Re: WCIA and WCIX ("Station(s)"), each a broadcast television station that is licensed to Nexstar Inc. (fka Nexstar Broadcasting, Inc.) or a subsidiary or affiliated company thereof ("Broadcaster" or "we") and licensed respectively to the following designated market area(s): the Champaign-Springfield-Decatur designated market area (each, a "Covered DMA"):

Dear Glenn:

This will acknowledge receipt of Mark Riddle's (of Vivicast Media) letter to WCIA, dated October 14, 2020, sent on Pavlov Media's behalf and notifying the Station(s) of your intent to provide cable television service in the Covered DMA "to commence on December 1, 2020." While your letter only mentioned WCIA, please note that Broadcaster also operates Station WCIX in the Covered DMA and, thus, this election notice also applies to that Station as well.

Pursuant to 47 USC § 325(b)(3)(B), 47 CFR 76.64(f)(2), and 47 CFR 76.64(k), Broadcaster elects, for the remainder of the three-year period ending December 31, 2023, to assert its right, under 47 USC § 325(b)(1)(A) and 47 CFR 76.64(a), to have the broadcast signal of each Station carried on cable systems only if we have provided our express written consent. This election applies to each system identified in your letter and any other cable or other qualifying multichannel video programming distribution system that you own, operate, or manage. This election is not intended to affect any retransmission consent or other agreements that Broadcaster (or any related companies) may currently have in place with you.

We look forward to discussing your retransmission of each Station's signal and related matters with you in the near future. In that regard, our contact person for retransmission consent matter is: Kevin Connor, whose contact info is: KJConnor@nexstar.tv and (203) 955-1940 or Keith Hopkins, whose contact info is: khopkins@nexstar.tv and (215) 738-0497.

Warmly,
