Hello Uinta County,

The unchecked rise in property tax is forcing Citizens to choose between selling the family home, buying food, paying tax, or pay their heat bill. This shouldn't be happening in a state in which even counties have millions in reserves. In the last 14 months the legislature has put over 2 Billion in savings. This devastating rise hurts all ages but especially seniors on fixed income. Wyoming has \$28 Billion in state reserves. Education is fully funded at \$2 billion and we have a \$10 Billion budget. Our Legislature couldn't pass 21 tax relief bills. The Wyoming Constitution provides that the People can enact legislation through petition and ballot bypassing the Governor and the Legislature so we filed a bill to cut taxes in half. It needs your signature and your vote.

This town hall is hosted by the BCR Chairman Brent Bien, and Richard Weber Operations Manager from the Committee of Applicants.

When:
Sunday, December 10 from 3 pm to 5 pm

Where:
Our Savior Lutheran Church
