The report also found that more than a dozen states have "very high" levels of respiratory illness and at least 20 other states have levels classified as high.

Issue: Housing

Program	Date	Time	Duration	Episode/Segment Description
NoticieroTelemundo 39	10/5/23	5pm	:32	Dallas has acquired several buildings to house the homeless. Some have already been used. Three have not yet been used and there is a plan by a non-profit group for a fourth. One of City Council said they should sell some of them and not acquire more buildings. Under the most recent plan, there is an old hotel on Northwest Highway that is not adjacent to housing or schools.... Like the unused building at hampton hospital. The municipal has some restrictions so the project is still under evaluation.
NoticieroTelemundo 39	10/13/23	10pm	:28	The lack of affordable housing is a problem that has been seen nationally and in North Texas> It is no exception only in Mckinney, according to local studies, there is a shortage of more than 3,700 units for affordable rents and in texas, there are only 25 units available for rent for every 100 extremely low-income renters. Habitat for humanity of Collin County has made it its mission to help low-income families fulfill their dream of homeownership.

NoticieroTelemundo 39	11/6/23	10pm	:31	A successful international developer has partnered with ngos in Dallas to build housing for working-class sectors in South Dallas. The project is called "mill city 50": fifty new houses in traditionally forgotten or non-growing areas. New, modern homes, priced affordable enough to keep neighborhood-wide tax values from skyrocketing as has happened in other areas of Dallas.
NoticieroTelemundo 39	12/27/23	5pm	:33	After the federal reserve signaled that it would not continue to raise interest rates or at least, no more than 3 times, there were 11 in 2023. Financial experts are expressing optimism, they estimate that if mortgage rates fall below 7%, this will motivate current homeowners to jump into the market for sale. The association of realtors predicts that DFW will be one of the top housing markets in the country next year, behind austin.

Issue: Race Relations

Program	Date	Time	Duration	Episode/Segment Description
NoticieroTelemundo 39	11/19/23	5pm	:20	We are texas says they plan to hold community meetings so the public understands their rights if they are detained under sb4. In addition, immigrant advocates say they plan to challenge sb4 in court. Immigration advocates are decrying the bill, calling it an attack on the hispanic community in texas.
NoticieroTelemundo 39	12/19	10pm	2:18	The City of Dallas said in a statement. That it "is concerned about the enactment of the law and the potential impact it will have on vulnerable communities. The Dallas police department is analyzing the law to determine the next step, but in the meantime, they will continue to follow current immigration orders and it will also comply with state law prohibiting racial discrimination.

Issue: Safety

Program	Date	Time	Duration	Episode/Segment Description
NoticieroTelemundo 39	10/24/23	4pm	:57	Fort Worth authorities are giving some recommendations to prevent car theft with minors inside. This after last saturday, a vehicle was stolen with a 1-year-old baby inside. According to the report, the boy and his brother were alone inside the car in front of their house while they waited for their mother to finish unloading the groceries, then the suspects approached the car, pulling the 10-year-old out and stealing the car with the 1-year-old still inside. Authorities say these types of crimes are more frequent than we imagine.

NoticieroTelemundo 39	10/25/23	4pm	:37	A group of hand surgeons at the University of Orthopedics in providence, Rhode Island, tend to see these injuries too often this time of year. And most of them among children between the ages of 10 and 19. When knives are used to pierce pumpkins, it is likely to slip and end up stuck in your hands. Doctors warn parents to help their children do this, using not-so-sharp knives. If they are cut, treat them as soon as possible and check for numbness or persistent bleeding.
NoticieroTelemundo 39	11/30/23	4pm	2:00	With the low temperatures that are already beginning to be felt in the region, many resort to various methods to keep their homes air-conditioned, such as portable heaters, but be careful because, although they seem very safe appliances, if they are not used correctly they could cause a real tragedy. The national fire protection association points out that around 44,000 home fires caused by heating equipment will be recorded annually in the united states.
NoticieroTelemundo 39	12/14	4pm	:35	The US Consumer product safety commission is asking consumers to immediately stop using high-powered magnetic ball sets produced by life changing products. Experts say they don't meet federal safety standards for magnetic toys because loose magnets pose a risk of serious injury or death if ingested by children. Ingested magnets can attract each other and become lodged in the digestive system. Cause perforations, twisting, or blockage of the intestines. If you have them at home. Dispose of them immediately.
NoticieroTelemundo 39	12/20/23	4pm	1:58	According to the AAA, 103 million people are expected to travel by road. Tires of the vehicler should always be inflated with enough air, in addition check for vibrations or noise, have his bands checked, that has its correct water level or anti-clog, now mostly during the winter season. If you don't make sure your vehicle is properly maintained, you could face hazards on the road.

Issue: Transportation

Program	Date	Time	Duration	Episode/Segment Description
NoticieroTelemundo 39	11/7/23	5pm	:20	Residents say they're again being kept from leaving their community in north tarrant county. Homeowners in the vista ranch neighborhood say union Pacific trains continue to block the railroad crossing for hours, meaning they can't come and go. Neighbors say this has been going on for years

				however the most recent incidents occurred October 24 where people were landlocked for nearly 4 hours and then again on Friday October 27.
NoticieroTelemundo 39	10/20/23	10pm	:50	A driverless ride-hailing service is testing its vehicles on Dallas streets right now with a plan to officially roll out in the coming months. The service is called "cruise". These are taxis driving on their own... Through areas like Lower Greenville Avenue, Deep Ellum, downtown and uptown right now. During the supervised testing - there is a safety driver behind the wheel. The federal government launched a probe into crashes in other cities involving this service. The crashes were not severe in any of the cases.
NoticieroTelemundo 39	10/20/23	10pm		The proposed project would build a new eight-lane controlled-access highway that would pass through Prosper and McKinney in Collin County. If built in this configuration, the freeway would displace 22 residences and 35 businesses, according to TxDOT. The main difference between this and the alignment recommended by McKinney City Council members is that segment B on the city's west side would see the freeway follow a more gradual slope to reconnect with US 380, rather than a straight north-south route.
NoticieroTelemundo 39	11/8/23	4pm	:20	The Transportation & Public Works Department maintains the City's streetlights. Supplies such as poles, electrical cables, fuse holders and LED bulbs are kept in stock when a service crew responds to a call for a streetlight outage. City Council approved a request from TPW to enter and renew contracts to ensure supplies do not run out. TPW has an annual budget of \$1 million in general funds and \$4.5 million in PayGo funds for streetlight maintenance.
NoticieroTelemundo 39	12/19/23	5am	:20	A department spokesperson said staffing levels had increased by 12% since Dec. 2022, with hundreds of additional staff in the hiring pipeline. Department staff have also worked tens of thousands of hours of overtime a month. From January 2023 through October 2023, the department authorized 30,000 to 40,000 overtime hours each month. It also tapped volunteers from across the department working on surge teams, including retirees and new hires adjudicating passports before reporting to other assignments.

NBCUniversal Local

				<p>Nearly half of all Americans, around 48%, now possess a current U.S. passport, compared with just 5% in 1990. There are now over 160 million valid U.S. passports in circulation, nearly double the amount from 2007.</p> <p>While Transportation Security Administration screenings at U.S. airports continue to set records some days, there are signs that the post-pandemic "revenge travel" trend is slowing down, as flyers trim budgets amid a slowing economy.</p>
