

ISSUES/PROGRAMS LIST FOR October, November, December 2022

1. ISSUES IN EDUCATION BROADCAST SATURDAY AT 7:30am and 8:00p

10/1/22 Patriots or Enemies of the State? p.1

The President, the most powerful man in the world, has called MAGA (Make America Great Again) Republicans an extremist threat to the foundations of our nation. Trump advisor Stephen Miller said, "Biden does what Marxists do; accuse us of what they are doing." Charlie Kirk, founder of Turning Point USA, says Biden calls us a greater threat than communist Russia or China. Ben Shapiro, author of Brainwashed – How Universities Indoctrinate America's Youth, says Biden sounds and acts more like a dictator than our President. MAGA Republicans are targets for Biden's DOJ, CIA, FBI and 187,000 new armed IRS agents!

10/8/22 Patriots or Enemies of the State? p.2

President Biden calls for unity while calling half the country a threat to democracy. Biden says courageous conservatives with a gun are no match for an F-15 fighter jet. Florida Gov. Ron DeSantis said, "Biden has violated his oath of office by opening the border to millions of illegals." Curtis Bowers filmmaker of Agenda 2-Masters of Deceit – Grinding America Down, says Marxists use censorship and lies to vilify their opponents. Cuts of Donald Trump calling the raid on his home a violation of law. When we will win in November we will take men out of women's sports, take out CRT and transexualism from schools.

10/15/22 Hitler's Germany 1802

"Hitler didn't take Austria by force; we elected that monster in 1938 when 98% voted to annex Austria to Germany because of the economic collapse, lawlessness and chaos," says 94 year-old Kitty Werthmann. The Nazi Party was the Socialist Party. Guns were registered then confiscated. Handicapped people were euthanized. Hitler sounded like a pro-family American politician. School children were indoctrinated, the cross of Christ came down and a picture of Hitler went up. Out of 18,000 German pastors, only 200 refused to sign a loyalty oath to Hitler. Many Germans said Hitler was a gift from God.

10/22/22 Prayers for The Election

Jonathan Cahn, author of The Harbinger II, said, "America is following the same pattern as ancient Israel, warring against God!" Dr James Dobson, recited the sins of our nation then gave a heartfelt, profound prayer for repentance and revival. Pastor Carter Conlon of Times Square Church in NY city, says, "God is a God of love but also He's a God of justice. We have taken God, His blessings and patience for granted." Foley Beach says, "Christ wants our nation to be RED hot, not lukewarm for Him." In times of moral crisis, neutrality is treason. David Stuckenbergn warns that our nation is falling to communism.

10/29/22 Freedom is on the Ballot, pt 1

When people fear their government, there is tyranny. When the government fears the

people, there is freedom. Fox TV host, Tucker Carlson, describes the 30 FBI agent's armed raid on the home of a peaceful pro-life leader, Mark Houk. The most powerful man in the world, President Biden, says MAGA Republicans are a threat to America. TV host Dan Bongino says Biden is becoming a dictator and should be impeached. Josh Hawley presses Attorney General Garland over sending FBI agents to harass parents at school board meetings. VP Kamala Harris states that we've had a strong alliance with North Korea

11/5/22 Freedom is on the Ballot, pt 2

Senator Tom Cotton says, "The reason we have such high gas prices, high inflation and 5 million illegals invading our country is the Democrat Party policies. Newt Gingrich says the nationwide lawlessness is due to Democrat policies. John Whitehead, President of the Rutherford Institute and author of *Battlefield America - The War on The American People*, compares the loss of our freedoms to Nazi Germany in the 1930's. Mat Staver, founder of Liberty Council, says, "The difference between the political parties is life vs death, good vs evil, morality vs immorality, homosexuality vs religious freedom, rule by law vs chaos.

11/12/22 The Return of the gods, pt 1

Just as the gospel transformed pagan cultures, so the pagan gods are transforming our culture. Are pagan gods really demonic spirits? Ancient Israel was destroyed because they turned away from worshipping the true and living God to worshipping false gods like Baal. Jonathan Cahn, best selling author of *The Return of the Gods*, says behind abortion and the crazy events we see today are the gods of ancient cultures that were cast out by the gospel but have come back with a vengeance into our culture. Child sacrifice was practiced to appease pagan gods by the thousands, but we've sacrificed millions in abortion.

11/19/22 The Return of the gods, pt 2

Although we don't see Americans worshipping idols or pagan gods of wood and stone, we're too civilized and scientific for that. Behind the ancient gods are actual demonic spirits that are disguised and infiltrating our schools, media and government. Jonathan Cahn, best selling author of *The Return of the Gods*, says, spirits cast out of pagan cultures have come to America. Baal, the god of apostasy, is turning a Christian nation into a pagan nation through the public schools. Ishtar, the goddess of sexuality, blurs reality feminizing boys and masculinizing girls. The goal of the gods is to destroy America as it did Israel.

11/26/22 Suffering in a Muslim Prison, pt 1

After pastoring in Turkey for 23 years, Andrew Brunson, author of *God's Hostage – A True Story of Persecution, Imprisonment and Perseverance*, was imprisoned for two years in a filthy prison surrounded by Muslim criminals and terrorists. He felt abandoned by God and surrounded by evil powers in Satan's territory. He went beyond panic and thought he was losing his mind and his faith. Why was God silent? He was like Job turned over to Satan to be tested. But he resolved to declare his love for Christ and submit, without God answering his questions. He learned to love and follow Jesus no matter what happened.

12/3/22 Suffering in a Muslim Prison, pt 2

Andrew Brunson, author of God's Hostage – A True Story of Persecution, Imprisonment and Perseverance, was sentenced to 35 years in a filthy crowded prison where he felt abandoned by God. He thought he would lose his mind and his faith. But his wife Noreen contacted President Trump to negotiate with the president of Turkey for his release. Brunson wondered why his loving heavenly Father would abandon him, but God used his imprisonment to start a world wide prayer movement for his release and the salvation of Muslims in Turkey. There's a depth of intimacy that only comes through severe testing by God.

12/10/22 The Grace and Mercy of God

No matter how degenerate Sodom was, they tried to rape two angels; Pastor Carter Conlon quoted Jesus who said, "If the miracles done in Capernaum had been done in Sodom, Sodom would have remained until this day." Pastor Tim Dilena said, "Lot offered his two daughters to sodomites and Lot had incestuous relations with his daughters. But God rescued Lot and called him righteous. So God can save anyone." We may think our culture is too far gone to be saved. But it's not beyond God's grace and mercy. People who think they're good enough for heaven, aren't. Salvation is a gift not earned through works

12/17/22 False Science

Does it take faith to believe in evolution? Is it science or religion? If evolution were true, why don't we see an abundance of new species instead of extinction? What proof is there for Creation? Dr Chris Cagan, a brilliant mathematician with two PhDs and author of From Darwin to Design, was a staunch atheist, who had been taught Christianity caused wars, the Salem witch trials, the Crusades and human misery. But beginning with a lecture by I.C.R., he learned that design and natural laws are too precise to happen by accident. Isaac Newton, the most brilliant scientist of all time, invented calculus and believed in Creation.

12/24/22 The Miraculous Birth of God

The greatest event in all history was that the Creator of the universe became a baby, the man Jesus. It's amazing that the God who created everything came to earth as a single cell, says famed actor Bruce Marchiano. Pastor Francis Chan, author of Crazy Love, gives an impassioned Christmas message exclaiming how God emptied himself and left heaven to become a man! If you want to know what God is like, look at Jesus! Jesus shows that God isn't angry but loving, patient and kind. When a primitive tribe first heard the gospel and how God had forgiven them of all sins, they leaped for joy and celebrated for hours.
