* As permitted in *Children's Television Obligations Of Digital Television Broadcasters*, FCC 04-221 (¶ 24), rel. November 23, 2004, *recon. pending*, FCC 06-33, rel. March 24, 2006, "digital broadcasters [are permitted] to air all of their additional [3 hours of] digital [children's] core programming, beyond the 3 hour baseline on the main digital program stream, on one free digital video channel or distribute it across multiple free digital video channels, at their discretion, as long as the stream/s on which the core programming is aired has comparable carriage on multichannel video programming distributors ("MVPDs")." Accordingly, please note that the SOAC program service has a Saturday core block of children's programming of twelve (12) hours (7 am to 7 pm). Three (3) hours of that block provide compliance with FCC Rule 73.671 for the TBN Enlace service, and three (3) additional hours of that programming block also provide compliance for the JCTV program service.
