Christy,

Sorry for the delay. Everything has to run up the chain and back down to me before I can get back to you.

We want to do 15, thirty second ads on The Blaze (KBAZ) tomorrow, Friday the 24th. So 15 ads at \$50 each comes out to \$750, correct?

Can I send you credit card info other email or do you have a form for me to fill out. I am also awaiting the paperwork you sent me to be filled out.

Thanks,

Christy,

Just want to make sure I am reading the chart right so for Friday spots are \$80 for a 30 second ad and The Blaze is \$50 for Friday 30 second spots?

Christy,

Just wanted to touch base about the rates for the political advertisement we want to advertise and anything else I can do to get the ball rolling.

Thanks,
