**Re: HEALTHCARE NOTICE FOR MEDICAL TELEMETRY DEVICES WBEC-TV (BOCA RATON, FLORIDA) TO CHANGE DIGITAL BROADCAST CHANNELS**

Dear Sir/Madam:

This is to announce that WBEC-TV, licensed to the School Board of Broward County, Florida, as part of a national repacking of the broadcast television frequency band, as of June 1, 2018 (with testing beginning as early as May 15, 2018) will be changing its digital broadcast from its current TV Channel 40 (626-632 MHz) to TV Channel 25 (536-542 MHz).

WBEC-TV's signal is broadcast from a tower within Broward County located at 4991 SW 28th St., Pembroke Park, FL 33023, at a transmission height of 285 meters above average terrain, and with a maximum effective radiated power of 1000 kilowatts.

The station's authorization requires WBEC-TV to make a good faith effort to provide notice of its commencement of digital broadcast transmissions on its new channel to certain types of health care facilities that may be using medical telemetry equipment on broadcast channels on a secondary, non-interfering basis. Because WBEC-TV's service contour covers substantial portions of Dade, Broward and Palm Beach Counties, you have been included in this notice.

Please direct any questions or inquiries regarding this change to my attention at [chris.bartch@browardschools.com](mailto:chris.bartch@browardschools.com).

Sincerely,

Chris Bartch  
Station Manager

RR/CB:cy
