The FM Translator Licensee must notify the Federal Communications Commission, Office of the Secretary, 445 12th Street, S.W., Washington, DC 20554 of any change in the station that will be rebroadcast. The parties should also notify Robert Gates via email at Robert.Gates@fcc.gov. See 47 C.F.R. §74.1284.

Assignors and Transferors are reminded that 47 CFR § 73.3615 requires that a biennial ownership report be filed by each licensee of a commercial or non-commercial AM, FM, TV, Class A, or LPTV broadcast station and any entity that holds an attributable interest in the licensee pursuant to § 73.3555 as of October 1 of each odd-numbered year. The Media Bureau has previously announced that the 2017 biennial ownership reports for both commercial and non-commercial stations must be filed between December 1, 2017, and March 2, 2018. Accordingly, for any assignment or transfer of control applications consummated after October 1, 2017, but on or before March 2, 2018, the proposed Assignor/Transferor must nonetheless file a biennial Form 323 or Form 323-E by the extended March 2, 2018, deadline. Ownership information should be reported as of October 1, 2017. Please note, this biennial ownership filing requirement is in addition to the post-consummation report, which is required of the Assignee or Transferee. See 47 CFR § 73.3615.

Under authority of the Communications Act of 1934, as amended, the consent of the Federal Communications Commission is hereby granted to the transaction indicated above.

The Commission's consent to the above is based on the representations made by the applicants that the statements contained in, or made in connection with, the application are true and that the undertakings of the parties upon which this transaction is authorized will be carried out in good faith.

The actual consummation of voluntary transactions shall be completed within 90 days from the date hereof, and notice in letter form thereof shall promptly be furnished to the Commission by the seller or buyer showing the date the acts necessary to effect the transaction were completed. Upon furnishing the Commission with such written notice, this transaction will be considered completed for all purposes related to the above described station(s).
