WDXB
 Quarterly Issues/Programs List

WDXB provides its listeners with programming and public service announcements that address issues of concern to our local community.

**Section I
 LOCAL PROGRAMMING**

Section I lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.

| ISSUE | PROGRAM / TITLE | DESCRIPTION | GUEST | DATE/TIME | DURATION |
|---------------|------------------------------|--|---------------------|------------------------|----------|
| Divorce | Viewpoint Alabama for 040223 | Post-pandemic divorce is on the rise in Alabama, and state is now 4th in the nation for divorce. Author and attorney Jeffery S. Stephens joins us to talk about his new book "Road to Splitsville" which explains the process from beginning to end, showing how there can be a positive outcome from what is otherwise a very negative situation. He also explores the psychological and emotional circumstances that may surround this difficult decision that faces many families in our state. | Jeffery S. Stephens | 04/02/2023 06:00 AM | 029:50 |
| Public Health | Viewpoint Alabama for 040923 | It's been 3 years since the first Covid lockdowns took effect. Where are we in Alabama as we fight the virus and provide | Dr. Tom Ellison | 04/09/2023 06:00 AM | 015:00 |

| | | | | | |
|-------------------|------------------------------|---|-------------------------|------------------------|--------|
| | | people with the information and resources they need, and what's our next step. Dr. Tom Ellison, Medical Services Director for Project HELP and Alabama State Director of Doctors For America Inc. joins us with an update. | | | |
| Public Health | Viewpoint Alabama for 040923 | April is Parkinson's awareness month, so we are joined by Parkinson's Foundation CEO John Lehr and Vikas Chinnan, a person living with young-onset Parkinson's disease. While many advances have been made, we still have a long way to go when it comes to research and educating the public of the signs and how you can help those effected by this illness. | John Lehr/Vikas Chinnan | 04/09/2023 06:15 AM | 014:50 |
| Civil Rights | Viewpoint Alabama for 041623 | Martin Luther King III talks with us about the 55th anniversary of the assassination of his father the Reverend Dr. Martin Luther King Jr. He addresses his father's legacy and the state of race relations in America today. He also puts forth his vision for civil rights now and in the future. | Martin Luther King III | 04/16/2023 06:00 AM | 029:48 |
| Veteran's Affairs | Viewpoint Alabama | We are joined by Charles Brown, President of | Charles Brown / | 04/23/2023 06:00 AM | 029:50 |

| | | | | | |
|---------------|---------------------------------|--|-------------------|------------------------|--------|
| | for 042323 | Paralyzed Veterans of America and Heather Ansley, Associate Director of Government Affairs for PVA. Charles talks about how they advocate for better usability nationwide for Americans with disabilities including the Veterans. He talks about the work that PVA does with the VA and how they work with Vets who have lost mobility due to injuries sustained while serving, as well as other illnesses or injuries that may have occurred after their service has ended. | Heather Ansley | | |
| Public Health | Viewpoint Alabama for 043023 | April is National Volunteer month and National Minority Health month. Kamara Jones, acting Assistant Secretary at the Department of Health and Human Services, talks with us about her work to educate the public on why America needs to continue getting vaccinated against Covid. She says the Government plans to invest even more money into helping bridge health disparities for vaccinations in minority communities. | Kamara Jones | 04/30/2023 06:00 AM | 015:00 |
| Environmental | Viewpoint Alabama | April is also Earth Month and that's | Sarah Kleindienst | 04/30/2023 06:15 AM | 014:50 |

| | | | | | |
|---------------|---------------------------------------|---|---------------------|------------------------|--------|
| | for 043023 | why we are joined by Sarah Kleindienst from the National Environmental Education Foundation, which was chartered by Congress to increase environmental awareness. She says they seek to make the environment more equitable for all people in America to encourage diversity, tolerance, and inclusion at our public parks. | | | |
| Public Health | Viewpoint Alabama for 050723 | Robert Augustine, President of the American Speech-Language Hearing Association tells us that polling showed that a majority of professionals believe that backlogs of children who weren't referred to medical professionals during stay-at-home periods, or whose families waited to seek help due to concerns about COVID-19 virus exposure, are a major factor in the increase. Among audiologists, 34% report seeing more children with delayed diagnosis of hearing loss and 36% report more children with untreated (persistent) ear infections that | Robert Augustine | 05/07/2023 06:00 AM | 029:50 |

| | | | | | |
|---------------|------------------------------|--|---------------------|------------------------|--------|
| | | could interfere with communication development, compared to before the pandemic. And among speech-language pathologists, 84% report more children with emotional or behavioral difficulties; 79% report more children with delayed language or diagnosed language disorders; and 78% report more children with social communication difficulties than before the pandemic. | | | |
| Public Health | Viewpoint Alabama for 051423 | May is American Stroke month. We are joined by Dr. Michelle Elkins who discusses what we need to know about identifying a stroke and how you can prevent them. | Dr. Michelle Elkins | 05/14/2023 06:00 AM | 015:00 |
| Public Health | Viewpoint Alabama for 051423 | CEO of the Dan Marino Foundation, Mary Parton, discusses how their foundation wants to help raise Autism awareness. | Mary Parton | 05/14/2023 06:15 AM | 014:50 |
| Public Health | Viewpoint Alabama for 052123 | UAB doctor, Rachel Lee, Associate Professor with the Division of Infectious Diseases joins us on behalf of the Department of Health and Human Services to discuss the new Covid vaccinations that are now available. | Dr. Rachel Lee | 05/21/2023 06:00 AM | 015:00 |
| Broadcasting | Viewpoint Alabama | Former FEMA director, Michael | Michael Brown | 05/21/2023 06:15 AM | 014:52 |

| | | | | | |
|----------------------|---------------------------------------|--|----------------------|------------------------|--------|
| | for 052123 | Brown discussed the importance of AM radio in times of emergency. | | | |
| Veteran's Affairs | Viewpoint Alabama for 052823 | Author and historian Jared Frederick joins us to talk about the contributions that Alabamians have made to our military forces on this Memorial Day weekend. We also talk about the roll Alabama played in the civil war. | Jared Frederick | 05/28/2023 06:00 AM | 029:51 |
| Community Events | Viewpoint Alabama for 060423 | The Alabama State games are a fun way for people of all ages and abilities in Alabama to get active, work towards a goal and possibly even win scholarship money towards educational opportunities. The Media Director for the ASG, Griffin Pritchard, joins us in studio to explain more about the games and tell us about what they plan to do for this year's 40th anniversary. | Griffin Pritchard | 06/04/2023 06:00 AM | 029:49 |
| Public Safety | Viewpoint Alabama for 061123 | Maurine Molak is working to eliminate cyberbullying and other bullying through education, legislation, and legal action, following the death of her son, David Molak, who she describes as a typical teen who loved sports. She has founded the David's Legacy Foundation which | Maurine Molak | 06/11/2023 06:00 AM | 029:49 |

| | | | | | |
|-------------------|------------------------------|--|---------------------|------------------------|--------|
| | | helps educate communities about the harmful effects of cyber abuse, offering free virtual presentations and much more. | | | |
| Community Service | Viewpoint Alabama for 061 | Due to the on-going violence in Birmingham, Mobile and other large cities across the state, we talk with Coach Bill Courtney from the Oscar winning movie "Undefeated" about creating positive change in underserved communities and how with additional allocation of government funds, these communities can continue to heal. | Coach Bill Courtney | 06/18/2023 06:00 AM | 029:49 |
| Public Health | Viewpoint Alabama for 062523 | Doctor Wesley Stubblefield with the Alabama Department of Public Health talks about the roll they continue to play in informing, protesting, and educating the public about health emergencies like the Coronavirus and what needs to be done going forward to combat future outbreaks. | Wesley Stubblefield | 06/25/2023 06:00 AM | 015:00 |
| Civil Rights | Viewpoint Alabama for 062523 | Due to recent Juneteenth observance, we talk with Kelly Navies, museum specialist of oral history at the Smithsonian Museum of African American history. She talks about the | Kelly Navies | 06/25/2023 06:15 AM | 014:52 |

| | | | | | |
|--|--|---|--|--|--|
| | | historical and cultural significance of Juneteenth. | | | |
|--|--|---|--|--|--|
