Radical liberal Natalie Tennant is back. That's right. Tennant is running again after she left the Secretary State's office a dysfunctional mess. And Tennant doesn't share our West Virginia values. She was a delegate at the liberal democratic convention for Barack Obama, Hilary Clinton and Joe Biden. The truth, Natalie Tennant is a failed career politician who never wanted the job of Secretary of State. It was just a launching pad for her failed runs for Governor and Senate. But West Virginia has turned the page and Conservative Secretary of State Mac Warner is working with President Trump to keep America great. Christian family man, sixth generation West Virginian, a graduate of West Point, U.S. Army Veteran. Secretary of State Mac Warner cleaned up the office and is fighting against election fraud ensuring every West Virginian can safely and securely vote. Endorsed by West Virginians for Life, Friends of Coal, member of the NRA, pro Trump conservative. West Virginia Secretary of State Mac Warner. Paid for by Mac Warner 2020.0
