You don't have to look far to see that the war to destroy America is front and center in the public square. As our culture continues to trend toward sin and destruction, Christians need to prepare for the imposition of a radical agenda. Best-selling author David Horowitz, once himself an adherent of liberal policies, reveals why leftist doctrine is a bankrupt worldview. DR. JAMES DOBSON - DAVID HOROWITZ - SEPTEMBER 22, 2023

Raised by communist parents, David Horowitz was once a strong voice for the American Left in the 1960s. But after awakening to the evil it was doing, this Jewish writer went on to embrace American exceptionalism, birthed from Protestant Christianity. Dr. James Dobson and his guest, David Horowitz, author of *Dark Agenda*, continue to discuss the secular culture's agenda for our sovereign nation and the importance for Christians to remain vigilant. 1 Peter 5:8 says, "Be alert and of sober mind. Your enemy the devil prowls around like a roaring lion looking for someone to devour."
