

Certification of Compliance
With Children's Television Programming Commercial Limits

For the One-Year Period
January 1, 2020 through December 31, 2020*

The attached document, prepared by the CBS Television Network (the "Network") certifies that the children's programming distributed by the Network to its affiliates was not required to conform to the commercial time limits prescribed in the Communications Act, as amended, 47 U.S.C. §303a, and 47 C.F.R. §73.670(a)-(d) because the programming was all originally produced and broadcast primarily for an audience of children older than 12. See C.F.R. §73.670, Note 2.

In addition to the Network's children's programming, during the above period, KTVA broadcast the following syndicated program originally produced and broadcast primarily for an audience of children 13-16 years of age:

- Animal Rescue

On behalf of KTVA, I further certify that the above listed syndicated children's programming, as broadcast by KTVA, was not required to conform to the commercial time limits prescribed in the Communications Act, as amended, 47 U.S.C. §303a and 47 C.F.R. §73.670(a)-(d) because the programming was all originally produced and broadcast primarily for an audience of children older than 12. See 47 C.F.R. §73.670, Note 2.

* KTVA went silent as of September 3, 2020, with FCC authorization. Accordingly, no programming (including programming for children 12 years old and younger) was aired from that date through December 31, 2020.
