Private note

The consumer has explained that she received an unexpected bill due to streaming and was advised that she would not exceed the amount, provided. Originally she had listed Hulu in the complaint.

She has clarified that it involves overages billed by Blue ridge Cable and does NOT involve Hulu.

We have Hulu for tv. We have Blue Ridge Cable. My problem is with Blue Ridge Cable. We took back our boxes and cables. The lady at the counter updated us to \$79.95 per month we will never go over due to the streaming we do. I am sorry to bother you with this but I am not paying this \$ 270.00 bill since the error is on your end. We are all human and make mistakes.Thank you in advance for your immediate attention to this matter.

Sincerely

Hi [REDACTED],

Thank you for your submission. Your request has been received and assigned Ticket No. [REDACTED].

Unfortunately, we need additional information from you to take further action on your complaint.

So we can address your complaint as quickly as possible, please provide the information described below by replying directly to this email within 7 business days.

Additional information needed:

You have listed Hulu as your cable/internet service provider ? Hulu is an OTT/Streaming service that provides access to video content. The FCC does not have jurisdiction in this type of service matter.

Therefore, if your complaint involves your previous internet/cable service provider, please provide the name of that service company.

My husband and I returned our cable boxes and remotes. We upgraded to \$79.95 unlimited data at the highest gig. Today I got a bill for \$264.95 in overages. I called the Stbg store where I was told nothing ever took that we are still paying overages and the \$79.95 did not start until December!!!! I recommend all your employees are on the same page. My account # is [REDACTED]
[REDACTED] Also I quit cable the day we were in and only kept internet!!! I thank you in advance for a speedy resolve to this matter as I am not paying this bill as I don't have cable through blue ridge.
