

# The Adam Ritz Show

## WSKI-AM – First Quarter Topics and Issues Report

### April 1, 2023 – June 30, 2023

Aired 4/2/23 7:30a Duration:30Min

This show begins with a report on a few recent heroes in Florida and Iowa who acted quick to jump in a lake to save an elderly person from a sinking vehicle. The Florida rescue was performed by first responders and professionals, while the Iowa rescue was a fast thinking teen, who braved the ice waters. Other segments include; Eyedrops recall in 16 states; NBA basketball charity effort; and more.

Aired 4/9/23 7:30a Duration: 30Min

This show begins with a discussion of Tornado Relief, after several severe storms caused major damage and loss of life recently in Mississippi, Missouri, Indiana, and more parts of the south. To make a donation and help click on [RedCross.org](https://www.redcross.org). Other segments include; Tornado Season awareness and preparedness; KC Royals 3rd baseman Hunter Dozier BBQ sandwich to benefit Hunters Heroes and Big Brothers Big Sisters Kansas City; and more.

Aired 4/16/23 7:30a Duration:30Min

This episode begins with a Scam Alert. Adam has been receiving texts from Netflix informing him that they are going to cancel his account if he doesn't pay the late fee. The problem is... Adam doesn't have Netflix! So be on the look out for scammers, especially in the wake of the recent Severe Storm Damage. Check the validity of any charity or foundation at [CharityNavigator.org](https://www.charitynavigator.org). Other segments include; A book called 'Hello Sleep' that can help your sleeping issues; Stress and Anxiety due to wearing a Fitness Tracker; A discussion on the importance of Vitamin D; A warning of how true online Medical Advice can be; and more.

Aired 4/23/23 7:30a Duration:30Min

This week we take a look at AI scams, including a terrifying scam involving an AI voice impersonation to convince the victim their loved one has been kidnapped. Other segments include; Allergy Season, with a mild spring the pollen will develop earlier for heightened allergies this summer; AM Radio update, affecting the emergency alert system during a disaster; RIP Medical Debt, a charity that has relieved over \$8 billion in medical debt for Americans; The first EV Chevy Corvette auctioned for over \$1 Million to raise money for Teachers; April is Stroke Awareness Month; and more.

Aired 4/30/23 7:30a Duration:30Min

This episode features a conversation about Kidney Health Awareness and Organ Donor Awareness with Carlie Oakely. Carlie is a Kidney Transplant Recipient, and she shares her incredible story with us. Carlie has become an advocate for Organ Donation, and is an inspiration for anyone going through a health crisis.

Aired 5/7/23 7:30a Duration:30 Min

This episode begins with a discussion of Pool Safety. Now that it's May and the weather is warming up, pool season is right around the corner. To avoid a drowning or other life changing tragedy we discuss 10 tips for Pool Safety. Other topics include; Indy 500 driver Charlie Kimball work as a Diabetes Advocate; The history of Memorial Day; Warmer weather affecting traffic and pedestrian safety; Ceiling Fan pro tips; and more.

Aired 5/14/23 7:30a Duration: 30 Min

Missouri State University, Toldedo Rockets, Child Obesity, and more

We begin in front of a live studio audience at Missouri State University, and honor football player Caleb Schaffitzel for his community service. Caleb shares how MSU Football teams up with the MSU Ladies Field Hockey team for Healthy Heros to promote a healthy lifestyle at The Boys and Girls Club. We catch up with Fox4's Jenny Anchondo in Dallas to talk about everything from fitness apps to marijuana in the news. Next is Jeremiah Detmer and Alvin Fletcher, football players at the University of Toledo, both with 4.0 GPA's, to help raise awareness for the importance of education. Finally we chat with Jennifer Connor, The Mustard Girl, to learn about her charity work including an initiative called Common Threads to help combat Child Obesity.

Aired 5/21/23 7:30a Duration:30Min

102 Year Old College Graduate, Memorial Day Weekend Travel, 13 Ugly Men, and more

We begin this show with a look at 2 World War II veterans with major milestones this week. The first celebrated his 101st birthday, and the second finally walked across the stage in his cap and gown at the age of 102 to receive his diploma. Other segments include; Memorial Day Weekend travel safety; Frisco Texas Home Run Derby raising \$113,000 for charity; 13 Ugly Men in Tampa FL raising \$2 million in 2 years for charity; AI in the drive thru at Wendy's; and more.

Aired 5/28/23 7:30a Duration:30Min

We begin this Holiday Weekend show with a discussion of the meaning of Memorial Day. It's vastly different than Veterans Day, in that Memorial Day celebrates and honors the memory of the men and women who made the ultimate sacrifice serving this country. Veterans Day honors all living Military Personnel and Veterans. Memorial Day honors the memory of those who have passed. Other topics covered include; Folds Of Honor helping families and children of fallen heroes; The healthiest states in America; Salmonella infections alert with summer cookouts; Tik Tok viral video challenges and their dangers; and more.

Aired 6/4/23 7:30a Duration:30Min

Homelessness Awareness with Gordon Wayne, SPF Sun Protection, Charity Golf Outings, and more.

We begin with the story of recent college graduate Gordon Wayne, a young man who was a homeless teenager who earned a full academic scholarship to Boston College. Gordon walked 551 miles from his hometown in Virginia to Boston College to raise money and awareness for Homelessness. Over \$182,000 was raised for The National Alliance To End Homelessness. Other segments include; Fathers Day prep; SPF Sun Protection with the coming first day of Summer that brings the most sun; NFL Bengals players golf outing to raise money for the Lighthouse Youth and Family Services; and more.

Aired 6/11/23 7:30a Duration:30Min

Canadien Wildfires Air Quality Alert, Fathers Day Spending, Alien Whistleblower, and more.

We begin this episode with a discussion of the Air Quality connected to the Wildfires in Canada. 17 states are reporting severe Air Quality alerts, with the worst quality in the northeast. Officials are recommending staying inside and masking up when you go outside until the air quality improves. Check with your local officials for your Air Quality. Other segments include; This Fathers Day Americans are projected to spend \$22 Billion with the average person spending about \$194; America has Alien fever after a report of a government whistleblower's admission that the government has recent Alien spacecraft and evidence in their possession. There's even a 911 call from Las Vegas of an 'object' landing on someone's property, with 10 foot aliens in their backyard; and more.

Aired 6/18/23 7:30a Duration:30min
