Dear Cindy,

You are helping provide security and comfort to families in our community. Thank you so much for your recent in-kind contribution of two tickets to the Elton John: Farewell to the Yellow Brick Road show.

Your donation was the perfect addition to the live auction at our RetroFittings event. This year, 450 guests attended this one-of-a-kind fashion show and fundraising event in support of St. Vincent de Paul's programs. Whether it is children who don't have winter coats and gloves or a grandfather whose lost job means he can't pay his utility bill, these programs benefit thousands of neighbors in need. However, initiating these endeavors would not be possible without the support of caring community partners like you.

With your help more than \$190,000 was raised through RetroFittings to support these neighbors—wow! Thank you, again, for your response of compassion and generosity.

We are grateful for your faith in our mission as we extend our reach to even more families in need. Thank you!

With gratitude,

Renee Berlon
