WHEREAS, Programmer and Licensee have entered into that certain Asset Purchase Agreement (the "Purchase Agreement"), pursuant to which Licensee has agreed to sell to Programmer certain of the assets of the Stations;

WHEREAS, Programmer desires to broker time on the Stations pursuant to the provisions hereof and pursuant to and in accordance with the Communications Act of 1934, as amended (the "Communications Act") and applicable regulations of the FCC until the closing date under the Purchase Agreement, or the expiration of the term hereof, whichever occurs first; and

WHEREAS, Licensee desires to accept Programmer's brokerage services and transmit programming supplied by Programmer on the Stations while maintaining control over Licensee's finances, personnel matters and programming.

NOW, THEREFORE, in consideration of these premises and the mutual promises, undertakings, covenants and agreements of the parties contained in this Agreement, the parties hereto do hereby agree as follows:

ARTICLE 1
PROGRAMMING AGREEMENT

1.1 Programmer Programming. During the term of this Agreement, Programmer hereby agrees to provide and Licensee agrees to transmit on the Stations news, sports, informational or entertainment programming and associated advertising, promotional, public service programming and announcement matter sufficient to program all of the Stations' broadcast day in accordance with FCC requirements (the "Programmer Programming"). Pursuant to FCC license limitations for W235CY, the Programmer Programming transmitted on W235CY is limited to rebroadcast of the Programmer Programming that is broadcast on WSMX.

1.2 Advertising Sales. Programmer shall have the sole right to sell advertising to be placed in all Programmer Programming broadcast on the Stations and shall collect and retain all advertising revenues associated with the Programmer Programming. Notwithstanding the foregoing (but subject to Licensee's right to preempt Programmer's Programming for reasonable

access by qualified federal candidates as provided in Section 2.1.2 below), Programmer shall refuse to accept: (i) requests by candidates for political office for "use" of WSMX's broadcast time as defined in Section 73.1941(b) of the FCC's Rules, or (ii) any programs of political matter or matter involving the discussion of a controversial issue of public importance for which a corporation, committee, association or other unincorporated group, or other entity is paying for or furnishing the broadcast matter, as defined in Section 73.1212(e) of the FCC's Rules.

ARTICLE 2

PROGRAMMING STANDARDS

2.1 Rights and Obligations of Licensee. Licensee shall remain responsible for the control of the day-to-day operation of the Stations and serving the needs of the Stations' community of license and service areas in conformance with its FCC licenses, permits and authorizations. Without limiting the generality of the foregoing, Licensee shall retain the following rights and obligations with respect to programming and technical operation of the Stations:

2.1.1 Licensee's Absolute Right to Reject Programmer Programming. Licensee shall retain the absolute right to accept or reject any Programmer Programming (including advertisements) that Licensee in its reasonable discretion deems contrary to the public interest. If Licensee rejects any Programmer Programming, the monthly fee due to Licensee by Programmer under Article 4 below shall be adjusted downward by an amount equal to the pro rata amounts attributable to such time.

2.1.2 Licensee's Right to Preempt Programmer Programming for Special Events and Qualified Federal Candidate Access. Licensee shall have the right to preempt the Programmer Programming in order to: (i) broadcast programming deemed by Licensee to be of national, regional or local emergency, and to use part or all of the hours of operation of the Stations for the broadcast of such emergency events; and (ii) comply with Licensee's obligations under Section 312(a)(7) of the Communications Act and Section 73.1944 of the FCC's Rules to allow reasonable access to, or to permit purchase of, reasonable amounts of time on WSMX by a legally qualified candidate for Federal elective office on behalf of his or her candidacy. In all such cases, Licensee will give Programmer reasonable advance notice of its intention to preempt any regularly scheduled programming. Licensee expressly agrees that its right of preemption shall not be exercised in an arbitrary manner or for the commercial advantage of Licensee.

2.1.3 Licensee's Obligation to Supervise the Stations. Licensee shall employ a manager to direct the performance of Licensee's obligations hereunder. Licensee shall also employ such other person(s) to assist the manager in performing Licensee's obligations hereunder. Such manager and other employee(s) shall be under the control of and report directly to Licensee, and shall have no material relationship with Programmer.

2.1.4 Licensee's Compliance with FCC Requirements. Licensee shall comply with the FCC rules and regulations with respect to the ascertainment of community problems, needs and interests and broadcast programming responsive thereto, timely prepare and place in

the WSMX's public inspection file appropriate documentation thereof, and comply with all other FCC rules and regulations which may be applicable to the operation of the Stations.

2.2 Rights and Obligations of Programmer. Programmer shall not take any action, or omit to take any action, inconsistent with Licensee's obligations under law to retain ultimate responsibility for the programming, finances and technical operations of the Stations. Without limiting the generality of the foregoing, Programmer agrees as follows:

2.2.1 Compliance with Laws and Station Policies. All Programmer Programming shall conform in all material respects to the Communications Act and all applicable rules, regulations and policies of the FCC, and all other laws or regulations applicable to the broadcast of programming by the Stations.

2.2.2 Cooperation with Licensee. Programmer, on behalf of Licensee, shall include within the Programmer Programming all station identification announcements required by the FCC's rules for the Stations. Programmer shall provide to Licensee information with respect to any of the Programmer Programming which is responsive to the public needs and interests of the area served by WSMX so as to assist Licensee in the preparation of any required issues/programs reports, and will provide upon request other information to enable Licensee to prepare other records, reports and logs required by the FCC or other local, state or federal governmental agencies. Programmer will promptly notify Licensee of all requests for broadcast time on WSMX, made by or on behalf of a candidate for public office, so that Licensee may comply with the political file reporting requirements of Section 73.1943(a) of the FCC's Rules (even though such requests are rejected by Programmer as provided in Section 1.2 above), and the reasonable access requirements of Section 73.1944 of the FCC's Rules.

2.2.3 Payola and Plugola. Programmer shall provide to Licensee in advance any information known to Programmer regarding any money or other consideration, compensation, gift or gratuity which has been paid or accepted, or has been promised to be paid or to be accepted, for the inclusion of any matter as a part of any programming or commercial material to be supplied to Licensee by Programmer for broadcast on the Stations, unless the party making or accepting such payment is identified in the program as having paid or furnished such consideration for the programming, in accordance with FCC requirements. Commercial matter with obvious sponsorship identification will not require disclosure beyond the sponsorship identification contained in the commercial copy. Programmer shall at all times endeavor to proceed in good faith to comply with the requirements of Sections 317 and 507 of the Communications Act and the related rules and regulations of the FCC.

2.2.4 Compliance with Copyright Act. Programmer shall not broadcast any material on the Stations in violation of the Copyright Act or the rights of any person. All music supplied by Programmer shall be (i) licensed by the program provider or by a music licensing agent such as ASCAP, BMI, SESAC, or GMR, (ii) in the public domain, or (iii) cleared at the source by Programmer. Licensee shall not be obligated to pay any music licensing fees or other similar expenses required in connection with the material broadcast by Programmer on the Stations.

ARTICLE 3

OPERATIONS

3.1 **Programmer Feed.** Programmer agrees to provide a broadcast-quality feed to WSMX's transmitter. Programmer technical personnel shall be responsible for connection of this feed to WSMX's broadcast transmission system and for switching the signal to air at the appropriate time, under the direction and supervision of Licensee's personnel, as described in Section 2.1.3. To enable Programmer to fulfill its obligations hereunder, Licensee shall make the equipment at Licensee's existing facilities and transmitter site, available to Programmer.

3.2 **Responsibility for Transmission Facilities.** Licensee shall maintain the Stations' transmission equipment and facilities, including the antennas, towers, transmitters and transmission lines in good operating condition according to customary industry practices. Licensee shall provide for the delivery of electrical power to the Stations' transmitting facilities at all times in order to ensure operation of the Stations. Licensee shall undertake such repairs as are necessary to maintain full-time operation of the Stations with maximum authorized transmission facilities. Such repairs will be made as expeditiously as possible, in consultation with and with approval from Programmer, and with minimal disruption to broadcast operations. Programmer shall reimburse Licensee for the expenses Licensee incurs in connection with the obligations described above, as provided in Schedule A, attached hereto.

3.3 **Expenses.** Licensee shall pay when due all fees and expenses relating to (i) the Stations' transmission facilities, including rent, utilities, maintenance, repair and replacement expenses (regardless of whether such expense is treated as an ordinary, extraordinary or capital item for accounting purposes), (ii) taxes and insurance relating to all real property owned by Licensee, and rent and taxes under all real and personal property leases relating to the Stations, including rent for the Stations' facilities, (iii) casualty and liability insurance for all of the Stations' facilities, and (iv) FCC regulatory fees. Programmer shall reimburse Licensee for the fees and expenses Licensee incurs in connection with the obligations provided in Schedule A, attached hereto.

ARTICLE 4

CONSIDERATION

As consideration of the brokerage of air time on the Stations for the broadcast of the Programmer Programming pursuant to the terms and conditions of this Agreement, Programmer shall pay to Licensee the consideration provided for in Schedule A to this Agreement.

ARTICLE 5

TERM AND REGULATORY REQUIREMENTS

5.1 **Term.** Subject to the provisions for early termination contained herein, the term of this Agreement shall commence effective on July 31, 2019 (the "Effective Date"). This Agreement shall terminate on the closing date of the transaction contemplated by the Purchase

Agreement (the "Term"). Notwithstanding the above, upon the earlier of either (i) dismissal by the FCC of the license assignment application contemplated by the Purchase Agreement, or (ii) there is no grant by the FCC of such license assignment application by December 31, 2019, the Parties agree to renegotiate this Agreement in good faith for 30 days. If the Parties cannot then reach agreement on such renegotiated terms by the end the 30-day period, this Agreement shall terminate.

5.2 Assignability. This Agreement shall inure to the benefit of and be binding upon Licensee, its successors and assigns and shall not terminate upon the sale or any other transfer of control of the Stations or Licensee to any successor licensee, except as provided in Section 5.3 below. Neither party shall assign or transfer its rights, benefits, duties or obligations under this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld, conditioned, or delayed.

5.3 Early Termination for Breach and Nonperformance. Should either party be in breach of this Agreement for the nonperformance of a material obligation, the nonbreaching party may, in addition to pursuing any other remedies available at law or in equity, terminate this Agreement if such breach shall continue for a period of fifteen (15) days following the receipt of written notice from the nonbreaching party, which notice shall indicate the nature of such breach, except if the breaching party has commenced a cure of such breach within said fifteen (15) day period, the breach is capable of cure and the breaching party acts in good faith to cure the breach within a reasonable time the breaching party shall not be deemed to be in breach.

5.4 FCC Action. Should a change in FCC policy or rules make it necessary to obtain FCC consent for the continuation or further effectuation of any element of this Agreement, both parties hereto shall use their best efforts to diligently prepare, file and prosecute before the FCC all petitions, waivers, construction applications, amendments, rulemaking comments and other related documents necessary to secure and/or retain FCC approval of all aspects of this Agreement. Programmer shall bear the cost of preparation of such documents and prosecution of such actions. Notwithstanding anything in this Agreement to the contrary, it is understood that no filing shall be made with the FCC with respect to this Agreement unless both parties hereto have reviewed said filing and consented to its submission. If the FCC determines that this Agreement is inconsistent with Licensee's license obligations or is otherwise contrary to FCC policies, rules and regulations, or if regulatory or legislative action subsequent to the Effective Date alters the permissibility of this Agreement under the FCC's rules or the Communications Act, the parties shall renegotiate this Agreement in good faith and recast this Agreement in terms that are likely to cure the defects perceived by the FCC and return a balance of benefits to both parties comparable to the balance of benefits provided by the Agreement in its current terms. If, after such good faith negotiations, either party reasonably determines that recasting this Agreement to meet the defects perceived by the FCC is impossible, either party may terminate this Agreement without further liability upon thirty (30) days prior written notice. If termination shall occur pursuant to this section, such termination shall extinguish and cancel this Agreement.
