Education					
10/1/2017	6:24 AM	41 Action News Today @ 6A	1:30	Braille Book	The Blue Valley School District is now being sued in federal court by a family of a student who is blind. For more than a year, the Petro family has been in a battle with blue valley schools over their daughter's individualized education plan. The Petros say the school changed the contract without their permission. The issue at hand, is over 10-year-old Brooke Petro's braille books. Brooke is legally blind. In 2015, blue valley and the Petros signed an agreement, that while Brooke attends private school, blue valley would cover the costs of her braille materials as long as her parents covered the costs of her education.
10/2/2017	10:08 PM	41 Action News at 10	1:00	KS Schools Ruling	Today - the State Supreme Court ruled lawmakers did not boost school funding enough. The ruling impacts more than 300 thousand students in Kansas public schools. Lawmakers now have until July 2018 to increase funding in a new law and make sure every school is adequately funded for a proper education.
10/19/2017	11:27 AM	41 Action News Midday	:20	Ks Test Scores	Public school students in Kansas did not improve their scores on annual state tests. The Kansas State Board of Education said: performance on the math test was the same as last year. Scores dropped in English and language-arts. The state expects those scores to slowly increase. As the design of schools changes.
11/1/2017	10:17 PM	41 Action News at 10	:10	KCMO School Fair	On November 11th, the city will have its school fair to help families find the right schools for their children. It will feature 55 public, charter and private schools. The event will be at central library.
11/29/2017	11:15 AM	41 Action News Midday	:25	MO Board Lawsuit	A legal battle is brewing in Missouri over education leadership. John Summers is suing Missouri Governor Eric Greitens. Summers was appointed to the Missouri Board of Education -- but the governor rescinded the appointment days before a crucial vote. Summers said the governor's staff pressured him to vote to replace the commissioner of the board. When he refused, Summers said was taken off the board. The governor has not commented on the suit.
11/9/2017	6:52 AM	41 Action News Today @ 6A	:25	College Loan Fraud	New information today about student loan forgiveness and for-profit colleges. An analysis from the education department -- found that students from those colleges filed more than 98 percent of the requests for student loan forgiveness. For-profit schools include ITT Tech and Corinthian colleges, which previously closed. The associated press has reported that the education department is considering abandoning full loan cancellation in favor of partial forgiveness.
12/26/2017	11:10 AM	41 Action News Midday	:25	CPR School Requirements	A part of your kids' education will include learning how to save a life. Kansas students will have to learn how to perform CPR to get their high school diploma. According to the Lawrence Journal-World... The Kansas Board Of Education approved the new requirements. It will begin next year. Kansas will be the 38th state to require CPR training for graduation. It's estimated that nearly 33-thousand Kansas high school students will be trained in CPR.
12/10/2017	6:05 AM	41 Action News Today @ 6A	:20	KS Education Funding	Kansas republicans are talking again about possibly amending the state constitution. It comes after the Kansas Supreme Court's latest order to spend more on public schools. Some lawmakers want to put a check the court's power. They think spending decisions should come from the legislature. Such proposals have come up before. But they've never gotten enough support to make it to a public vote.
12/1/2017	5:05 AM	41 Action News @ 5A	:20	KCPS School Registration	There's a new easy way to apply for enrollment in one of Kansas City's Signature Schools. Starting today, you can go to "enroll k-c dot org." if you don't have the internet, that's fine. You can use a computer kiosk at the board of education building. Signature schools feature unique themes and programs. The deadline to apply is January 19th.
Families/Community/Consumer					
10/31/2017	5:03 PM	The Now	:25	Uber Safety	To help you stay safe when using ride-sharing services like Lyft or Uber -- here are things you need to remember. Most apps will show you a picture of your driver as well as the vehicle he or she drives and a license plate number. Double check to make sure all that info matches up before you get in. When you do get in, tell your friends and family so they can follow your route and know when you should arrive.
10/31/2017	6:46 PM	41 Action News at 6	1:40	KC Safe: Phone Apps	This week, KC Safe Online focuses on apps to help parents. Teens typically live on their phones and you may not know who they are texting or what their watching. 41 action news anchor Mike Marusarz shows us some of the apps designed to hide what your kids are doing online -- and how to can keep them safe.
10/1/2017	8:40 AM	41 Action News Today Weekend	:20	Whole Foods Data Breach	A consumer alert this morning: Whole Foods is admitting to a data breach of credit and debit card information. The company says it happened to customers who bought meals or drinks at its in-store restaurants or bars. Those venues use a different point of sale system than the main checkout system. Whole Foods says the data breach did not affect its main checkout registers.
11/27/2017	5:50 AM	41 Action News @ 5A	2:30	City Union Mission	From the chaos of Black Friday...to Cyber Monday's online deals... Holiday shopping season is in full swing. A stressful time for families living paycheck to paycheck... Or with even less. Sometimes there just isn't anything extra for gifts. This morning, Joel Nichols is showing us how the city union missing is filling that gap for local families.
11/4/2017	6:05 AM	41 Action News @ 6A	1:55	Pops has a place	It's a battle impacting nearly half a million families across the nation -- homelessness. 41 Action News first brought you this man's story - after a picture of him crying in a burger king went viral. At the time -- he was homeless. But thanks to one woman -- this man's life is now changed. 41 Action News reporter Sarah Plake shows us how.

11/10/2017	10:09 PM	41 Action News at 10	:20	Netflix Email Scam	In a consumer alert -- you'll want to think twice before responding to an email from Netflix. It could be a scam. Users are receiving an email that tells them their accounts could be suspended. It directs them to update their billing information and restart their memberships. The bogus email also includes a link to a fake Netflix website. Don't click it and don't give your information.
12/31/2017	8:18 AM	41 Action News Today Weekend	:35	Couple Loses 91k	A consumer alert this morning-- if you're planning on buying a house soon. A couple in Utah lost almost a hundred-thousand dollars after scammers posed as their real estate agent. The couple says they received a message from an email address that was nearly identical to their agents. The only difference was one single letter. They ended up wiring the scammer 91-thousand dollars. The FBI is trying to track down the money. Experts say *always* call your agent directly
12/20/2017	6:17 PM	41 Action News at 6	:30	Protecting Gift Cards	A consumer alert tonight -- if you're planning on buying gift cards -- there are some extra steps you need to take to protect the money. Experts say you should avoid buying gift cards from public racks in the store. Thieves can take pictures of the card numbers -- and drain the card as soon as it's activated. If you do buy from the rack -- make sure the pin number is hidden. And if you still have problems with the card -- call the number on the back --instead-of searching online. Scammers can create very realistic looking customer service pages.
12/29/2017	5:50 AM	41 Action News @ 5A	:20	Apples Responds	Apple is responding to complaints of slow running iPhones -- after admitting to slowing down older models to keep devices running smoothly - Apple is now reducing the price of replacement batteries for older phones from 50 dollars to 29 dollars. The company says it never meant to hurt user experience. It also plans to issue a software update with tools to track the health of your battery.
Government					
10/30/2017	6:03 AM	41 Action News @ 6A	1:30	Kancare	A proposed change to who can... And can't... Have Kancare could drum up some serious controversy. 41 action news reporter Steven Dial joins us with a breakdown of what state leaders are looking to implement. They're calling the concept... Kancare 2.0. The biggest change... To qualify for the health benefits... You would have to prove you have a job. If this is implemented, it would impact about 14-thousand people... And Kansas would be the only state to make this kind of change. Some states have this requirement for food stamps. State leaders say it is time to tweak Kancare. It has been around since 2013. Right now, 400-thousand people use the healthcare tool. Leaders say changes are needed to create stability and focus on the "whole person". While making people work to be eligible for Kancare is a shift from how the program currently works... The Kansas Secretary on Aging says it might not impact as many people as you think.
10/2/2017	11:06 AM	41 Action News Midday	:20	Supreme Court	The new term begins today for the US Supreme Court. It's the first full term for the court during the trump presidency. The justices are expected to take up several controversial issues. Including the president's travel ban. A dispute over a wedding cake for a same-sex couple, partisan electoral maps and the government's ability to track people without search warrants.
10/6/2017	5:05 PM	41 Action News at 5	:20	MO Blunt Response	Missouri Senator Roy blunt praised the trump administration's move today. Sending out this statement -- I commend President Trump for following through on his promise to restore and protect the religious freedom and conscience rights of all Americans. "No act of government should ever force Americans to compromise their faith.
11/2/2017	5:24 AM	41 Action News @ 5A	:15	MO Gov Positions	A panel created by Missouri Governor says around 450 gubernatorial appointments should be eliminated. Governor Greitens says it's a good step toward shrinking the government. Right now, Missouri has more than 200 boards and commissions -- the taskforce found some have similar purposes while others no longer meet.
11/5/2017	10:53 PM	41 Action News at 10	2:15	KC Vote Preview	New at ten -- in less than 48 hours -- we'll know the fate of a new single terminal at KCI. 41 Action News Reporter Cat Reid shows us how supporters and opponents are ramping up efforts to sway voters in these final days.
11/27/2017	10:08 PM	41 Action News at 10	:20	Congress Returns	Congress hopes to tackle two battles in the next few weeks -- tax reform and a possible government shutdown. Today -- President Trump hosted a group of republican senators to talk about the tax bill. A vote is expected Thursday. Congress will then turn its attention to government funding. If a new bill is not passed by December 8th -- there will be a partial shutdown.
12/1/2017	10:03 PM	41 Action News at 10	:35	GOP has the Votes	Today the Senator Majority Leader said republicans have the votes to pass the 1.4 trillion dollar bill. It includes tax reductions on businesses. Republicans say that workers will benefit when companies pay less in taxes -- it will free up cash to hire employees and expand operations.
12/4/2017	5:04 PM	41 Action News at 5	:35	Things to know: Tax Bill	The tax overhaul bills passed by the house and senate change your tax returns in several ways. But there are some key differences that will need to be hammered out. Here are three you need to know about. The mandate to buy health insurance. According to CNN -- the senate bill eliminates the mandate by reducing the penalty to zero. The house version preserves it. Tax brackets. The senate bill keeps all seven brackets -- but lowers the rate. The house calls for four brackets. Mortgage interest deduction. The senate bill keeps it as is. The house bill lowers the mortgage debt on which interest may be deducted to 500-thousand dollars.
12/28/2017	5:05 PM	41 Action News at 5	1:40	Property Taxes	Just a few days left in 2017-- and people are lining up to pay their property taxes...but as 41 Action News Anchor Cynthia Newsome shows us - because of the new federal tax overhaul - things are different this year.
