**Re: 2018-2020 Three-Year Election for Retransmission Consent NOTICE
SagamoreHill elects Retranmission Consent**

Dear Sir or Madam:

In accordance with Section 76.64 of the Rules of the Federal Communications Commission ("FCC"), this is to notify you that Station KXLT Rochester, MN (the "Station") elects to require Communications 1 Network Inc. to **obtain the consent of the Station** for retransmission of its broadcast signal effective January 1, 2018, through December 31, 2020, for all geographical areas. Consent of the Station for retransmission of its signal will be required for, but not limited to, the system(s) serving the community(ies) and county(ies) in the Rochester – Mason City, Austin (MN & IA) Designated Market Area as defined by the Nielsen company.

We need to discuss the terms under which the system(s) may retransmit the Station's signal. (My contact information is below.) If you already have a retransmission consent agreement with the Station or with SagamoreHill Broadcasting, or an affiliate thereof (collectively, "SHB") that covers the Station for all or a portion of the January 1, 2018, through December 31, 2020, cycle, then the terms of that agreement will govern for the period specified in the agreement. If such an agreement expires prior to December 31, 2020, then it will be necessary for you to negotiate for retransmission consent following that expiration. In addition, if any retransmission consent agreement between you and the Station or SagamoreHill contains an automatic renewal provision, then this letter shall also serve as notice of termination of that agreement, and it will be necessary for the system(s) to negotiate for retransmission consent following expiration of the current term of that agreement.

**Re: 2018-2020 Three-Year Election for Retransmission Consent NOTICE
SagamoreHill elects Retranmission Consent**

Dear Sir or Madam:

In accordance with Section 76.64 of the Rules of the Federal Communications Commission ("FCC"), this is to notify you that Station(s) WISE - Ft Wayne IN, WLTZ-TV Columbus GA, KDLH - Duluth, MN, KZTV - Corpus Christi, TX, KXLT - Rochester, MN, WVNC - Watertown NY (the "Station(s)") elect to require Charter Communications (and any cable companies or systems obtained or merged with Charter such as Time Warner or Brighthouse) to **obtain the consent of the Stations** for retransmission of its broadcast signal effective January 1, 2018, through December 31, 2020, for all geographical areas. Consent of the Stations for retransmission of its signal will be required for, but not limited to, the system(s) serving the community(ies) and county(ies) in the Columbus GA- Opelika, AL, Watertown, NY, Fort Wayne IN, Rochester - Mason City, Austin (MN & IA), Duluth- Superior, MN, Corpus Christi TX Designated Market Areas as defined by the Nielsen company.

We need to discuss the terms under which the system(s) may retransmit the Station's signal. (My contact information is below.) If you already have a retransmission consent agreement with the Stations or with SagamoreHill Broadcasting, or an affiliate thereof (collectively, "SHB") that covers the Stations for all or a portion of the January 1, 2018, through December 31, 2020, cycle, then the terms of that agreement will govern for the period specified in the agreement. If such an agreement expires prior to December 31, 2020, then it will be necessary for you to negotiate for retransmission consent following that expiration. In addition, if any retransmission consent agreement between you and the Stations or SagamoreHill contains an automatic renewal provision, then this letter shall also serve as notice of termination of that agreement, and it will be necessary for the system(s) to negotiate for retransmission consent following expiration of the current term of that agreement.

Sincerely,

Louis S. Wall
