ISSUES AND PROGRAMS REPORT

FOR

FOURTH QUARTER 2016

October 1st through December 31st, 2016

WWJ NEWSRADIO 950
ISSUES OF CONCERNS TO METRO DETROITERS
ADDRESSED IN RESPONSIVE PROGRAMMING IN THE
FOURTH QUARTER 2016
October 1st through December 31st, 2016

1. Public Safety/Law Enforcement

Crime. Police staffing and training. Private security firms. Initiatives against crime. Courts. Prison facilities.

2. Education

Public schools and school reform. Private education. Colleges and University enrollment and development. Technology in the classroom. Job training. Continuing education for adults. School safety.

3. Environment/Energy:

Land Use. Pollution. Preserving open space and recreational areas. Status of the Great Lakes. Alternative Energy sources. Energy efficiency. Sustainability.

4. Health and Medicine:

Personal health and fitness. Child health. Medical facilities. Insurance, affordability and access issues. Costs of prescription drugs. Development and adoption of new life-saving techniques. Victim support. Alcohol and substance abuse.

5. Leadership/Politics/Elections:

Political leadership. Corporate leadership. Corporate citizenship. Energizing voters. Public participation in the electoral process. Local government. Effective government. Developing future leaders.

6. Homeland Security:

Emergency preparedness. Security measures. Protection against terrorist attack. Border security. Foreign nationals. Immigration. Government funding.

7. Labor/Workforce:

Union negotiations. Corporate and labor relations. Worker training. Layoffs. Worker preparation. Jobs and job creation. Worker benefits. Retirees.

8. Race Relations:

Racism. Civil Rights. Discrimination. Equal access. Racial profiling. Neighborhood segregation.

9. Regional Revitalization:

Taxes, infrastructure, support for business start-ups and company attraction. Sports facilities. Affordable housing. Commercial development. Attracting people downtown. Economic climate.

10. Transportation/Logistics:

Road construction. Traffic. Airport development. Light rail. Mass transit. New technologies for cars.

PUBLIC AFFAIRS PROGRAMS
WWJ NEWSRADIO 950
PROGRAMS THAT ADDRESS COMMUNITY ISSUES

Staying in Touch

Airs Saturday at 6:23am, 9:43am, 11:23am, 12:53pm, 9:53pm. Each report runs one minute. Ron Dewey highlights special events going on in the Southeast Michigan region. (see topics attached)

Heroes of Diversity

Airs the third Monday of each month at 9:52am, 2:52pm and 8:52pm. Tom Jordan profiles people who are serving as a catalyst for change to advance equity and opportunity for all. This program is in conjunction with the Michigan Roundtable for Diversity and Inclusion. (see topics attached)

Your Eye on Health

Airs Monday-Friday at 1:22am, 3:40am, 1:53pm, 6:53pm, Dr. Deanna Lites reports on all things health including the latest breakthroughs in research as well as advice on living a healthy lifestyle. (see topics attached)

Made in Michigan

Airs Wednesdays at 9:52am, 2:52 pm, 8:52pm and Saturday at 4:52am, 9:52am 4:53pm. One minute in length. Sandra McNeill profiles companies who make products people can buy while trying to emphasize the jobs and business success each company has. (see topics attached)

What's Hot Around Town

Airs Thursday and Friday 10:23am, 2:23pm, 4:53pm, 7:53pm, 10:43pm, Saturday at 8:23am, 10:23am, 12:23pm, 3:23pm. Each report runs one minute. Roberta Jasina highlights a fun or unique event taking place in Southeast Michigan, with a special focus on Arts and Cultural Organizations.

Making the Grade

Airs Tuesdays and Thursdays at 9:53am, 2:53pm, 8:53pm and Sunday at 9:52am, 1:52pm, 4:52pm, 10:21pm. Each report runs one minute. Greg Bowman highlights innovations, achievements and interesting stories from the classroom, featuring students, teachers and administrators.

Education Today

Airs Monday-Friday at 9:23am, 12:22pm, 5:54pm, 9:52pm, 3:22am, Laura Bonnell provides educational tips to help children and parents improve reading, writing, math, and other skills.

Automotive Insight

Airs Monday-Friday at 5:53am, 6:53am, 7:53am, 11:53am. Each report runs one minute. John McElroy provides two unique insights daily into the business of making cars, and designing the cars of the future.

Car Chronicles

Airs Monday-Friday 12:53pm, 3:53pm, 5:53pm, 6:53 pm. Each report runs one minute. Jeff Gilbert highlights people and lesser-known stories from the automotive business, as well as critiquing new products as they come out from the manufacturers. (see topics attached)

The Feldman Report

Airs Monday-Friday 8:53am, 10:53am, 3:23pm, 6:23pm, 9:53pm. Each report runs one minute. Murray Feldman provides insights for small business, discusses the general business climate, and highlights business leaders. He also provides advice for consumers.

PUBLIC SAFETY/LAW ENFORCEMENT ISSUES

10/3/16

5:32pm

Jason Scott reporting

Judges Threatened

Threatening to sever the heads of two Macomb County Circuit Court judges ... that's what a Sterling Heights man is accused of doing via email. Macomb County Sheriff's Lt. John Michalke says the email was sent using a mobile device to a Royal Oak attorney. 30-year old Mohammad Alsheleh is charged with making a false report of terrorism and using a computer to commit a crime -- both 20-year felonies. The two judges named in the threatening email presided over Alsheleh's child custody cases.

10/4/16

9:06am

Ron Dewey reporting

Crackdown on M-59

Authorities in Macomb County are planning to put extra patrols out on M-59 in hopes of cutting down on accidents. Police from Shelby Township, Utica, Sterling Heights, Clinton Township, the Macomb County Sheriff's Department and State Police will kick off the M-59, Hall Road, Enforcement Initiative at 11 o'clock today. Police say drivers should slow down and avoid distractions--noting that bad weather and holiday traffic lead to more hazardous driving.

10/7/16

11:06pm

Tawana Holly reporting

Detroit Man Missing in St. Clair County

The St. Clair County Sheriff's Office asking for help locating a missing man. Police say 29-year-old Timothy Hord, from Detroit, was last seen Wednesday at Peter's Brothers Farm in Riley Township. Deputies were called out about a stolen truck -- when they arrived, they found another truck left in its place... it was registered to Hord. The man's family says he's been acting erratically -- and may be suffering from paranoia.

10/17/16

6:04pm

Brian Larsen reporting

Drunk Driving Suspect in Court.

A Roseville motorcyclist accused of being drunk when he ran over a teenager playing the smartphone game "Pokemon Go" has appeared in court. Roseville police say 24-year-old Cody Soucie is charged with operating while intoxicated causing death. A not guilty plea was entered on his behalf. Police say the 14-year-old went onto the road about 9:30 on Friday night -- while trying to "capture a Pokemon" and was hit by the motorcycle while returning to the sidewalk. Police say Soucie had a blood-alcohol content TWICE the legal limit.

10/23/16

12:03pm

Lauren Barthold reporting

Men Missing in Lake St. Clair.

The Macomb County Sheriff's Office is searching for two men missing in Lake St. Clair. The 59-year-old father and 24-year-old son haven't been seen since they left their house in Jackson County early Saturday to go duck hunting. Police say the pair was expected back home sometime last night. This morning, their pickup truck and boat trailer were spotted at the Lake St. Clair Metro Park Boat Launch in Harrison Township.

10/27/16

5:33pm

Heroin Overdoses

Heroin overdoses are on the rise. In Warren, police say the driver of a car that crashed into a semi-truck and a pole at 10 Mile and Mound had O-D'ed. He was revived after receiving a dose of the life-saving drug NARCAN. Police believe a man found dead in a vacant this morning had overdosed on heroin. And Michigan State Police administered FOUR doses of Narcan to a 53-year-old man who was found slumped over his bicycle in Detroit yesterday.

11/4/16

6:31am

Dave Ramos reporting

Road Rage Incident in Oakland County

An incident of apparent road rage leaves a driver in critical condition following what police say was a wild drive on Telegraph Road yesterday. The Oakland County Sheriff's Department says a 52-year old woman pulled out a baseball bat and waved it at a 44-year old woman in a parking lot following an in-car argument on Telegraph near Elizabeth Lake Road Thursday afternoon. The younger woman then ran over the 52-year old and took off-- police caught up with her, she's jailed now pending charges-- the 52-year old woman is hospitalized in critical condition.

11/7/16

10:32am

Scott Ryan reporting

Detroit Officer Funeral

A final goodbye today for Detroit police officer Myron Jarrett. His funeral will be at noon at Second Ebenezer Church at Dequindre and McNichols in Detroit. Steven Guzina of Lincoln Park is charged with second-degree murder in connection with the hit-and-run crash that killed Jarrett in late October. Burial will be at Woodlawn Cemetery. Governor Snyder has ordered flags lowered to half-staff today in Jarrett's memory.

11/13/16

4:30pm

Erin Vee reporting

Girl Shot to Death in Ypsilanti Twp.

A shooting this afternoon in Ypsilanti Township has killed a 3-year old boy. Police were called about 1:20 p.m. to the Country Meadow Apartments for the shooting. A Washtenaw County Sheriff says the incident is under investigation, but it is possibly an accident. Police believe another child was playing with a gun when it went off, fatally striking the 3-year-old boy. The toddler was pronounced dead at the scene.

11/17/16

8:12am

Scott Ryan reporting

Meth Lab Rolling in Washtenaw County

Authorities in Washtenaw County say that three men were operating a meth lab on wheels. Sheriff's deputies stopped a vehicle Monday in York Township--after tracing the vehicle to someone with a warrant out for their arrest. During the traffic stop, they drove off and tossed a backpack out of the vehicle--eventually crashing in a ditch. Two men were arrested. The driver, a 45-year old Saline man, escaped and is still on the run. Police say the backpack contained a mini-meth lab.

11/23/16

10:04am

Charlie Langton Reporting

Wayne State University officer shot

Hearts are heavy this morning, as Wayne State Police Officer Collin Rose remains on life support after being shot in the head last night. During a news conference this morning, Wayne State Police Chief Tony Holt spoke about the tragedy, as did WSU President M-Roy Wilson.

11/23/16

4:06pm

Brian Larsen reporting

Extra Police Patrols

Novi and other local police departments are adding extra patrols tonight to watch out for suspected drunk drivers. Many bars and restaurants are expected to be crowded due to college students coming home and having a long holiday weekend. Some bar owners plan to double the amount of beer they usually serve on a Wednesday night.

12/8/16

Various

Jon Hewett reporting

Pileup on I-96

Michigan State Police still have both sides of I-96 closed near Fowlerville in Livingston County. A pileup in the area involves 30-to-40 cars and semis. MSP First Lt. Michael Shaw says there were whiteout conditions and black ice on the freeway at the time of the pileup.

12/17/16

9:03pm

Jason Scott reporting

Police Search for Robbery Suspects

The search is on for two men suspected in a shooting and the armed robbery of a jewelry store in Oakland County. At about 4 o'clock this afternoon, the clerk at Clarkston Jewelry Outlet -- along Dixie Highway, was shot. A trio of men then robbed the business. The Oakland County Sheriff's Office says one man was quickly arrested, but two other males fled the scene. It's believed the suspects took-off in a light gray Jeep, which they stole from a nearby neighborhood. The injured clerk is expected to OK.

12/23/16

Various

Laura Bonnell

Farmington Hills woman missing

New developments today in the case of Danielle Stislicki -- the Farmington Hills woman who went missing three weeks ago. A home in Berkley was searched by Farmington Hills detectives. In a statement Farmington Hills police admitted the Oakland County's Sheriff Office Crime lab was at a home Berkley. Residents in the area say they saw a lot of police activity.

EDUCATION ISSUES

10/6/16

10:07am

Scott Ryan reporting

Education Secretary Stopping in Michigan

Education secretary John King Jr. will visit Michigan on Friday. He'll make a stop at Proper Tooling in Warren to discuss the importance of introducing students to manufacturing careers. Friday is also Manufacturing Day, which recognizes modern manufacturing each year. King will also take part in a discussion in Flint, where he will also get an update on what schools are doing to address the fallout of that city's lead-tainted water crisis.

10/7/16

6:07pm

Jon Hewett reporting

Education Secretary Tours Businesses with Students

The U.S. Secretary of Education paid a visit to Metro Detroit FRIDAY -- stopping by a Macomb County manufacturing business on "Manufacturing Day". John King Jr. says part of the reason for his trip is to expose young adults to consider a possible career in the "trades". King toured Proper Tooling International in Warren, a manufacturing company that provides students with hands-on training... with the help of Macomb Community College.

10/7/16

9:33pm

Tawana Holly reporting

Charter School Labor Settlement

A charter school operator in the Detroit area has agreed to settle an unfair labor complaint by paying \$106-thousand to 7 of 8 teachers who were fired. The settlement closes a complaint at the National Labor Relations Board against Hamadeh Educational Services, which runs 4 schools. The 8 teachers worked at Universal Academy in Detroit. They were not members of a union, but they acted together to speak out about conditions at the school during the 2015-16 year. The settlement document says Hamadeh will post a notice that says teachers won't be disciplined for exercising their rights.

8:13pm

Vickie Thomas reporting

Detroit Schools Enrollment

Officials in the Detroit Public Schools Community District say enrollment has stabilized for the fourth consecutive year. Interim superintendent Alycia Meriweather says innovative new programs are part of the reason for the good enrollment news. Enrollment stands at around 45-thousand 300 students. The district's goal is 45-thousand-500

10/27/16

8:33pm

Stephanie Davis Reporting

Improving Detroit Schools

Detroit Public School Community District Superintendent Alicia Meriweather says if she and her team are allowed to implement their plan, you will see a big difference 5 years from now. Meriweather made the comments at a forum on Education Success, tonight, put on by Wayne State's College of Education. Featured speaker, Dr. David Kirp, public policy professor at U-C Berkeley says -- stable leadership is a key factor in success in urban schools.

11/4/16

9:06am

Scott Ryan reporting

School District Cuts Deficit

New Haven Community Schools, once facing a more than 600-thousand-dollar deficit, has whittled that total down to just 65-thousand dollars. Superintendent Todd Robinson tells the Macomb Daily that they've cut as much as they can--and he's hopeful the district will be out of the red next year. Once that happens, the district will resume reporting to the state education department, instead of the state treasury department--which they're currently doing.

11/8/16

10:33am

Laura Bonnell reporting

Turning Around DPS

Officials have begun laying out a plan to put Detroit schools that are being run by a turnaround entity back into the city's traditional district. The Education Achievement Authority, which Gov. Rick Snyder launched after he took office, is dissolving after the current academic year. The Detroit school district's emergency manager, Steven Rhodes, and interim superintendent Alycia Meriweather announced some details of the previously expected reunification yesterday.

11/9/16

10:33pm

Jim Matthews reporting

Voters Approve Millage Proposal

The second time was the charm for a millage proposal for Wayne County RESA that will generate funding for the county's school districts. Voters narrowly approved the ballot asking, with Superintendent Randy Liepa saying with the state controlling education funding, the millage is the only way to get additional dollars. The six-year millage is expected to generate \$80-million in its first year.

11/15/16

3:33pm

Zahra Huber reporting

Teacher Under Investigation for Assignment

A teacher in the Monroe County School district is placed on administrative leave as school officials investigate a controversial assignment. A Facebook post shows that the high school teacher assigned students homework involving a Top 10 list by David Letterman. The "Top Ten Talents of Contestants in the Miss Iraq Pageant," includes things such as blowing self-up in a car in the parking lot and withstanding the kick of a donkey. Superintendent Barry Martin wouldn't confirm the allegations -- but says they did take action.

11/15/16

5:32pm

Stephanie Davis reporting

State Education Department Warning

The Michigan Department of Education has sent a letter to all public schools saying bullying and intimidation is unacceptable and will have consequences. State Superintendent Brian Whiston says they've had a number of incidents of student harassment, bullying and hateful speech since the election.

11/16/16

7:34am

Ron Dewey reporting

Mercury Spill in School

Fowlerville High School is closed for a second day today because of a mercury spill. The District's superintendent says a teaspoon of mercury--possibly from an older thermostat or mercury switch--was brought into the school and somehow spilled. Environmental cleanup crews contained the spill to one classroom, but the district is awaiting air quality test results before giving the all-clear.

12/1/16

11:04am

Beth Fisher reporting

A Plan to Improve Schools

Michigan's State School superintendent, Brian Whiston, plans on Michigan being a top ten school in ten years. To do that, he says they will partner with school districts that aren't doing so well. Whiston, speaking for the House Education Committee, says they will also put data in teachers' hands, give parents information, and have students take ownership of where they're performing and where they need to be.

12/12/16

9:33pm

Jason Scott

Superintendent of the Year

A surprise presentation today at Bloomfield Hills High School for Dr. Rob Glass, the school district's superintendent. The Michigan Association of School Administrators have named Dr. Glass the 2017 Michigan Superintendent of the Year. Dr. Glass will now be considered for the National Superintendent of the Year award -- which will be announced in March.

12/16/16

3:31pm

Jon Hewett reporting

Court Ruling on Guns in Schools

The Michigan appeals court is out with a ruling that says public schools DO have the power to ban guns on school property. The 3-0 opinion focused on challenges brought by gun owners in both the Ann Arbor and Clio school districts. At the crux of the argument, are public schools a local unit of government -- because state law prohibits local governments from regulating gun possession. But the court said there are differences when it comes to local schools... which is the decision Clio Superintendent Fletcher Spears was hoping for.

12/27/16

2:05pm

Greg Bowman reporting

Schools Need Subs

Schools in Michigan are struggling to cope when teachers are absent because of an increasing shortage of substitute teachers in the state. Macomb Intermediate School District chief academic officer Judy Pritchett says the shortage is "a symptom of a much bigger problem" and that it reflects a decline in the number of people pursuing teaching as a full-time career. Wayne-Westland district Superintendent Michele Harmala says the state must look at why students aren't going into education.

The Future of Autonomous Vehicles

Autonomous vehicles ... realistically, we're ten-to-fifteen years from the average consumer purchasing and using them -- that's according to Jeff Owens with Delphi. To become reality, Owens says three-things are needed for autonomous vehicles -- a regulatory environment, a legal frame work, and an affordable price ... all of which are in motion.

10/11/16

1:06pm

Laura Bonnell reporting

New Water Diversion Project Complete

Officials in Oakland County are cutting the ribbon this hour for the Perry Street Diversion Project. According to Oakland County Water Resources Commissioner Jim Nash, the system will help relieve capacity issues for the Clinton-Oakland communities, will save money, and increase flow into the Clinton River. Nash calls it a triple win for the systems, the 13 communities in the Clinton-Oakland Sewage Disposal System and the environment.

10/12/16

12:11pm

Terri Lee reporting

Automakers Collaborate on New Technologies

Toyota and Japanese rival Suzuki are teaming up. The automakers say they'll study areas they can work together in developing technology for the environment, safety and information networking. They say such areas are likely to benefit from a partnership since the industry is changing rapidly in those areas. Toyota President Akio Toyoda says survival depends on such collaborations, and it's not enough for a company to be doing just its own research.

11/2/16

12:03pm

Sandra McNeill reporting

Air Quality Concerns in Dearborn

There's a warning going out this afternoon from the Michigan Department of Environmental Quality about the air on the Dearborn Detroit border. Officials at the MDEQ's district office in Detroit say the reading is coming from a monitor at Salinas Elementary School at Wyoming Road and Dix. and it shows the air as unhealthy. The high reading is for dust particles. The MDEQ recommends that people with heart or lung disease, older adults, and children should avoid prolonged or heavy exertion.

Clothes Hazardous to Your Health?

When you get dressed you probably never think that what you're putting on might be hazardous to your health. Maybe you should. Many women wear shape-wear under their clothes. But beware. Those garments put pressure on your abdomen squeezing the internal organs which can lead to stomach pain, even heartburn. Doctor Neha Vyas of Cleveland Clinic says another potential problem...your brand men aren't off the hook either. Doctor Vyas says neck ties that are tied too tight can cause pain and difficulty swallowing.

Tim Skubick Reporting

New Road Funding Plan

The state could be re-calculating how it doles out dollars for road repairs. M-DOT is circulating a plan that calls for moving to a formula that relies less on an area's population and road ownership--and more on miles of road. Analysts say this plan won't sit well with people--and lawmakers--from heavily populated areas.

Brian Larsen reporting

UM Receives Money for Driverless Research

The University of Michigan is set to receive 27 million dollars from a Chinese investment firm to aid in the institution's driverless vehicle and robotics research. The funding will establish a joint research center at the university and assist the construction of a previously announced robotics laboratory and garage. Officials say they expect the investments to be made over five years, but a starting time hasn't been finalized.

11/21/16

Various

Jeff Gilbert

Center for Auto Mobility Groundbreaking

Developers have broken ground on what is billed as a world-class testing facility in Michigan for driverless vehicles. Governor Snyder and other officials attended a groundbreaking for the American Center for Mobility in Ypsilanti Township. The facility will be located at the site of a former General Motors plant. It's also where B-24 bombers were made during World War II. The center plans to open in December 2017.

11/4/16

Chrystal Knight

New Equipment for Road Crews

Winter training started today in Southfield for The Road Commission for Oakland County. New this year, a 250-thousand-dollar swap loader, which enables them to switch uses for the truck in 30 seconds, instead of the four hours it used to take. But when it comes to staffing, commission spokesperson Craig Bryson says they spend about 12 million dollars a year on road maintenance, which includes 4-point-4 million to maintain state highways for MDOT.

11/7/16

7:05am

Ron Dewey Reporting

New Road Construction on US 23

A new road project begins today to ease congestion between Ann Arbor and Pinckney. MDOT's Kari Arend tells WWJ they will install a "flex" system, that uses the median shoulder on US 23 as a spare lane in the event of a crash or extra-heavy traffic that can create miles-long backups on that stretch. Work along US-23 between M-14 and M-36 will include the repair and replacement of selected bridges and overpasses...The \$92 million-dollar project begins with overnight lane closures and will continue through 2017.

11/16/16

5:10am

Jim Matthews Reporting

MDOT Open House for Road Project

It's your chance to ask questions and find out more about the I-94 modernization project in Detroit. The project would stretch over nearly 7-miles from just east of the I-94 and I-96 interchange to west of Conner. It includes the expansion and repair of the highway, along with replacement or repair for 67 aging bridges and six railroad overpasses.

12/3/16

5:03pm

Newsroom

I-696 Closure for Bridge Work

An Oakland county construction project putting a damper on some weekend plans. There were major delays today as westbound I-696 was closed between Coolidge Highway and Greenfield Road. The freeway is open now. But eastbound I-696 will be closed tomorrow from 7am until 7pm between Greenfield and Coolidge. Diane Cross with the Michigan Department of Transportation says crews are checking the bridge beams.

12/5/16

5:33am

Ron Dewey Reporting

New, Safer Construction Barrels

Will they be worth the price? MDOT is moving forward with higher-cost, easier-to-see orange barrels that will stand out in bad weather and less daylight. While the brighter barrels cost up to 43 percent more than conventional barrels, MDOT say they will help drivers avoid work zone hazards. At least a third of all work zone crashes and fatalities happen at dawn, dusk or during bad weather. But suppliers are grumbling that the money could go toward fixing roads.

12/5/16

11:06am

Ron Dewey Reporting

I-75 Project to Begin in February

Work will begin in February on rebuilding the decks of the I-75 Rouge River bridge...a two-year, \$170-MILLION-dollar project that will shut down the southbound lanes of the bridge, with commercial and out-of-town traffic being detoured on I-96 to I-275. Northbound traffic will remain on I-75. Even though it will be a 35-mile detour MDOT's Adam Penzenstadler says it made more sense that putting both direction of traffic on the northbound side of the bridge.

12/9/16

1:05pm

Laura Bonnell reporting

Driverless Shuttle in Ann Arbor

The first driverless shuttle has arrived in Michigan. It's making the rounds at M-City in Ann Arbor. Carrie Morton at the Mobility Transformation Center says it is a 15-seat shuttle with a quarter-million-dollar price tag, can run for about ten hours after being charged for five or six hours. NAVYA is the company building the shuttles in France.

12/12/16

Various

Ron Dewey

Green Lights for Snow Trucks

Green may mean "go" but it also means "slow." Snow plows with MDOT and a number of county road commission are now using flashing green or amber lights on the back to get drivers' attention and slow down. The idea is to reduce crashes with snow plows during big snowstorms like the one on Sunday. In the Grand Rapids area, Kent County has been using flashing green lights on the back of their snow plows the past two winters, with no rear-end crashes.

12/15/16

9:32am

Dave Ramos

Road Work Project Wraps Up

The first phase of segment one on the project to modernize I-75 in Oakland County will be completed on schedule, according to the Michigan Department of Transportation. Crews will have all lanes in both directions open, along with all ramps and bridges

WWJ Community Outreach Events

10/15/16

Michigan Money Summit

From 8:30 - 11:30am, WWJ's Murray Feldman hosted the Michigan Money Summit at the VisTaTech Center at Schoolcraft College. Discussions focused on college debt, protecting seniors and their money – and the economy and investments.

10/20/16

Leaders and Innovators: Women Leaders.

Top women leaders, including Dr. Lisa Newman from Henry Ford Health System and Sommer Woods from M-1 Rail, talked about their triumphs, challenges and pitfalls. What qualities and abilities do successful businesswomen bring to the workplace that can help you advance your career path?

Heroes of Diversity

OCTOBER 2016:

He's a young man, but Ibrahim Hamza who attends the Islamic Cultural Institute also likes to play basketball in St. Clair Shores with others, who don't necessarily share his faith. Hamza is this month's Hero of the Month.

NOVEMBER 2016:

The Canton Library, not your typical no-talking zone. Director Eva Davis oversees one of the most diverse and robust public spaces for inclusive dialogue.

DECEMBER 2016:

It started 14 years ago as a group opposed to the Iraq War. Pointes for Peace has since grown into an inclusive organization, pushing for peace around the world, and here at home. Carol Bendure is the Co-Founder of Pointes for Peace. Her goal for 2017? More peace and understanding.

Your Eye On Health

10/3/16

Bullying. A local organization to combat bullying.

10/4/16

Yoga. How yoga can help people being treated for a medical illness.

10/5/16

Nutrition advice. A local grocery store has nutrition experts available to answer your questions.

10/6/16

Inclusively Fit. A gym for children and adults with special needs.

10/7/16

Cancer clothes. A local company working to make women look fashionable while going through cancer treatment.

10/10/16

Migraine headaches. Testing is underway on a drug to prevent migraines.

10/11/16

Laser acupuncture. The treatment is helping some women get pregnant.

10/12/16

Pumpkin spice. The health benefits of pumpkin.

10/13/16

Breast cancer. Separating fact from fiction when it comes to breast cancer.

10/14/16

Fitness trackers. If you're counting on your wrist-worn fitness device to give accurate readings on heart rate – think again.

10/17/16

Mealtime meltdowns. A study on why some kids are picky eaters.

10/18/16

Pay to play. A report on why some kids are not involved in after school activities.

10/19/16

The W.E.L.L. Program. A program for women at risk for heart disease.

10/20/16

Sleep. The connection between sleep and fertility.

10/21/16

Fitness. A gym for children and adults with special needs.

10/24/16

Hair growth. An injection is helping those with hair loss.

10/25/16

SIDS. New guidelines to prevent sudden infant death syndrome.

10/26/16

Chronic pain. Laser therapy is helping people with some health conditions become pain free.

10/27/16

61 Day Challenge. The DMC wants to help you avoid holiday weight gain.

10/28/16

Shingles. What you need to know about shingles.

10/31/16

Male birth control. A male birth control shot could be available in the near future.

11/1/16

Peppers. How do you know if a pepper is too hot?

11/2/16

Movember. Raising awareness for men's health.

11/3/16

Sleep. Getting too little sleep can make you fat.

11/4/16

Hair Loss. An injection is helping people with hair loss.

11/7/16

Sleep. Tips to help you sleep.

11/8/16

Fungus nails. A laser is helping patients get rid of fungus nails.

11/9/16

Night driving. Advice for those who have trouble driving at night.

11/10/16

Diabetes. A new FDA approved device is helping some with type 1 diabetes.

11/11/16

SAD. Help for those with seasonal affective disorder.

11/14/16

Diabetes. Advice to avoid getting a diabetic foot ulcer.

11/15/16

Arthritis medicine. A new study on a popular prescription arthritis drug and its effect on the heart.

11/16/16

Migraine headaches. A local doctor is studying a breakthrough treatment for migraines.

11/17/16

Diabetes and stress. How stress plays a role in developing type 2 diabetes.

11/18/16

Medication. Taking too much of a common ingredient in medication can lead to health problems.

11/21/16

Smoking. Advice on kicking the habit.

11/22/16

Overeating. What happens to our body when we eat too much at Thanksgiving?

11/23/16

Thanksgiving. How to deal with a difficult family member at Thanksgiving.

11/24/16

Thanksgiving Day. How to avoid home accidents.

11/25/16

Medication. How some ingredients can lead to health problems.

11/28/16

Holiday parties. How not to overindulge this holiday season.

11/29/16

Hair growth. Grow hair with the help of an injection.

11/30/16

Holiday giving. Why donating to your favorite charity can be good for your health.

12/1/16

Lazy eye. Computer games are helping to treat lazy eye.

12/2/16

Addiction. Expert advice on recognizing and treating a gambling addiction.

12/5/16

Cookie dough. Why it's best not to snack on raw cookie dough while baking.

12/6/16

Compulsive shopping. A problem that affects millions of Americans.

12/7/16

Hand washing. A simple way to get rid of germs.

12/8/16

Fertility. Your sleep pattern may affect your fertility.

12/9/16

E-cigs. A report on e-cigs and the youth in America.

12/12/16

Stress. How to avoid travel stress.

12/13/16

Cooling cap. A device that may help prevent hair loss in cancer patients.

12/14/16

Goal setting. Expert advice on reaching your goals.

12/15/16

Meditation. How meditation can help relieve back pain.

12/16/16

Cold weather. The freezing temperatures can be dangerous to your health.

12/19/16

E-cigs. The surgeon general's report on e-cigs.

12/20/16

Santa's health. Santa may want to make some changes to his health.

12/21/16

Medals4Mettle. An organization that brings runners and sick children together.

12/22/16

Weight loss. Simple things you can do to help you lose weight.

12/23/16

Shopping. Are you a compulsive shopper?

12/26/16

Hair loss. A new device may help prevent hair loss during cancer treatment.

12/27/16

Children's charity. Attention runners! A charity is looking for your race medals.

12/28/16

Yoga. Why yoga is good for your health.

12/29/16

Food trends. What you might be eating in 2017.

12/30/16

Broken heart syndrome. What is it and who is most effected.

MADE IN MICHIGAN

10/5/16

Love's Pies

Detroit couple close their ice cream shop and start new business making and selling their custard pies.

10/12/16

Detroit Grooming Company

After 3 years, men's grooming company grows to a worldwide business selling over 200 products to barber shops as far away as Russia.

10/19/16

Safie Specialty Foods

90-year-old family businesses makes and sells over a dozen varieties of pickles and other related products made in a factory in Macomb County.

10/26/16

Evie's Tamales

Tamale company grows from woman's kitchen in southwest Detroit to an expanding business selling tamales and homemade salsa at farmer's markets in the city and suburbs.

11/2/16

Bandhu Gardens

Immigrant Bangladeshi women in Hamtramck sell vegetables grown in their backyards to local restaurants.

11/9/16

Detroit Audio Labs

Former business consultant and retired engineer makes audio equipment out of reclaimed wood from abandoned homes in Detroit. Components made in Ann Arbor.

11/16/16

Me'Shea Bath and Body

Grosse Pointe Park woman uses bottles reclaimed from the streets to bottle and inspire her shower gels, lotions and more in scents like Cubans and Cognac.

11/23/16

Michigan Christmas Gifts

Detroit Popcorn Company, Better Made Chips, and Detroit City FC soccer tickets highlight locally made gift ideas for the holidays.

11/30/16

Michigan Christmas Gifts

Chocolate Fudge Bumpy Cake Double Brown Ale from Old Nation Brewing and handbags from Auburn Hills-based K Carroll Accessories are highlighted in this Made In Michigan Christmas idea list.

12/7/16

Michigan Christmas Gifts

Merry Market at Detroit Mercantile has locally made Holiday gifts from 3D psychedelic art and jackets to handcrafted porcelain and screen prints.

12/14/16

Michigan Christmas Gifts

Sisters make Wings for My Sister necklaces out of hammered-out spoons in honor of young woman who died of a heroin overdose.

12/21/16

Merit Goodness Company

Pop up store at 12 Oaks Mall in Novi sells shirts, hoodies and accessories with a portion of the proceeds going toward college fund for a group of students at Detroit's Jalen Rose Academy.

12/28/16

Williams Cheese Company

Linwood, Michigan company has been selling cheese made in Linwood factory since 1945 with off-beat flavors like Green Onion Ranch cheddar.

STAYING IN TOUCH

10/4/16

Matt Schoenner, Director of Bands at Henry Ford II High School in the Utica Community Schools. Music and Arts Education. Four high schools in the district band together to produce "Bandarama," a fundraiser for scholarships to allow students to attend music camps and receive lessons.

10/6/16

Bob Kittle, Munetrix, based in Auburn Hills, a company that analyzes data for states, local governments and school districts nationwide. Student Count Day. Says per pupil funding has increased slightly in the last few years, but is still below what it was at the peak in 2011. Kittle says districts are seeing enrollment decline because families are having fewer kids and charters and virtual schools are taking students away from traditional schools.

10/13/16

Tiffany Sweet, Director of Youth and Community Development for Zeal Credit Union. They are sponsoring a competition, searching for the Hardest Working Teacher in Southeast Michigan. Winning teacher receives 500 dollars, plus 500 for their classroom and a pizza party.

10/18/16

Students Isha Golsaker, Ethan Lozrado, Chantan Maheswari from Key to Finesse. A speaking competition organized by local students to raise money to help save the lives of premature babies.

10/20/16

Emily Crissman, Detroit Campus Director for the Iron Yard, the largest code school in the U.S. Stacy Merrick is Communications Director for the Iron Yard, which can train students in as little as 12 weeks for a job in the tech field. The school is working with the White House to provide scholarships to help improve diversity in the hi tech field.

10/25/16

Bethany McKenzie, a culinary arts student at Baker College in Port Huron. She has just been named Southeast Michigan's Student Chef of the Year. It's the third straight year Baker College has claimed that honor.

10/27/16

Angela Rogensue, Director of Playworks Michigan, which uses play as a tool to make sure kids are healthy and successful. This year, the group will serve 14 thousand children. By 2020, Playworks hopes to serve 60 thousand kids in 129 schools. She says schools with Playworks have reduced bullying and increased physical activity.

11/1/16

Gabe Gibbs, who stars in "Book of Mormon," on stage at Detroit's Fisher Theater. He attended Rochester High School. Gibbs says he received good stage and theater training at the school.

11/3/16

Certified Athletic Training Megan Hanahan at Utica Stevenson High School, which has just been named a MI Heart Safe School, meaning they can handle any cardiac emergencies. About 300 children die annually from cardiac emergencies due to certain conditions. Associate Principal Tim Youngblood says the designation also means the staff has been properly trained in the use of defibrillators.

11/8/16

Avondale High School Senior Rhea Gupta, who attended Girls State at Michigan State University, where students formed their own mock government. Gupta wishes real politics was more like Girls State, where the focus is on issues and policies, and not personal issues.

11/17/16

Lilly Eskelsen Garcia. President National Education Association. Says solution to making sure kids are learning and succeeding is not in standardized testing or one national solution. But bringing community, parents, teachers together to discuss what works and what is best for their school district.

11/22/16

Wayne State University Professor Sally Roberts, Faculty Advisor for "Go Girl." The program chooses 60 7th grade girls and involves them an intensive program to get them to pursue the STEM fields of Science, Technology, Engineering and Math.

11/29/16

Robin Lott. Michigan Education Savings Program. Says Michigan's College Savings Program has been ranked as tops in the nation, according to the website "Saving for College.com. And the prepaid program Michigan Education Trust now has a pay as you program.

12/1/16

Chrissy Komerska. Special Education Teacher at Pinewood Elementary in the Warren Woods School District. She was named teacher of the month by the Michigan-based "Better Made" snack foods company. Komerska was nominated by one of her third grade students.

12/6/16

Anne Pattie, Principal of Charlotte Mason School in Detroit. She says their philosophy is to educate the whole child, and not just academics. The school has also just started a campaign to raise 500 thousand dollars for the school, since most students are low-income and cannot afford to pay full tuition.

12/8/16

Lisa Martin of Berkley, who is just graduating from Wayne State University with a degree in nursing at the age of 52. Martin wants to show her son and others that it's never too late to go back to school and pursue your dreams.

12/15/16

Arlyce Sieber, Director of Cranbrook Schools, one of Metro Detroit's most prestigious private schools. Cranbrook is teaming up with the Edgerton Center at MIT to form a collaboration. She says the merger will not just benefit Cranbrook students, but also other students who visit the Cranbrook Art or History Museums.

12/20/16

Garret Frost, a seventh grader whose part of the Cyber Wizards Robotics team, made up of students from Hillside and Meads Mill Middle Schools in Northville. The robots help students learn more about STEM, while they are competing against other schools. 7th grader John Cook also worked on a special project developing a light up dog collar so that the animals would not be hit by a car if they run away. Coach and Parent Sharon Kalt says her son Nathan has learned a lot through the project.

12/22/16

Bob Kittle, President of Munetrix, a company that analyzes financial data for school districts and local governments. He says more school districts, like Livonia, are being forced to close schools because of declining enrollments and more competition from charters and other schools.

12/29/16

A Southfield Middle School Marching band got to be part of history. The Marching Jaguars from Levey Middle School had the honor of being the only school from Michigan taking part in the 75th Anniversary of the Pearl Harbor Attack. Amaya Taylor is part of the first middle school band ever to take part in the event in Hawaii. Alexander Gooden says there was a lot of hard work involved in getting ready for their performance. Nadia Paul says she knows how tragic December 7, 1941 was. Band Director Jeffrey Smith went all out preparing the students for the big event.
