Dear Mr. Ayres:

We are writing to thank you for your continued support of the Sea Turtle Hospital at Whitney Laboratory through the Taste of the Fun Coast Event. We are very appreciative of your dedication to this incredible conservation cause.

Due to the success of this event, the Sea Turtle Hospital has been able to treat increasing numbers of critically ill flippered patients. Your annual gift enables the animal care team to help even more individual sea turtles, from tiny baby "washbacks" to a several hundred pound adult turtle.

We are grateful for you and your team's generosity in putting on this amazing event. Especially now in this great period of growth for the Sea Turtle Hospital, the support and involvement of our community is more important than ever, and we look forward to Taste of the Fun Coast 2024! On behalf of our turtles and animal care staff, we thank you.

Sincerely,

Mark Q. Martindale, PhD  
Director, Whitney Laboratory for Marine Bioscience

Jessica Long  
Senior Director of Advancement
