

## QUARTERLY ISSUES AND PROGRAMS LIST

The following is a list of the significant issues responded by Station **KFBB-TV ABC/KFBB-DT2 FOX** along with the most significant programming treatment of those issues for the period [July 1, 2020 to September 30, 2020](#). The listing is by no means exhaustive. The order in which the issues appear does not reflect any priority or significance.

Description of Issue	Program/Segment	Date	Time	Duration	Narration of Type and Description of Program Segment
Business, Human Interest, City/County/State Affair	Downtown Pop-Ups help local vendors find business	7/7/2020	ABC 10:00 PM	1:30 min duration	Missoula's Downtown Association is hoping to make the best out of a tough situation by holding "Pop-ups" in place of their regular Out-To-Lunch summer series.
Education, Medical/Helath, Politics	Teachers protected by 'Families First Coronavirus Response Act' for the upcoming school year	7/8/2020	ABC 5:00 PM	2:30 min duration	While Montana is figuring out ways to safely open up in-person education, school districts across the state are also making plans to ensure teachers are properly compensated if they are exposed to the virus. According to the Montana Office of Public Instruction, the process of how that teacher may be quarantined differs based on each school district's policy.
AGRICULTURE	Ag PhD	7/12/2020	ABC 10:00 AM	30 min duration	This week's topics are dicamba, late-season weed control, and soybean aphids. The Weed of the Week is puncturevine, and Darren shares ideas on applying late-season nitrogen in soybeans.
Wildlife, Federal, Human Interest, Environment	Yellowstone hosts virtual safety video after bison goring last week	7/14/2020	ABC 6:00 PM	1:30 min duration	After a bison goring last week, Yellowstone National Park hosted a Facebook live video on Tuesday morning, to remind people about bison safety. There are roughly 5,000 bison in Yellowstone National Park and during the summer months biologists say thousands of them congregate in the Hayden Valley and up north in the Lamar Valley.
Crimes/Trials, City/County/State Affair	Prosecutors explain what it takes to convict someone of a hate crime	7/30/2020	FOX 9:00 PM	3 min duration	Over a month after allegedly tackling a black teen at a Black Lives Matter rally, Mark Belden has been charged with two misdemeanors. But this week, community members are calling for an added charge, Felony Hate Crime.
Business, City/County/State Affair, Federal	Montana Indian Equity Fund helps start Native American businesses	8/4/2020	ABC 5:00 PM	1:45 min duration	Thanks to one annual grant program, Native American businesses are receiving financial assistance to get them up and running. It's called the Montana Indian Equity Fund, and it's designed not only to start up a new business but also to expand on those already existing.
Education, Medical/Helath, Human Interest	Great Falls fine arts school adds K-12 programs amidst COVID-19 pandemic	8/13/2020	ABC 10:00 PM	2:00 min duration	Families in the Electric City may soon see more options for their kids' education as the Bass Clef School of Music & Fine Arts goes private, adding K-12 programs for Fall 2020. Owner Timothy Bass said he pushed plans for the expansion one year ahead, after hearing parents' safety concerns on COVID-19.
Environment, City/County/State Affair	Construction begins on Bozeman public safety center after more than a decade of campaigning	8/20/2020	ABC 6:00 PM	1:30 min duration	Construction has begun on a project that's been in the works for more than a decade and went to the public for a vote three different times before it finally got the 'okay': the Bozeman public safety center.
AGRICULTURE	Ag PhD	8/23/2020	ABC 10:00 AM	30 min duration	This weeks topics are grain bin safety, winter wheat seeding, and corn harvest decisions. The Weed of the Week is blackseed plantain, and Darren talks about tillage performance in this week's Iron Talk.
Politics, Crimes/Trials, City/County/State Affair	Helena City Commission continues discussion on police department policies and procedures	8/26/2020	FOX 9:00 PM	1 min duration	Helena City Commission holding meetings on policing policies. They discussed hiring standards, training techniques, data and statistics for the commission to review. The discussion comes after the city commission supported a proposal that would evaluate the Helena Police Department's current practice to see if changes are warranted.
Wildlife, Federal, Human Interest, Environment	650-Lbs. grizzly bear chases hikers in Glacier National Park	9/3/2020	ABC 10:00 PM	1:30 min duration	Terrifying moments caught on camera when a 650-pound Grizzly Bear charged at a group of hikers with a baby on their back at Glacier National Park.
Crimes/Trials, City/County/State Affair, Human Interest	Montana Murder Mysteries: Double Homicide at Paradise Lodge	9/7/2020	ABC 5:00 PM	1 min duration	80 Bank robberies in eight states, heart racing prison escapes, and a brutal double homicide at a Montana resort in the Season 3 premiere of Montana Murder Mysteries. Television story promotes podcast series.
Business, Human Interest, City/County/State Affair	Concerns arise over the 'mask policy' in local businesses	9/16/2020	ABC 6:00 PM	1:30 min duration	People are raising concerns after many customers claimed business owners are not complying with the mask policy in their stores. One of the most frequently asked questions is "Do employees need to wear a mask", and the answer is yes. Based on the governor mandates, employees that are public-facing are required to wear a mask.
AGRICULTURE	Ag PhD	9/20/2020	ABC 10:00 AM	30 min duration	This week's topics are harvest timing decisions, cation exchange capacity, and fall manure application. The Weed of the Week is broadleaf arrowhead, and Darren talks about storage and use of diesel exhaust fluid, or DEF.
Environment, Wildlife, City/County/State Affair, Federal	Blue Mountain reopens after noxious weed treatment	9/22/2020	FOX 9:00 PM	1 min duration	Lolo National Forest announced Blue Mountain Recreation Area temporarily closed for noxious weed treatment. The Lolo National Forest Service has worked to get rid of noxious weeds on Blue Mountain for the last decade. However, Forest Service Public Affairs Officer, Kate Jerman, said due to its popularity, the weeds are spreading.
