Section I. Issues

The above stations have identified the following issues as significant issues facing our community in this quarter:

- A. **DUI Awareness:** Local law enforcement implemented their annual holiday season DUI emphasis and awareness campaign. 1 in 3 Americans will be involved in an alcoholic traffic accident during their lifetime. Impaired driving destroys lives, costs thousands and puts the public in danger.
- B. **Crime:** A rash of identity theft scams made their way through the Tri-Cities in 2019. The impact of identity theft can be crippling and local law enforcement has presented warnings and workshops for residents.
- C. **Education/Reading:** From smartphone use to TV use, it can be hard for children to dive into a new book. Local libraries are making it easier for families to access books and stressing the importance of starting a reading and story-time routine.
- D. **Health/Caregiving:** The Tri-Cities is a popular retirement community with many aging Traditionalists and Boomers. Deciding on how to care for elderly family members can be challenging. We weighed the options of hiring a service or providing the care at home.
- E. **Finance:** The ease of buying products online has put many families in tight financial situations. Most Americans barely have any savings. Local financial institutions offer advice on how to become more fiscally responsible through simple and small steps.
