Quarterly Programming Report APR MAY JUN 2013

KPCC / KVLA / KUOR									
Quarterly Programming Report APR MAY JUN 2013									
Date	Key	Synopsis	Guest/Reporter	Duration					
4/1/13	LAW	Does execution mean justice for the victims of Aurora? If you're opposed to the death penalty on principal, does the egregiousness of this crime change your view? How would you want to see this trial resolved?	Michael Muskal, Karen Steinhauser,	14:00					
4/1/13	EDU	How should PCC students, faculty, and administrators handle these problems? Is it Rocha's responsibility to maintain a yearly schedule? Will the decision to cancel the winter intersession continue to have serious repercussions?	Mark Rocha, Simon Fraser,	19:00					
4/1/13	SPOR	New York City is set to pass legislation requiring thousands of companies to provide paid sick leave to their employees. Some California cities have passed similar legislation, but many more initiatives here have failed. Why?	Jill Cucullu, Anthony Orona,	14:00					
4/1/13	HEAL	New York City is set to pass legislation requiring thousands of companies to provide paid sick leave to their employees. Some California cities have passed similar legislation, but many more initiatives here have failed. Why?	Ken Margolies, John Kabateck, Sharon Terman,	22:00					
4/1/13	FOR	After a week of saber-rattling, North Korea has stepped up its bellicose rhetoric against South Korea and the United States. This weekend, the country announced that it is in a "state of war" with South Korea, and North Korea's parliament voted to beef up its nuclear weapons arsenal.	David Kang,	10:00					
4/1/13	LIT	How has big data transformed the way we approach and evaluate information? What will its impact be in years to come? Can this kind of analysis be dangerous, or have significant drawbacks? Kenneth Cukier joins Larry to speak about the revolution of big data and how it will affect our lives.	Kenneth Cukier,	16:00					

4/1/2013	ECON	Baseball isn't the only source of rivalry between LA and San Francisco. The two California cities are also competing to have the West Coast's tallest skyscraper.	Edward Lifson	5:49					
4/1/2013	ENT	Fifty years ago today, ABC's "General Hospita" debuted, which means the soap is the longest running daytime drama currently in production. We'll find out how it's managed to maintain its success and what it's like to be on the set.	Barbara Irwin	5:53					
4/1/2013	ECON	We learned last week that unemployment in California fell to 9.6 percent. That's still two points above the national average, but it's the lowest rate seen in the Golden State since 2008. Leading the way in providing new jobs: technology, tourism and construction. Not helping out: Hollywood. Employment in the industry has fallen to the lowest level in more than a decade.	Rebecca Keegan	8:32					
4/1/2013	SPOR	Since it seems L.A.'s baseball teams have cash to burn, should fans count on both winning a lot of games and maybe giving the city it's first ever Freeway World Series?	Mark Saxon	6:26					
4/1/2013	POLI	Facebook CEO Mark Zuckerberg and his former Harvard roommate Joe Green are reportedly forming a new super PAC. The group could raise as much as \$50 million to lobby on issues seen as being key to technology.	Carla Marinucci	5:43					
4/1/2013	SEC	Living in southern California, we often hear about drug cartel activity spilling over from Mexico, but law enforcement officials say that Mexican drug cartels are setting their sights beyond border states.	Michael Tarm	8:00					
4/1/2013	ENV	Last week, a group of climate scientists, insurance experts, real estate developers and city planners met to discuss how to better prepare for the challenges their city may face.	Cynthia McHale	6:50					
4/1/2013	EDU	A new report by ProPublica shows that several schools around the country say they're keeping down tuition costs. But at the same time, more and more fees are popping up on bills --- and those might not be part of the official price tag that prospective students look at.	Marian Wang	9:28					
4/1/2013	LAW	Gerhartsreiter is a con-man who masqueraded as a member of the wealthy Rockefeller clan; It was just one of many identities he's assumed. He now faces murder charges in the 1985 death of a San Marino man.	Mark Seal	7:53					

4/1/2013	RELI	Writer Jeff Chu wanted to know the answer to a pivotal question inspired it the Sunday school song "Jesus Loves Me." As a gay Christian, does Jesus love him?	Jeff Chu	16:01					
4/1/2013	ENV	Loh Life Snow	Loh	2:40					
4/1/2013	SPOR	Opening Day is a showcase of newly renovated Dodger Stadium	Watt	:47					
4/1/2013	SPOR	Dodgers President Stan Kasten calls Opening Day a "national holiday"	CC	:15					
4/1/2013	ART	Loh Life Hawaii	Loh	2:32					
4/1/2013	IMM	Lawmakers are debating eliminating two categories of family-sponsored immigrant visas	Berestein Rojas	2:57					
4/1/2013	POLI	The city of Los Angeles launches a new mobile app	Walton	:26					
4/1/2013	SAC	California may provide interpreters for patients on Medi-Cal	Small	:36					
4/1/2013	HEAL	New state law requires doctors to notify women who have "dense breast tissue" that make scancer harder to spot	CC	:15					
4/1/2013	HEAL	New state law requires doctors to notify women who have "dense breast tissue" that make scancer harder to spot	Russ	:49					
4/1/2013	EDU	A look ahead to the NRA's National School Shield Program report due out Tuesday	Plummer	:51					
4/1/2013	HIST	California commemorates Cesar Chavez	Castaldi	1:57					
4/1/2013	TRAN	405 shutdown tonight in Sepulveda Pass	Moore	:39					
4/1/2013	LAW	Jury selection is set to begin tomorrow in the lawsuit Michal Jackson's mother filed against sports and entertainment giant AEG Live	Bergman	:42					
4/1/2013	ECON	Some student veterans struggle to pass their classes	Lee	4:08					
4/1/2013	LAW	Five family members from the Southland killed in a traffic crash in Nevada	CC	:09					
4/1/2013	ECON	City of Stockton to declare bankruptcy	Detrow	1:16

4/1/2013	EDU	Tensions rise between PCC faculty and administration	CC	:21					

4/1/2013	LAW	San Clemente man pleaded guilty to drug trafficking	Stoltze	1:11				
4/1/2013	LAW	LAPD arrest a suspect in the kidnapping of a 10-year-old girl	Aquilar	1:09				
4/1/2013	LAW	Man pleads guilty to drug trafficking	Stoltze	:53				
4/1/2013	LAW	City of Stockton declares bankruptcy	Adler	:43				
4/1/2013	SPOR	Dodgers owner Stan Kasten on Opening Day	CC	:10				
4/1/2013	SPOR	New restrooms a hit for one Dodger fan	CC	:13				
4/1/2013	SPOR	Dodger owner Stan Kasten on Opening Day	Rabe	3:00				
4/1/2013	POLI	California lawmakers looking at bill this week that will bring language interpretation under Medi-Cal	Bartolone	1:02				
4/1/2013	POLI	California lawmakers looking at bill this week that will bring language interpretation under Medi-Cal	CC	:15				
4/1/2013	LAW	LAPD arrest a suspect in the kidnapping of a 10-year-old girl	CC	:05				
4/1/2013	SPOR	Opening Day at Dodger Stadium	Rabe	1:16				
4/1/2013	LAW	Stockton becomes largest city in the US to declare bankruptcy	DeBord	4:17				
4/1/2013	EDU	PCC says professor put on leave not related to tensions with administration	Guzman	1:44				
4/1/2013	LAW	Judge rules law speeding up review of development projects unconstitutional	Peterson	:51				
4/1/2013	LAW	City of Stockton declares bankruptcy	CC	:10				
4/1/2013	LAW	LAPD arrest a suspect in the kidnapping of a 10-year-old girl, not primary suspect	Aquilar	2:58				
4/1/2013	ECON	AT&T West workers reach tentative agreement with their employer	Lee	:47				
4/1/2013	LAW	Anaheim police chief to step down in May	Roman	:50				
4/1/2013	HEAL	Socioeconomic factors linked to old age shrinkage, study says	O'Neill	1:00				
4/2/13	MEDI	given more and more people go online to get their entertainment? Are indecency rules unfair to network broadcasters?	Dan Isett, Julian Sanchez	13:00				
4/2/13	ENT	Today the L.A. County Board of Supervisors may lower rates for crews to film in the \$56-million Grand Park, but would that make the park nothing more than a government-subsidized film set?	Ed Duffy, Lucas Rivera	11:00				
4/2/13	YOUT	What are the benefits of ability grouping and tracking? What are the potential drawbacks? How do programs that rely on ability grouping work in LAUSD?	Tom Loveless, Brandon Martinez	23:00				

4/2/13	TECH	Do you worry about the effects of constant cell phone use, or do you think the fears are overblown? Do today's cell phones pose a greater risk than in the past? How much radiation is too much? Are there precautions we can take to minimize the danger?	Devra Davis, Bernard Leikind	14:00				
4/2/13	ENT	AEG Live, Michael Jackson's last concert promoter, will defend itself in court against liability in Jackson's death. Jackson died of an overdose two weeks before he was scheduled to launch his "This Is It" tour in London during the summer of 2009.	Stanley Goldman	9:00				
4/2/13	SPOR	While the Angels have lingered in the shadow of their "crosstown rivals," the Dodgers, who have spent lavishly on team and stadium, the Angels could certainly be a force to be reckoned with under Scioscia's creative management. Will the Angels have the legs and brains to go the distance?	Mike Giovanna	8:00				
4/2/13	POLI	The American public has long endured bipartisan gridlock and filibustering over things like Obamacare, the fiscal cliff and the sequester. Former Indiana state representative David Orentlicher has had enough and suggests a radical change – How about two presidents instead of one?	David Orentlicher	16:00				
4/2/2013	ART	Louie Palu spent a year photographing the cross-border drug trade, from checkpoints in Texas and Arizona to villages deep into cartel country. Warning: graphic images.	Louie Palu	15:16				
4/2/2013	SPOR	Louisville basketball player Kevin Ware will be watching his team play from the bench this weekend in the Final Four. The sophomore guard shattered his lower right leg in a freak accident Sunday night. The devastating injury puts the future of Ware's basketball career and his college scholarship at risk.	Alex Padilla	6:21				
4/2/2013	SPOR	Puig, who hit .517 in the spring, won't be playing with the Dodgers. He's been sent to a AA club in Tennessee.	Dylan Hernandez	11:27				
4/2/2013	ENT	Tuesday, the day of the week we like to talk about new music. On tap this week is NPR's music critic Ann Powers who'll review a new tribute to John Denver, the band Mad Season and Rilo Kiley.	Ann Powers	10:03				
4/2/2013	POLI	The National Rifle Association has its own plan to prevent gun violence in schools. Shortly after the tragic shooting at Sandy Hook elementary in Newtown, Connecticut, the NRA suggested armed guards in schools to protect students.	Robert Spitzer	8:47				
4/2/2013	POLI	Yesterday, the Supreme Court chose not to comment on a case that challenged how the size of a voting district is decided. In question was whether states should count everyone, not just U.S. citizens, when deciding on districts.	Rick Pildes	7:27				

4/2/2013	SPOR	Tomorrow, a meeting between NBA owners and two competing groups will determine whether the Kings will stay in Sacramento or move to Seattle. For more on the Kings' future and what's at stake, we're joined by Dale Kasler from the Sacramento Bee.	Dale Kasler	8:48				
4/2/2013	EDU	News outlets deliver the stories. But the Orange County Register has been making headlines of its own since coming under new ownership last year.	Kelly McBride	8:35				
4/2/2013	MIL	Student vets struggle to overcome TBI	Freemark	4:04				
4/2/2013	POLI	Businessman Steve Soboroff looks to save parks	Stoltze	1:23				
4/2/2013	DC	California lawmakers bring personal experience to gun positions	Felde	3:13

4/2/2013	ECON	Stockton becomes largest city in the US to declare bankruptcy	Adler	1:07				
4/2/2013	SPOR	The Dodgers have a successful Opening Day at Chavez Ravine	CC	:09				
4/2/2013	LAW	California teen accused of killing five family members from LA County	CC	:07				
4/2/2013	LAW	California teen accused of killing five family members from LA County	CC	:06				
4/2/2013	SPOR	UCLA and USC hire new basketball coaches	Martinez	2:12				
4/2/2013	SPOR	Another high-profile endorsement for mayoral candidate Garcetti	Stoltze	2:04				
4/2/2013	POLI	Councilman Eric Garcetti gets another endorsement in the LA Mayor's race	CC	:26				
4/2/2013	OC	OC authorities continue search for missing hikers, ask Southland agencies for help	Moore	1:07				
4/2/2013	MEDI	FCC asks for public comment on changing indecency rules	CC	:14				
4/2/2013	POLI	Kevin James endorses Eric Garcetti in mayor's race, chooses valley City Hall for announcement seeking valley votes	CC	:13				
4/2/2013	IMM	Border furloughs postponed for now	Florida	:39				
4/2/2013	LAW	Prison riot at a correctional facility in Downtown LA	Aguilar	1:15				
4/2/2013	ENT	LA County supervisors delay vote on cutting film rental fee for Grand Park	CC	:10				
4/2/2013	ENT	LA County supervisors delay vote on cutting film rental fee for Grand Park	CC	:10				
4/2/2013	LAW	60 inmates involved in a prison riot	CC	:19				

4/2/2013	POLI	Obama has not endorsed Garcetti	CC	:07				
4/2/2013	ECON	Measure in state legislature would ban sale of live animals at flea markets, swap meets	Russ	:56				
4/2/2013	ECON	Measure in state legislature would ban sale of live animals at flea markets, swap meets	CC	:17				
4/2/2013	OC	The Orange County Register is jumping on the paywall bandwagon. Is it a smart move financially?	Bergman	1:44				
4/2/2013	SPOR	UCLA introduces new head basketball coach	CC	:10				
4/2/2013	HEAL	California's 20th annual public health report card shows many improvements and some problems	O'Neill	:59				
4/2/2013	LAW	Sacramento bill would change rules for buying ammo in California	Adler	:48				
4/2/2013	POLI	Wendy Greuel responds to criticism about her independence as a mayor	Walton	1:58				
4/2/2013	LAW	Twin Towers jail locked down after inmate fistfight	CC	:15				
4/2/2013	LAW	Sacramento bill would change rules for buying ammo in California	CC	:07				
4/2/2013	LAW	Sacramento bill would change rules for buying ammo in California	CC	:09				
4/2/2013	EDU	School district latest to buy iPads for every student	Guzman	1:47				
4/3/13	SPOR	How far should a coach go to motivate players? According to Rutgers University, men's basketball coach Mike Rice went way too far. The university fired Rice today, a day after a video of his vitriolic coaching style was put online.	Chris Dufresne	13:00				
4/3/13	LAW	Nearly a dozen states have passed mostly symbolic legislation supporting hemp farming. However federal law still prohibits the business. A new bill in California includes language that could legalize hemp production in California if the federal government changes its hemp laws.	Patrick Goggin, John Lovell	18:00				
4/3/13	SPOR	As we watch the Final Four of both men's and women's NCAA basketball this weekend, during commercial breaks we can debate whether student athletes should be paid or if they should play for the pure love of the game and their school.	Warren Zola, Andrew Zimbalist	17:00				
4/3/13	HEAL	California is one of 15 states that will start a pilot program for seniors with both Medicare and Medi-Cal. These "dual eligibles" will be enrolled in a new managed care plan.	Gerald Kominski, Avik Roy	20:00				

4/3/13	ECON	After seven years, the housing market is finally recovering and sale prices are finally up again, according to a recent report by analytics firm CoreLogic. But do these numbers keep away real estate investors?	Paddy Hirsch	11:00				
4/3/13	MEDI	Associated Press, long the arbiter of style for journalists, announced a new revision to its Stylebook. "Illegal immigrant" is no longer allowed when referring to someone who is living or immigrating to a country illegally. Immigrant advocates say a change that's long overdue.	Phuong Ly	16:00				
4/3/2013	POLI	The Washington Post reports that the President's first event is a \$5,000 per-person cocktail reception at the home of philanthropist and environmentalist Tom Steyer. His host is hoping not only to raise money for the Democratic party, but also to refocus the political conversation on climate change.	Reid Epstein	8:11				
4/3/2013	POLI	The race for L.A. mayor is grabbing most of the headlines, but Tuesday's elections in Glendale stand to play a pivotal role in the city's master-plan for development. There is also controversy around the decision to limit languages on ballots to English and Armenian this year.	Brittany Levine	6:39				
4/3/2013	ENT	25 years ago today, the Los Angeles Times magazine published a special edition focused on life in the faraway year of 2013. In a lot of ways, it was surprisingly on target, though they didn't predict that the LA Times magazine would cease to exist.	Dashiell Bennett	8:27				
4/3/2013	SPOR	Now it's time to take the ball and run through the world of sports with our 1-2 punch, Andy and Brian Kamenetzky, they've covered sports here in L.A. for over a decade with the Times and ESPN.	Andy and Brian Kamenetzky	8:48				
4/3/2013	ENT	HBO's president of programming has said he sees piracy as a "compliment of sorts," but the company is taking the issue very seriously. Brian Steinberg, senior editor at Variety, joins the show with more.	Brian Steinberg	7:43				
4/3/2013	POLI	According to the Associated Press, the term illegal immigrant is no longer, well, legal. At least not for newsmedia. The AP, considered to be the guide for many news organizations, is dropping the word altogether.	Leslie Berestein-Rojas	5:55				
4/3/2013	ENT	All this week, we're bringing you different looks at the state of america's past time. Today we're going to talk baseball movies with TV writer, comedian and film expert Mark Jordan Legan.	Mark Jordan Legan	9:57				

4/3/2013	SCI	One of the greatest mysteries of science is right inside your skull: The human brain. Yesterday President Obama announced an initiative to help map our minds.	Dr. William Newsome	10:31				
4/3/2013	ENV	Their strong jaws and venomous bite make it easy for them to take down evil henchmen, or their preferred prey, water buffalo. But it also makes counting these reptiles a rather dangerous endeavor.	Tim Jessop	6:14				
4/3/2013	ENT	Tonight Show moving to NYC	CC	:08				
4/3/2013	ENV	California farmers won't be planting as many crops this year	Milne	:54				
4/3/2013	POLI	Bill that would give local govts more power to regulate charitable collection boxes is pulled from legislative committee	CC	:16				
4/3/2013	HEAL	Daily stress takes a long-term toll on mental health, UCI study says	O'Neill	:54				
4/3/2013	SPOR	USC introduces new basketball coach, Andy Enfield	CC	:21				
4/3/2013	HEAL	Southland hospitals shut doors, turn some people away	Moore	1:51

4/3/2013	HEAL	Three more Southland hospitals are closing	Moore	1:08				
4/3/2013	OBIT	Wife of Muppets creator Jim Henson dies at 78	CC	:12				
4/3/2013	TT	President Obama wants to understand the human brain	CC	:21				
4/3/2013	SAC	"Legalize hemp" bill in Sacramento	CC	:18				
4/3/2013	SAC	"Legalize hemp" bill in Sacramento	CC	:23				
4/3/2013	ENV	Environmental groups say refining tar sands increases pollution and safety risks in SoCal	Peterson	:52				
4/4/13	FOR	What is North Korea's true nuclear capability? How would the United States handle an attempted attack, even if a missile couldn't reach American shores? Could an attack on South Korea inspire U.S. retaliation?	Joseph Cirincione	13:00				

4/4/13	HEAL	Why does the Department of Insurance have to rely on analysis of outside groups? Is there anyone else who could fulfill that role? Does using a consumer-advocacy group help balance the influence of analysis from health-company lobbyists?	Janice Rocco, Jessica Levinson	18:00				
4/4/13	TECH	How many times have you picked up the phone at home only to hear an automated computer voice on the other end? The Federal Trade Commission recently sponsored a national contest to find the best blocking technology for these unsolicited "robocalls."	Shaun Dakin, Aaron Foss	17:00				
4/4/13	HEAL	Does product origin affect what you buy? Are you willing to pay more to absorb the extra costs? Is it feasible considering many processing facilities deal with animals from myriad ranches? Why are foreign producers still unsatisfied with the new rules?	Glynn Tonsor	22:00				
4/4/13	FOR	After two weeks of intense negotiations, the United Nations General Assembly this week voted to approve a landmark new arms trade treaty that is designed to curb sales of arms that could end up in the hands of terrorists, dictators and other humanitarian offenders.	Daryl G. Kimball, Ted R. Bromund	9:00				
4/4/13	OBIT	Although we may not keep the organs of deceased loved ones in drawers like Mary Shelley, author of "Frankenstein", do we still need physical objects to venerate leaders and loved ones? Have societal views towards death shifted? How do we deal with death today? Is it healthy?	Bess Lovejoy	16:00				
4/4/2013	LAW	An agency known as DTSC — or the Department of Toxic Substances Control — is charged with monitoring California's hazardous waste. Recently the group Consumer Watchdog has been investigating the DTSC and has claimed that the agency is falling down on the job.	Vicky Nguyen	8:18				
4/4/2013	ENV	Despite extreme pollution, environmentalists have struggled to enact any reform in China. Barbara Finamore is China Program Director for the National Resources Defense Council. She explains how pollution in China compares to what we see in the US.	Barbara Finamore	7:03				
4/4/2013	ECON	If we suddenly have all this oil, how come we're paying so much for gas? Reporters at Bloomberg News have been asking that question as well.	Asjlyln Loder	7:47				
4/4/2013	ENT	Yesterday, after weeks of speculation, NBC made the official announcement that the Tonight Show will leave its current home in Burbank and move to New York. Come next spring, Jay Leno will give up his post as host of the late night show and Jimmy Fallon will take over from the Big Apple.	Gary Owens	5:50				

4/4/2013	ENT	Top acting roles keep going to Brits – and to a lesser degree, Aussies. We'll speak with Claudette Roche, dialect coach for British actors who has worked with actors on Boardwalk Empire and American Horror Story	Claudette Roche	9:28				
4/4/2013	POLI	Last night in San Francisco, President Obama kicked off a series of eight fundraisers he'll hold across the country this year to raise money for the Democrats in the midterm elections. Sitting president's parties don't historically fare well in the midterms and guests last night paid thousands of dollars for some facetime with the president.	Carla Marinucci	6:33				
4/4/2013	POLI	It's Take Two's ticket to all the latest political news coming out of downtown Los Angeles with KPCC's politics editor Oscar Garza and and politics reporter Alice Walton.	Alice Walton	7:31				
4/4/2013	SPOR	It's an amalgam of cork, rubber, wool, leather and cotton and weighs about five ounces. If you are really good at throwing it, catching it, or hitting it, you can make a lot of money.	Mike Thompson	6:09				
4/4/2013	ENT	On tap this week: Artist Jayson Fann creates human-sized "spirit nests" for people, which mimic bird nests, British farmer Jason Barber's milk vodka is the hot new poison for celebrities, and this week in history celebrates the birth of chewing gum.	Rico Gagliano and Brendan Newnam	6:06

4/26/13	HEAL	California legislators are considering a bill to strip the California Medical board of its powers to investigate problem physicians. The board has been criticized for failing to properly discipline doctors who are accused of harming patients, including recklessly prescribing painkillers.	Senator Curren D. Price, Jr., Henry Fenton,	13:00				
4/26/13	MEDI	The Tribune company, which owns many large media brands, is emerging from bankruptcy and considering selling its newspaper division, which includes, among other important U.S. dailies, the Los Angeles Times.	David Folkenflik	17:00				

4/26/13	HEAL	The latest issue of BMJ, an online medical journal, asks several doctors whether physicians should even tell their patients that they are terminally ill.	Peter Ubel, Leslie Blackhall,	17:00				
4/26/13	ART	Larry is joined by KPCC film critics Tim Cogshell and Lael Loewenstein to review the week's new film releases, including Mud, Pain and Gain, The Big Wedding and more. TGI-FilmWeek!	Tim Cogshell, Lael Loewenstein	6:00				
4/26/13	ART	Director of The French Connection and The Exorcist, Friedkin gives readers a behind the scenes look at how his films came to life - from how the Exorcist's demon voice was created to whom he considered for the lead role of Popeye.	William Friedkin	17:00				
4/26/2013	ECON	More than 400,000 Californians looking for work will find themselves struggling even more, starting this Sunday. That's the number of people in the state collecting federal unemployment benefits, and sequestration means the benefit on new filings will be cut by nearly 18 percent.	Elizabeth Pineda, Jack Hodges, Maria Casas	2:34				
4/26/2013	ECON	Economists and policymakers have for years shirked the austerity measures deployed by Europe to deal with the recession. But now the U.S. is making the same type of spending cuts in a weak economy that European leaders are now distancing themselves from.	Christopher Thornberg	9:24				
4/26/2013	POLI	We talk about the week that was with our regular journalists in-the-know. On tap this week, the Marketplace reporter David Gura in Washington and James Rainey from the Los Angeles Times.	David Gura, James Rainey	17:54				
4/26/2013	TECH	Today the mobile gaming company Zynga releases its earnings. All eyes are on the company who was once lauded as the future of gaming. While they have had hits like FarmVille and Words With Friends, overall the company has become a failure since it went public.	Dan Ackerman	4:48				
4/26/2013	OBIT	Record producer Joe Boyd worked with Drake and he recently produced a new tribute album about his friend and colleague called "Way To Blue: The songs of Nick Drake."	Joe Boyd	12:48				
4/26/2013	SAC	In Sacramento this week Democratic leaders went toe to toe with Governor Jerry Brown over his plan to change how California funds public schools. The rhetoric got pretty heated-with the governor vowing to give his own party, "the fight of their lives."	Julie Small	2:54				

4/26/2013	SAC	In its heyday, The Salton Sea was considered the Lake Tahoe of Southern California, a glamorous destination for vacationers. Today, it has a reputation for being something of a toxic wasteland.	Molly Peterson	5:52				
4/26/2013	ENER	In recent years, the Mojave desert has become a hot spot for the development of solar and wind power plants. Reporter Judith Mernit, who wrote about this for High Country News, joins the show with more.	Judith Mernit	10:08				
4/26/2013	ENT	If two weekends of Coachella weren't enough for you, perhaps you want to check out the StageCoach Music Festival, happening this weekend at the Empire Polo Fields. It's the other big desert music festival this Spring, and it's rooted in country music, bluegrass and folk.	Randy Lewis	7:23

6/26/13	LAW	In a landmark 5-4 ruling, the U.S. Supreme Court struck down a key provision in the Defense of Marriage Act (DOMA) that denied benefits for married same-sex couples. As for California's Proposition 8, the court left in place a lower court's ruling that declared Prop 8 unconstitutional, thus allowing California to resume same-sex marriages. AirTalk looks at it all and takes your calls.	Lisa Wice, Roy, John Eastman, Laura Brill, Ivy Bottini, Mike Roe, Suzanne Goldberg, Rob	1:34				
6/26/2013	LGB	We know the headlines, but what do today's decisions really means for gay marriage in California and the rest of the nation. Here to break it down for us is Jody Armour, a professor of law at USC.	Jody Armour	13:15				
6/26/2013	LGB	For those within the gay community, today's decision comes just in time. For others, maybe it didn't come soon enough. We wanted to talk about what the court's ruling on DOMA and Prop 8 means to different generations of gay people.	Jack Davis, Anthony Maldonado, Alice Herman	16:09				
6/26/2013	LGB	It's been a long road from Proposition 8's journey from California to the US Supreme Court. Joining us now is Ron Prentice, executive director of Protect Marriage, the group that originally brought Prop 8 to the ballot and has been defending it in court.	Ron Prentice	5:12, 1:57				
6/26/2013	LGB	What does the Supreme Court's ruling on Prop 8 mean for the thousands of families waiting to learn their legal fate? How do gay couples talk to their children about today's news?	Jeffrey Erdman	6:05				

6/26/2013	RELI	The issue of gay marriage is, for some, a religious question: is it moral? Would God approve? Not all congregations feel the same way.	Guy Erwin, Bill Owens	14:21, 2:15
