To all interested  
Political Files  
Explanation

---

### Greetings

Per Section 73.1943 [1], licensees are required to document each political candidate's broadcasts. This file must contain all requests for specific schedules of advertising time by candidates and certain issue advertisers, as well as the final dispositions or "deals" agreed to by the broadcaster and the advertiser in response to any requests.

WMSV does not participate or air any political campaign materials or enter in to contracts with any political party or candidate. Therefore, WMSV has not any files or contracts to upload to this section.

Sincerely,

*Anthony Craven*
