In the event that the Channel is inoperable or otherwise unable to broadcast for more than one (1) hour per calendar month, Licensee shall reduce on a prorated basis the amount of the Monthly Lease Payment due for such month commensurate with the amount of time that the Channel was inoperable.

#### 5. **OBLIGATIONS AND RIGHTS OF PROGRAMMER**

Cooperation with Licensee.** Programmer, on behalf of Licensee, shall furnish or insert within the Programming all Station identification announcements required by the Communications Laws, and shall, upon request by Licensee, provide (a) information about Programming that is responsive to the public needs and interests of the area served by the Channel so as to assist Licensee in the preparation of any required programming reports, and (b) other information to enable Licensee to prepare other records, reports and logs for the Channel required by the FCC or other local, state or federal governmental agencies. Programmer shall consult with Licensee and adhere strictly to all applicable provisions of the Communications Laws, with respect to the carriage of political advertisements and political programming and the charges permitted for such programming or announcements. Programmer shall cooperate with Licensee to ensure compliance with the FCC Rules regarding Emergency Alert System tests and alerts.

**5.5. Payola and Plugola.** Programmer shall provide to Licensee in advance any information known to Programmer regarding any money or other consideration which has been paid or accepted, or has been promised to be paid or to be accepted, for the inclusion of any matter as a part of any programming or commercial material to be supplied to Licensee by Programmer for broadcast on the Channel, unless the party making or accepting such payment is identified in the program as having paid for or furnished such consideration in accordance with the Communications Laws. **5.7. Programmer's Employees and Facilities.** Programmer shall be responsible for the artistic personnel and material for the production of the Programming to be provided under this Agreement. Programmer shall employ and be responsible for the salaries, taxes, insurance and related costs for all of its own personnel and the facilities used in fulfillment of its rights and obligations under this Agreement.

**5.8. Call Signs.** During the Term, Licensee will retain all rights to the call letters of the Station or any other call letters which may be assigned by the FCC for use by the Station and/or Channel and Programmer agrees that it will include within the Programming station identification announcements in accordance with the FCC Rules.

## **6. INDEMNIFICATION**

Programmer shall indemnify and hold Licensee harmless from and against all claims, damages, liabilities, costs and expenses, including reasonable attorney's fees and expenses (collectively, "*Damages*") arising from Programmer's provision of the Programming hereunder, from Programmer's use of the Channel, or from Programmer's breach of any warranty, covenant or other agreement under this Agreement; provided, however, that Programmer shall not be liable under this Section 6 for any Damages arising from or relating to Licensee's negligence, willful misconduct or breach of this Agreement or any applicable law, rule or regulation. Without limiting the preceding sentence, Programmer will indemnify and hold Licensee harmless from and against Damages arising from any claim for libel, slander, illegal competition or trade practice, infringement or trademarks, or program titles, violation of rights of privacy, infringement copyrights and proprietary rights, and for any other claims of any nature, including fines or forfeitures imposed by the FCC, resulting in any manner from the Programming provided by Programmer. Licensee shall indemnify and hold Programmer harmless from and against all Damages arising from Licensee's use of the Channel, Broadcast on the Channel of any programming not provided by Programmer, or breach of any warranty, covenant or other agreement under this Agreement. The obligations under this Section 6 shall survive any termination of this Agreement until the expiration of all applicable statutes of limitation.

## **7. TERMINATION**

become due and payable, and Licensee shall be under no further obligation to make available to Programmer any broadcast time or broadcast transmission facilities on the Channel. An "Event of Default" means (a) Programmer's failure to pay when due any payments payable to Licensee under this Agreement; and (b) the non-terminating party's failure to comply with any provision that is material to the non-terminating party's performance of the terms and conditions of this Agreement. An Event of Default involving Programmer's failure to pay shall not be deemed to have occurred until more than thirty (30) days have elapsed following the date upon which such payment was due. An Event of Default involving any other type event shall not be deemed to have occurred until more than five (5) days after the non-defaulting party has provided the defaulting party with written notice specifying the event or events that, if not cured, would constitute an Event of Default and specifying the actions necessary to cure the default(s) within such period.

**7.2. Termination in Event of Change in Translator Ownership.** Subject to Section 8 below, if Programmer enters into, or notifies Licensee of its intent to enter into, an agreement to sell the Translator, Licensee shall have the option to terminate this Agreement immediately. All amounts accrued or payable to Licensee up to the date of termination which have not been paid shall immediately become due and payable, and Licensee shall be under no further obligation to make available to Programmer any broadcast time or broadcast transmission facilities on the Channel.

**7.3 Termination in Event of Format Change.** If Programmer changes the nature of the Programming from music and related content of the hip hop genre, Licensee shall have the option to terminate this Agreement immediately. All amounts accrued or payable to Licensee up to the date of termination which have not been paid shall immediately become due and payable, and Licensee shall be under no further obligation to make available to Programmer any broadcast time or broadcast transmission facilities on the Channel.

8. **RIGHT OF FIRST REFUSAL; OPTION**

**8.1 Right of First Refusal.** During the Term, and for a period of one (1) year following the termination of this Agreement, in the event that Programmer receives at any time, a written bona fide offer from a third party to purchase the assets used in the operation of the Translator and the FCC license of the Translator (the "*Translator Assets*"), then Licensee shall have the right of first refusal to match all of the material terms of the offer. For the purpose of this paragraph, "right of first refusal" shall mean that prior to entering into any agreement with a third party, Programmer shall give written notice to Licensee of the financial terms and conditions which Programmer is then prepared to accept from such third party, and Licensee shall have the right, within thirty (30) days of such notice, to give written notice to Programmer that Licensee elects to enter into an agreement with Programmer on the financial terms and conditions, in which event Programmer and Licensee shall promptly enter into an agreement on such terms and conditions. In exercising its right of first refusal, Licensee shall have no obligation to match any term or condition not reducible to a determinable amount of money. If Licensee does not, within thirty (30) days, so notify Programmer, then Programmer shall be free to enter into an agreement with the third party on substantially the same financial terms and conditions.

**8.2 Option to Purchase.** Programmer hereby grants to Licensee an exclusive and irrevocable right and option to purchase (the "*Option*") the Translator Assets subject to the terms and conditions of an asset purchase agreement to be negotiated upon exercise of the Option. The purchase price shall be the fair market value of the Translator Assets as determined by the number of people within the service area of the Translator multiplied by a market standard cost-per-person figure appropriate for the population size. The term of the Option shall begin on the date of this Agreement and shall continue until exercised or until one (1) year after expiration or termination of this Agreement (the "*Option Term*"). Licensee may notify Programmer of its intention to exercise the Option by written notice any time during the Option Term. Programmer and Licensee acknowledge that the execution, delivery and performance of this Agreement are sufficient and adequate consideration for the grant of the Option.

**8.3 FCC Applications.** Programmer shall cooperate with Licensee in the preparation and prosecution of filing and securing grants of any applications for FCC authorization to assign the Translator Assets to Licensee in accordance with the terms of this Agreement.
