FAMILY TALK

JANUARY 01, 2021 - Today as Family Talk concludes their "2020 Best of Broadcast" retrospective, you'll hear Dr. James Dobson's touching conversation with his longtime friend, Pastor Ed Young. In June of 2019, Dr. Dobson appeared at Pastor Young's church for Father's Day. Dr. Dobson talked about the impact his dad had on his life, and illustrated why boys and girls desperately desire a meaningful relationship with their own fathers.

JANUARY 04, 2021 - The uncertainty that has rocked our world in 2020 has caused many to wonder where God has been. Today on Family Talk, Dr. James Dobson speaks to that concern with Dr. R.T. Kendall, author of *We've Never Been This Way Before*. Dr. Kendall points out how America's moral waywardness may have led to these many months of turmoil. Hear why we must humbly return to God.

JANUARY 15, 2021 - In part two of this informative discussion, Dr. Lile and Dr. Clinton discuss the life-long effects that abortion will have on a woman, equating it in compassionate terms to a miscarriage. They shed light on the damage, pain and psychological scars that this single decision can have on the unassuming person who is seeking to rid herself of a "problem." Often times postpartum depression, shame, guilt, and in some cases, even suicide, can accompany this traumatic event in a woman's life. But there is hope. Drs. Lile and Clinton discuss God's healing grace and the promise of forgiveness that can cover even the most egregious sin. They close this interview by reminding listeners they are not alone. There are resources and understanding people ready to help a frightened girl or woman who is struggling with an unplanned pregnancy. The program concludes with a sorrowful acknowledgement of the 48th anniversary of *Roe v. Wade*, and a thank you to Dr. Dobson for staying in the fight and leading the stand for righteousness since the Supreme Court rendered its wicked decision to legalize abortion.

JANUARY 20, 2021 - For Christian men to be spiritual leaders in their homes, they need to possess the fear of the Lord. That's one of the fundamental messages shared by Ken Harrison, chairman of Promise Keepers men's ministry. On today's edition, Ken and co-host Dr. Tim Clinton candidly discuss the lure of pornography, along with finding true intimacy with your wife, and the necessity of praying together as a couple.

FEBRUARY 19, 2021 - Under the Biden administration, the pro-life movement has two urgent concerns. First, is the rapid expansion of the use of chemical abortifacients in the U.S., which now account for nearly 50 percent of all abortions. And second is the vilification, slander and censorship of pro-life groups on social media by "Big Tech," which label defenders of life as "hate groups"—even though today's youth are actually more pro-life than ever before, according to Kristan Hawkins, President of Students for Life of America.

FEBRUARY 11, 2021 - The premise of the "Heartbeat Bill" is simple: If a heartbeat is detected, the baby is protected against being aborted. Janet Porter's work on behalf of the unborn over the past decade has resulted in 10 states passing Heartbeat Bills into law, and they're gaining in popularity. According to public opinion research from The Barna Group, 7 in 10 Americans now support these bills, including 86% of Republicans and 55% of Democrats. In Janet's latest book, *A Heartbeat Away*, she predicts that the Heartbeat Bill will eventually pierce the heart of *Roe v. Wade*.

FEBRUARY 12, 2021 - Despite the fact that President Joe Biden has signed pro-abortion executive orders, God has been moving through the passage of "Heartbeat Bills" in 10 states (If a heartbeat is detected, the baby is protected against being aborted). On this edition of Family Talk, guest Janet Porter, author of *A Heartbeat Away*, says "what was once impossible is now inevitable! We are going to end abortion." She believes that God will use the Heartbeat law to eventually overturn *Roe v. Wade*, thanks in part to President Trump's three pro-life Supreme Court appointees.

FOCUS ON THE FAMILY

January 19: Holding on to Grace During an Unplanned Pregnancy - She had big dreams of becoming a famous singer. But when she experienced an unplanned pregnancy, she felt her life spiraling out of control. Kourtney Chapman tells her "almost-abortion" story,

and explains how God used her baby to change her entire family for the better.

January 21: How You Can Join the Pro-Life Movement - Many Christians want to save preborn babies, but we can't forget the women who may be at-risk for abortion! Amy Ford challenges us to encourage and rescue unwed single moms. Be a friend, volunteer, and support pro-life ministry!

January 22: Choosing Life After an Adverse Diagnosis - Doctors told them to abort their baby because of an adverse medical diagnosis they believed would threaten both the mother's and baby's life. But Peter and Suzanne Guy, bolstered by their strong faith, refused to give up hope for their daughter. Today, the whole family is speaking up for the pro-life movement!

January 25: Practical Ideas for Loving Your Wife - Sometimes married couples drift apart. Guys, if you've ever felt that might be happening, be sure to hear the next "Focus on the Family." Busyness, routines, or the little things can drive a wedge between you and your wife. So what should you do to rekindle the romance? We'll share some practical, simple ways to reconnect.

February 11: Walking Through Depression - Dealing with depression is a struggle, but you're not alone. Paul Asay shares personal insights to give you a glimpse into the dark and troubling world of depression and a few simple ways to manage it. You'll discover hope and healing through Christ for this troubling condition.

REVIVE OUR HEARTS

January 15 — Transformed Women: Meet Serena Dyksen - If you've ever felt hopeless and like you have nowhere to turn, make sure you listen to Serena's story. She was assaulted sexually in her teens, leading to a downward spiral in her life. Just when things seemed the bleakest, God stepped in to save her. Her testimony is one of hope, joy, and life because of Christ.

January 19 — A Plan for Redemption - Have you ever lost power during a storm? When that happens, especially during the night hours, even a small flashlight can make all the difference—the darker the night, the brighter the light.

February 13/14 — Surrendered to God's Call - You weren't created for yourself! You weren't created so that you could go and grab all you could get for yourself. You were created for the glory of God! A missionary working in Asia challenges you to think through why God put you on this earth.

February 20/21 — Be Encouraged in the Lord - When you're discouraged, there are some very specific ways you can be encouraged in the Lord. Nancy DeMoss Wolgemuth shows you how to set your heart on God Himself in the middle of discouraging circumstances.

March 1 — A Matter of Worship - I don't know if you've noticed this, but the details of life rarely "line up" the way we want them to. And sometimes that can really bother us! If you see perfectionistic tendencies in your own life or in the life of someone you love, be sure to listen to a round-table discussion on the topic of perfectionism and what the Bible says about it.

March 2 — I'll NEVER Measure Up! - Did you know Jesus said this? "You therefore must be perfect as your Heavenly Father is perfect." He did. It's in Matthew 5:48. But how does that command mesh with our Imperfection? We never measure up to God's standards, and what's worse, sometimes we set standards for ourselves that are higher than God's!

The preceding issues were determined through phone calls from listeners, letters from listeners, and a “verbal” sampling of community leaders, and monitoring of other media sources (i.e. television, newspapers, etc.) as well as issues that have come to the attention of the American Family Association .

FAMILY TALK

JANUARY 18, 2021 - At nine years of age, Kim Meeder tragically became an orphan in the blink of an eye. On today's Family Talk, you'll discover how she found indescribable solace in the presence of her horse and learned that God loves her unconditionally. As an adult, Kim felt led to replicate the Christian healing she experienced by founding Crystal Peaks Youth Ranch in Bend, Oregon, where she pairs rescued horses with broken children.

JANUARY 21, 2021 - Popular culture has seduced Americans with the false promise that seeking happiness instead of God's will should be life's goal. The message is that if you're not happy, then find a new religion, a new spouse, or even a new family. On today's broadcast, Dr. Bill Bennett asserts that having a healthy marriage and family depends upon an unflinching commitment, especially when times are tough.

JANUARY 22, 2021 - The world in which we live teaches us that we are merely the sum of our sensations. Today's generation is making a choice between nihilism—the belief that life is meaningless—and values that are grounded in Scripture. On this part two

edition, Dr. Bill Bennett, author of the best-selling *Book of Virtues*, warns that the popular culture is having a corroding effect, leading to the loss of innocence.

FEBRUARY 11, 2021 - The premise of the "Heartbeat Bill" is simple: If a heartbeat is detected, the baby is protected against being aborted. Janet Porter's work on behalf of the unborn over the past decade has resulted in 10 states passing Heartbeat Bills into law, and they're gaining in popularity. According to public opinion research from The Barna Group, 7 in 10 Americans now support these bills, including 86% of Republicans and 55% of Democrats. She believes that God will use the Heartbeat law to eventually overturn *Roe v. Wade*, thanks in part to President Trump's three pro-life Supreme Court appointees.

FEBRUARY 24, 2021 - Long ago, the culture stopped listening to Grandma and her timeless wisdom for raising children. So today, we tend to focus too much on accomplishments, instead of prioritizing character development. John Rosemond, author of *A Family of Value*, talks about parental discipline, strengthening marriage, and creating a stable family by emphasizing the "three R's"—respect, responsibility, and resourcefulness.

MARCH 08, 2021 - Young children have a God-inspired curiosity about the world around them, typically prompting a flood of questions. But with parents busier than ever, the danger is that we either ignore these questions or belittle them. Cheri Fuller, author of *Motivating Your Kids from Crayons to Careers*, urges parents to affirm their child's desire to learn—and, if you don't readily know the answer to his or her question, look it up together.

MARCH 09, 2021 - Has learning become a burdensome chore for your children—and an ongoing frustration for you as a parent, as well? In today's edition of Family Talk, Cheri Fuller, author of *Motivating Your Kids from Crayons to Careers*, reminds parents that their own curiosity about the world around them can be infectious. She suggests engaging with your kids about their particular interests, talking about your Christian faith walk, sharing your experiences growing up, and possibly interviewing their grandparents, too. Doing so will help unwrap your child's God-given gifts and ignite an unquenchable passion for learning.

FAMILY TALK

JANUARY 11, 202 - Former baseball star and World Series champion Darryl Strawberry had a seemingly successful life.

However, the fame and fortune of being a professional athlete led to a very destructive and harmful lifestyle. Today Darryl talks with Dr. Tim Clinton about this dark season and the way God radically changed his future.

JANUARY 12, 2021 - In Luke 12, Jesus warned His followers to "be on guard against all kinds of greed." On this inspiring broadcast, Dr. Tim Clinton concludes his interview with former Major League baseball player, Darryl Strawberry. He continues to reflect on the destructive lifestyle he was saved from, and explains why our past scars are a testament to God's grace.

JANUARY 15, 2021 - In part two of this informative discussion, Dr. Lile and Dr. Clinton discuss the life-long effects that abortion will have on a woman, equating it in compassionate terms to a miscarriage. They shed light on the damage, pain and psychological scars that this single decision can have on the unassuming person who is seeking to rid herself of a "problem." Often times postpartum depression, shame, guilt, and in some cases, even suicide, can accompany this traumatic event in a woman's life. But there is hope. Drs. Lile and Clinton discuss God's healing grace and the promise of forgiveness that can cover even the most egregious sin. They close this interview by reminding listeners they are not alone. There are resources and understanding people ready to help a frightened girl or woman who is struggling with an unplanned pregnancy. The program concludes with a sorrowful acknowledgement of the 48th anniversary of *Roe v. Wade*, and a thank you to Dr. Dobson for staying in the fight and leading the stand for righteousness since the Supreme Court rendered its wicked decision to legalize abortion.

FEBRUARY 19, 2021 - Under the Biden administration, the pro-life movement has two urgent concerns. First, is the rapid expansion of the use of chemical abortifacients in the U.S., which now account for nearly 50 percent of all abortions. And second is the vilification, slander and censorship of pro-life groups on social media by "Big Tech," which label defenders of life as "hate groups"—even though today's youth are actually more pro-life than ever before, according to Kristan Hawkins, President of Students for Life of America.

FEBRUARY 26, 2021 - Is the family becoming an endangered species? It is in some of America's inner cities. According to the National Vital Statistics Report, published by the CDC, in 2015 over 70% of African-American children were born out of wedlock. Of the remaining 30%, half will likely lose their fathers to divorce or abandonment. Former NFL player Steve Fitzhugh's passion is to reach out to and teach kids who are surrounded by a culture of drugs, violence, and futility—and to help them understand that God has an amazing plan for their lives.

MARCH 22, 2021 - Are you grieving the loss of a loved one and wondering if anything will ever be safe or certain again? Pastor Jonathan Pitts, whose wife, Wynter, died unexpectedly in 2018, shares his darkest days of grief with breathtaking vulnerability. He and his four daughters found strength and hope in the Lord, comfort in their church community, and courage in each other to carry on.

MARCH 23, 2021 - When Pastor Jonathan Pitts took his wife, Wynter, into his arms for their anniversary dance, he had no idea that within a month she'd unexpectedly die at the age of 38. The former executive director of Dr. Tony Evan's ministry, "The Urban Alternative," he shares how he and his four grieving daughters found comfort through singing their favorite hymns together and by simply being there for each other. In this intimate and heartfelt tribute to Wynter's life, Pastor Jonathan calls upon us to live fearlessly and never to assume we know God's plan.
