‘Global Citizen Live’ is an event focusing to point the power of the people directly at those with the ability to make the worldwide, systemic changes needed to protect the most vulnerable people and to defend the planet. On Sept. 25th, leaders gather to commit their intentions to act as responsible global citizens. With music performances from amazing artists, it is the hope that the music industry and world leaders will help mobilize the world for the greater good. As ABC captures the highlights of this event, Stevie Wonder headlined the event in Los Angeles.
