Re: Retransmission Consent Elections for January 1, 2018-December 31, 2020
NBCUniversal Owned Television Stations

Dear Mr. Nissenblatt:

Pursuant to the Cable Television Consumer Protection and Competition Act of 1992 and Sections 76.64(f) and (h) of the Rules of the Federal Communications Commission, we hereby elect **retransmission consent status** for carriage of the NBCUniversal Owned Television Stations identified on the attached list (“NBCUniversal Owned Stations”) for the period January 1, 2018, through December 31, 2020, by the Comcast Cable systems located in each Designated Market Area (“DMA”) to which an NBCUniversal Owned Station is assigned. A list of all NBCUniversal Owned Stations is attached as Attachment A. For the avoidance of doubt, the NBCUniversal Owned Stations have elected retransmission consent in all of Comcast Cable’s systems serving communities located in the DMAs in which the NBC Owned Stations operate.

This election shall not amend or in any way affect any retransmission consent or other agreements that may be in place between any of the NBCUniversal Owned Stations and Comcast Cable, which grant rights and set out obligations relating to retransmission of any of the Stations’ signals to Comcast Cable’s subscribers. Please communicate with me directly if you have any questions or wish to discuss the election letters.

Sincerely,

A handwritten signature in black ink that reads "Valari D. Staab".

Valari D. Staab
President, NBC Owned Television Stations
