So, he did the next best thing and took the church to them. Each Sunday morning, a church literally 'rolls-up' into a parking lot to share breakfast together with the homeless, to talk with them about their problems, but most importantly, to share with them the goodness of Christ. Pastor Keith Akins began the Church at Southside a few years ago wanting to serve the homeless. At first no one came. But when the word got out about his rolling church, his mission began to grow. Pastor Akins admits the first time they pulled up to the parking lot, no one showed. Then a couple showed up and wound up giving them all the food that day to share with their friends. Then after weeks of trying, people from all walks of life began to stop by. And while feeding the people is his goal, Akins says Jesus is what brings the people together. Pastor Akins says his mobile church has been life changing. His mission is to feed the homeless and remind those who don't have a home that God loves them, cares for them and has made a way.
