WCOV-TV Fox 20 has completed the following recruitment initiatives during the period of November 30, 2012 to November 30, 2013:

Internship Program

- WCOV participates in a student internship program.

Training

- WCOV sales staff receives regularly scheduled training on a variety of topics for professional development.
- WCOV team leaders receive weekly training this period provided by the General Manager. Topics include leadership definition, team building, team dynamics, vision, professional responsibility, and other similar topics. There is also a reading program for professional development as part of this weekly training. This is supplemented by outside education programs.

Job Fairs

- WCOV staff participated in job fairs this period including at Alabama State University and the Maxwell-Gunter Employment Expo.

Other Broadcasting Information Dissemination Activities

- WCOV has equipped a section of our building with “antique” equipment such as old cameras, reel-to-reel and editing equipment and other memorabilia and maintains it as a Broadcast Museum. This is used to provide education about the history of television to station guests. Guided station tours are available to local groups.
- WCOV staff attended educational career days to discuss their television careers.
- Our website also includes information during this period about the station’s technical equipment and the history of the station. This program is designed to promote interest in and knowledge of the television industry and broadcasting.
