October - December 2019 Programs and Issues

-We inform the public on Invasive Species to our Lakes and Rivers through PSA's from the Hubbard County Coalition of Lake Associations and in our daily news segments. Other locally produced PSA's include Hubbard County in Prevention (teen drinking) and Northwest Coalition (drinking and driving).

-Sporting Journal Radio is a 1 hour weekly show that plays on Saturday mornings on KA and KQ. It addresses everything hunting and fishing related, legislative issues that effect the outdoors, including conservation, safety and hunting/fishing regulations.

-During Winter Hazard Awareness week November 4 – 8, we focused on getting ready for winter by reading information from the National Weather Service concerning winter storms, general home preparedness, indoor winter issues like mold, carbon monoxide and winter driving tips.

-We run extra deer hunting safety PSAs around the deer opener.

-We keep our listener's informed with short news breaks focused on regional news and issues. Our Capsule News runs Monday – Saturday, twice an hour from 9 AM – 5 PM.

-A local church does a live broadcast on KQKK Sundays from 8:30 – 9:30 AM every Sunday.

-The Contact radio program airs at 5:30 AM on KQKK Monday through Saturday. It has wide ranging topics, but it's usually something inspiring about people making a difference in the World.

Pet OF THE WEEK

Milo

Meet Milo: a 10 year old pug/beagle mix. Milo is looking for his retirement home, he is great with people of all ages and is a very lovely dog once you get to know him. The shelter staff has fallen in love with this little guy, and I'm sure if you gave him the chance you would too! If interested in any of our pets, please give us a call at 218-237-7100 or take a look at our website to see our available furry friends!
