/Medical, Violence, Cultural Development, Business and Family Values. Agriculture/Environment

- **MomsEveryDay, 10-10:30am (segments may vary), 04/07/17**

This week on Moms Everyday, many toy companies continue to market toys specifically to boys and girls. Our panel of moms chats about buying toys for their children and how they handle the choices in the toy aisles. Plus, one Mother hopes her painful honesty about the loss of her transgendered child may help others. Find out why she says she made mistakes in how she communicated with her child, and hear from an expert who offers advice to parents in similar situations. We give you some great tips for outdoor decorating and entertaining in small spaces. Plus, did you know one in six people get a foodborne illness? We give you tips on keeping the food you prepare safe for the family to eat!

- **MomsEveryDay, 10-10:30am (segments may vary), 04/14/17**

Many a mom has signed up to volunteer for a project or committee at her child's school only to regret the decision later! This week on Moms Everyday, our panels of moms share their experiences on the volunteer trail and explain why some now consider themselves "recovering" volunteers and why others can't imagine life without it! We'll also find out which moms are the most stressed out! You might be surprised to find out which school years are most stressful on Mom! We will show you how to make use of your old candles and wax by giving them new life and new scent. And if you have a baby in the house there's new research that may impact whether your bottles are glass or plastic. Plus get some great outdoor entertaining tips from one beautiful San Diego area patio, and a friendly reminder to ditch the negative talk to yourself when you're getting dressed in the morning.

- **MomsEveryDay, 10-10:30am (segments may vary), 04/21/17**

When did your baby get his first tooth? When did she crawl? Did you have a walker before her first birthday? Every parent looks forward to those milestones, but sometimes that can be a source of anxiety for parents. This week we talk about reaching milestones and how our panelists handled the temptation to compare their own baby to others. And we talk with a pediatrician about when parents should be concerned and when they can let it go. Find out about a unique new project bringing much needed baby supplies to lower income moms, delivered inside a box that can double as a bassinette! Plus, a rundown of what you need to know when it comes to Zika virus. Think you can't afford a cruise? Get the lowdown on taking a budget friendly cruise with tips from SavingsAngel.com.

- **MomsEveryDay, 10-10:30am (segments may vary), 04/28/17**

The life of being a kid these days isn't as carefree as it used to be. In fact many kids are stressed out from the many high expectations placed on them from the time they enter school, or even before, until they graduate college. This week we're talking about how to de-stress our family. Also, we meet a mother whose son survived the tragic life altering effects of shaken baby syndrome and tell you why she wants to educate others on how the violent act can be prevented. And we have tips on the challenge of being organized and planning a head for

weekly meals. In the Motherboard Tech report we'll show you a gaming app that you may not understand but your kids probably will and we'll tell you why you need to know about it.

- MomsEveryDay, 10-10:30am (segments may vary), 05/05/17

Talking with your family about rape culture; have you done it? This week our Moms Everyday panel chats frankly about the blame, guilt, and responsibilities surrounding reporting sexual assault, and preventing it from happening in the first place. We also hear from a former NCIS agent on tips parents will want to keep in mind when their children become dating age. And, expert advice from a clinical psychotherapist on teaching your children about setting their own boundaries. Plus, a program aimed at helping mothers know when their baby might be in distress before birth. In the Motherboard tech report, apps that look innocent but may be hiding something on your teenager's phone. And we're gearing up for Mother's Day with a fun DIY gift for mom!

- MomsEveryDay, 10-10:30am (segments may vary), 05/12/17

It's our Mother's Day Special! Moms today seem to do it all, but at what cost? Our panel opens up about the personal sacrifice of trying to be all things to all people at all times, and how they have learned to manage family life and me time. Plus we talk motherhood with moms from around the world to find out how we are different and how we are all the same. In our Motherboard tech report we have some great tech gift ideas for Mom. We'll show you how you and your toddler can scribble your way to a fun Mother's Day gift to keep or give away. And we're in the kitchen with food blogger Alice Choi, HipFoodieMom, who's showing us some easy recipes kids can make for mom's breakfast in bed along with a fancy treat just to say, thanks Mom!

- MomsEveryDay, 10-10:30am (segments may vary), 05/19/17

Are four year olds ready to start school? Some research is pointing to ways they are not physically ready for the challenge and our panel of moms talks about how they helped their toddlers become school ready. We're answering the questions, when should toddlers give up napping and is skipping naps harming their development? We meet a mom dealing with the diagnosis of Parkinson's Disease and find out how it's affected her family. In our Motherboard tech report, we'll show you how new technology may help detect early cognitive decline and possibly Alzheimer's and dementia. Find out what mistakes you may be making at the grocery store. And tips on finding the most flattering swimwear!

- MomsEveryDay, 10-10:30am (segments may vary), 05/26/17

Have you heard the term digital heroin? Is screen time turning kids into junkies? Our panel of moms reveal their frustrations over the irresistible lure of the screen to their own children and share ideas on getting kids faces away from their screens. Plus, we learn about a study on kids and their on-screen superheroes and how that may be having an effect on them. Plus, we're decoding the world of your teen's texting. We also whip up a yummy Cannoli Dip for your next backyard barbeque and show you a fun way to make hot dogs on the grill a little more exciting!

- MomsEveryDay, 10-10:30am (segments may vary), 06/02/17

Once you become a parent, planning the rest of the family can continue to be a challenge. This week on Moms Everyday we're talking birth control, family planning, and the idea of making oral contraceptives over the counter. Plus we visit one state where that's already happening. We also chat about the painful personal journey of infertility with panelist Melanie Dale. Our Motherboard tech report has a new high tech program that's making a trip to the doctor's office a little easier for children. We're getting ready for summer swim season with important tips on a little known danger called secondary drowning and we have some useful tips on packing the perfect beach bag.

- MomsEveryDay, 10-10:30am (segments may vary), 06/09/17

The drive to drive isn't what it used to be for teens. More kids today are much older than 16 when they get their license. Our panel of moms chats about this rite of passage and why more kids are waiting longer to drive and how it affects mom! Plus, one dad share's his now viral plan to help his teenage children get out of uncomfortable or even dangerous situations by texting just one code letter to a family member. And we talk about the long term benefits of letting teens struggle while still living at home. Our Motherboard Tech report is helping parents who want to have more peace of mind when it comes to their children's smartphone. It's summer camp time, what do parents need to know before choosing a camp? Plus, how to boost your footwear game this summer with some simple fashion forward changes. And a quick and easy DIY gift suitable for the kids to make dad for Father's Day!

- MomsEveryDay, 10-10:30am (segments may vary), 06/16/17

How much pressure do your children feel when it comes to achieving in school? This week on Moms Everyday we are talking about the pressure to be the best and how it's affecting our kids. Our mom's panel chats about how they help their children handle the pressure to make the grade in school and beyond. And the parenting experts at Boys Town offer tips on helping kids cope with that stress. From Capitol Hill we will show you a new program that's goal is to get more books into the hands of all children across the country. Plus find out about a program that's getting more kids into water safety classes! It's graduation season. That means more families will find their nest empty soon. We offer up tried and true advice from those who have already experienced the quiet changes of life after the primary school years. And we'll tell you why it's just as important to keep connecting with other moms now as it was when you had toddlers.

- Moms Everyday, 10-10:30am (segments may vary), Repeat, 06/30/17

Ever been at a playground and found yourself disciplining someone else's child? It's not easy to know when to step in. Our Moms panel chats about how to know when to speak up. Plus we get some great guidelines from the parenting experts at Boys Town on how to intervene and what to say to someone else's child who is misbehaving. Thanks to more parents being laid off and kids who can't find jobs, more families are teaming up to give entrepreneurship a try. We'll visit one thriving mother daughter business. And find out how to make sure you don't get scammed by the growing number of work at home schemes targeting moms! Need to get more variety in your veggie intake? We'll show you an easy and tasty recipe to give you the courage to try eating a kohlrabi! And we'll help you make your hair color stretch just a little longer between hair appointments with the use of root.
