## **ABC NEWS PROGRAMS – First Quarter, 2023**

### **20/20**

Friday, January 6, 2023

#### **I Have Been Watching**

Antonio Armstrong — a former NFL player turned successful business owner — and his wife, Dawn Armstrong, raised what seemed to be a picture-perfect Texas family centered on faith and football. But on a fateful night in July 2016, everything changed when their then 16-year-old son AJ called 911 and reported that he heard gunshots from their room. When police arrived, they found the murder weapon had been left behind along with a mysterious note that read, “I’ve been watching for a long time.” In a new “20/20,” ABC News chief national correspondent Matt Gutman has the first network interview with AJ, who was quickly identified as the prime suspect by authorities.

Friday, January 13, 2023

#### **Horror in Idaho: Student Murders**

Terror gripped the rural town of Moscow, Idaho, when authorities found four University of Idaho students — Ethan Chapin (20), Madison Mogen (21), Xana Kernodle (20) and Kaylee Goncalves (21) — stabbed to death in an off-campus house in November. The case quickly made national headlines as police worked to identify a suspect and piece together answers to the puzzling crime. A shocking break in the case occurred when authorities arrested Bryan Kohberger, a 28-year-old Ph.D. student at Washington State University, as the primary suspect and charged him with four counts of first-degree murder. ABC News correspondent Kayna Whitworth reports.

Friday, January 20, 2023

#### **What the Little Girl Saw**

When former semi-pro hockey player Thomas Clayton found his wife, Kelley Clayton, murdered in their New York home one night after a late poker game, he called 911 in distress. But as police investigated, they discovered evidence calling Thomas’ motives into question and sensed something more sinister at play. A new “20/20” reveals the twisted plot behind the gruesome murder of the mother. ABC news correspondents Deborah Roberts and Byron report.

Friday, January 27, 2023

#### **New Year’s Evil**

When Shele Covlin — a 47-year-old mother of two and successful banker — is found dead in her bathtub in her luxury apartment on the Upper West Side of Manhattan, it seems at first like a tragic accident. But family members quickly grow suspicious of her estranged husband, Rod Covlin, especially after authorities exhume her body and come to a shocking conclusion: Shele was strangled. ABC News correspondent and Deborah Roberts reports.

Friday, February 3, 2023

#### **Killed or Be Killed?**

When a father of two ends up dead, was it a case of self-defense or murder? Mother of two Nikki Addimando admitted to police that she shot and killed her partner, beloved gymnastics coach Chris Grover, in their home. But did she pull the trigger in self-defense after enduring years of physical and sexual abuse at the hands of Grover, or did she stage the crime scene and murder her partner in cold blood? “20/20” reports on the death that divided the town of Poughkeepsie, New York, and the complexities that domestic violence survivors face when going through the criminal justice system. “Nightline” co-anchor Juju Chang reports.

Friday, February 10, 2023

## **A Letter from the Grave**

Julie Jensen seemed to have it all — her loving husband, Mark Jensen, two beautiful children and an idyllic life in Pleasant Prairie, Wisconsin. When she was found dead in her bedroom just weeks before Christmas, her family and friends were devastated. But what was really going on in Julie and Mark's marriage, and could it have led to her murder? "Good Morning America Weekend" co-anchor and "World News Tonight Saturday" anchor Whit Johnson reports.

Friday, February 17, 2023

## **Double Life**

Who would kill a mother-daughter pair in cold blood? Engaged to be married and designing her wedding dress, Angel was killed just weeks before her wedding. Her mother, also a victim, lived long enough to speak with police. But when everyone with access to the house had an airtight alibi and authorities found no physical evidence, the police were stumped — until the case took a shocking turn. In a new "20/20," ABC News correspondent Ryan Smith reports.

Friday, February 24, 2023

## **A Model Murder**

Kelsey Turner seemed made for Las Vegas: an Instagram model with a Playboy past and a lavish lifestyle. But behind the scenes, an unexpected figure was financing her life of luxury. Dr. Thomas Burchard, a 71-year-old child psychiatrist and well-respected community member, was doling out his life savings to support the flashy influencer. When Burchard was found dead in a car, abandoned in the desert, the illusion of this Instagram-worthy lifestyle comes quickly crashing down as investigators set their sights on Turner and her boyfriend, Jon Logan Kennison. "20/20," ABC News contributor **Chris Connelly** reports.

Friday, March 3, 2023

## **Alex Murdaugh Trial**

It's the mystery the whole country is talking about right now. Alex Murdaugh, the patriarch of a Southern legal dynasty, stands accused of murdering his wife and son, Maggie and Paul Murdaugh. One of the most powerful families in South Carolina, the Murdaughs made headlines in 2019 when Paul was involved in a boating accident that resulted in the death of 19-year-old Mallory Beach. Since then, a string of unusual events has unraveled in the public eye. With his murder trial now wrapping up, jurors have to answer this question: Did Alex murder his family to distract from his mounting financial crimes? This two-hour "20/20" breaks down the gripping, ongoing trial, Alex's not-guilty plea, and digs into the possible motives alleged by prosecutors behind these brutal murders.

Friday, March 10, 2023

## **Andrea Cincotta**

Chris Johnson and Andrea Cincotta were the picture-perfect image of an engaged couple. But everything changed one tragic night in August 1998, when Johnson found his fiancée lifeless in a closet in their shared apartment. Police peg Johnson as the killer after he confesses during interrogations that spanned 28 hours over three days. But when the details fail to add up, they are left asking: Who really killed Andrea Cincotta? A new "20/20" reports on the twists and turns in the investigation.

Friday, March 17, 2023

## **The Last Strike**

When mother of two Nikki Entzel reported a house fire at her North Dakota home in January 2020, it appeared to be a senseless tragedy when police found her husband Chad Entzel's badly burned body still inside. As investigators dug deeper, inconsistencies at the crime scene and in Nikki's story revealed something more sinister at play. A new "20/20" reports on the dangerous love triangle between Nikki, Chad and Earl Howard and how it ended with murder and arson. ABC News correspondent **John Quiñones**' reports.

Friday, March 24, 2023

## **You've Got Jail**

Sharee Miller sat in the center of a complicated love triangle. She used sex, deception and the internet to pit her lover, Jerry Cassaday, a former police officer and casino worker she met in an online chatroom,

against Bruce Miller, her unwitting husband. In online conversations with Cassaday, Miller faked losing multiple pregnancies at the hands of Bruce, who she falsely claimed physically abused her and had ties to the mafia. Soon after she told these lies, both men wound up dead. More than 20 years after her sentencing to life in prison, Miller sat down for an interview with “Nightline” co-anchor Juju Chang. Miller confesses to her crimes.

### **Running Out of Time**

When Lauren McCluskey, a student-athlete at The University of Utah, met a bouncer at a local bar, it seemed like the start of a fairy-tale romance. Lauren’s friends grew concerned by his increasingly controlling behavior and urged her to stop seeing him. Lauren discovered that her boyfriend wasn’t who he said he was — his real name was Melvin Rowland, a 37-year-old sex offender who had recently been released from prison. Lauren ended the relationship and contacted campus police when he began extorting and harassing her. After over a week of repeatedly asking campus police, local law enforcement and school officials for help, Lauren was kidnapped and later found dead in a car. “20/20,” anchor David Muir and ESPN journalists T.J. Quinn and Nicole Noren report.
