### **How to Defend our Nation Before It's Too Late - Part 2 - OCTOBER 20, 2020**

America's acceptance of evil and immorality is distancing us further and further from our God and His special provision for this nation. He warns that if you don't have a SPECT brain scan, eat healthy, and limit alcohol, you might be among the 50% percent of the US population who are diagnosed with dementia in their twilight years.
